Subject: FW: Lic #LL0272, Clarification on Name / DevierDesignBuild, LLC/R Albert (arch)

Celia, since your firm no longer employs an architect, I have concerns that the name, Devier Design Build, LLC, may be misleading. It suggests that your firm has the capability of doing something which it does not have the capability of doing. I will present your question to the board at its next meeting which is scheduled for Mach 16, 2012.

Subject: RE: Lic #LL0272, Clarification on Name / DevierDesignBuild, LLC/R Albert (arch)

We would like to maintain the name because we are registered in several states with the name, Devier Design Build LLC, and it would be costly and time consuming to change it. We will not be offering any services other than as a general contractor. There will be no architectural, interior design, engineering, etc. services offered or performed by our firm. This is why we have sent the letter requesting the License be made inactive. We just want to make sure it was all right to keep the name.

Thanks,

Celia Badon

Celia, from what I can tell, you are saying Devier Design Build, LLC will no longer be practicing architecture nor offering architectural services.

Are you maintaining the name? If so, what services will your firm be offering? We do not license design build firms but certain requirements are listed in our Rule 1319 which can be found on our website www.lastbdarchs.com hotlink rules. Please advise. Thanks

Subject: Lic #LL0272, Clarification on Name

This is to request a clarification and confirmation that we are not required to do a name change now that we have requested our license with the Board of Architectural be made inactive. We have parted ways with our Architect of Record, Richard Albert and are no longer offering or providing architectural services of any kind. This separation took place on February 13, 2012. We are in the process of making all appropriate changes to remove any offer or mention of Architectural services from our Website and contracts. All clients which had architectural services provided while Richard Albert was on staff have been notified of the change and that those types of services are no longer offered by Devier Design Build LLC.

Could you please let me know if we are required to change our name with the State of Louisiana? Our name is Devier Design Build LLC.

I have attached a copy of the letter we are sending today to the Board of Architectural Examiners and also a copy of the License we are requesting be made inactive.

If you need any additional information, please let me know and it will be sent ASAP.

Thanks,

Re: License #LL0272

Dear Sirs:

On February 13, 2012 we officially parted company with our Architect of Record, Richard Albert. Since we no longer meet the requirements of the Architectural board, we request that our license (License #LL0272, received on 4/9/2010) be made inactive. It is understood and agreed that Devier Design Build LLC will not offer or provide any architectural services especially within the State of Louisiana. We are/or have removed any and all mention of architectural services from our contracts and website in order to comply with Louisiana Law.

Please send us notification that the license has been made inactive for our records.

Thank you,

Thad W. Devier
Member, CEO
