TITLE: CUSTODIAL CLEANING- TERM CONTRACT

Addendum 02: Notice is given to all parties that this Solicitation is amended by the University as stated herein. This Addendum is hereby made an official part of this solicitation. See attached for supplier inquiries and responses.

To Be Completed By Supplier

1. _____"No Bid" (sign and return this page only).
2. _____My Company does not wish to receive future solicitations for this spend category.
3. Specify your Delivery: To be made within _____ days after receipt of order.
4. If applicable, Supplier's Addendum Acknowledgement/Response:
   As an authorized agent/signatory of the supplier, I/we acknowledge receipt of this Addendum, and
   _____submit no alterations/clarifications to our original bid.
   _____submit superseding revisions/clarifications to our original bid as written herein or attached hereto.

General Instructions to Suppliers

1. Quotations for furnishing the items and/or services specified are hereby solicited, and will be received by the issuing LSU Campus Procurement Office at the "Return Bid To" address stated above, until the specified due date and time.
2. Read the entire solicitation, including all terms, conditions and specifications.
3. All bid information and prices must be typed or written in ink. Any corrections, erasures or other forms of alteration to unit price are to be initialed by the supplier.
4. Bid prices shall include all delivery charges paid by the supplier, F.O.B. LSU Destination, unless otherwise provided in the solicitation. Any invoiced delivery charges not quoted and itemized on the LSU purchase order are subject to rejection and non-payment.
5. Payment is to be made within 30 days after receipt of properly executed invoice, or delivery and acceptance, whichever is later.
6. By signing this solicitation, the supplier certifies compliance with all general instructions to suppliers, terms, conditions and specifications; and further certifies that this bid is made without collusion or fraud.

Addendum 02

THIS ADDENDUM 02 CONCLUDES THE INQUIRY PERIOD.

Questions and Inquiries

Q1) I would strongly consider putting a specification on the solution/chemical used for the health and safety of not only the students but also their clothing and the facility itself. I have seen some products discolor certain fabrics (rugs/carpet, backpacks, drapery, etc.) In these instances the common denominator was **chlorine/Chlorine Dioxide/ClO2** specifically.

> A1) Supplier must choose an EPA approved cleaner effective in killing Sars Cov-2. Solution must be an ethanol, isopropyl, hydrogen peroxide, or quaternary ammonium based cleaner. LSU Environmental Health & Safety (EHS) will approve proposed disinfection chemicals and will work with the supplier to select a solution that is readily available.

Q2) Is there a list of buildings with a number of classrooms per building available for logistic purposes? If so, would a map of their locations be available?

> A2) See attached building list. Campus map can be found at https://map.concept3d.com/?id=743#lct/ or searching "map" on www.lsu.edu.

Q3) Do you have an average square foot per classroom for the 988 listed classrooms/labs?

> A3)The average room size is 890 square feet.

Q4) Will there be available storage for the solution used i.e. 275 gallon totes/55 gallon drums?

> A4) A limited amount of storage space can be made available.

Q5) Can you provide to us a list of the sanitize products approved by LSU EHS? To be use with this contract.

> A5) Supplier must choose an EPA approved cleaner effective in killing Sars Cov-2. Solution must be an ethanol, isopropyl, hydrogen peroxide, or quaternary ammonium based cleaner. LSU Environmental Health & Safety (EHS) will approve proposed disinfection chemicals and will work with the supplier to select a solution that is readily available.

Q6) Clarification on scope of work you're requiring a one pass over with a sprayed sanitizer product over desk, chairs and furniture in each classroom nightly? Only onetime?

> A6) Disinfection must occur nightly, one time each night. If the supplier has selected an approved process/solution that requires more than one spray/application to achieve disinfection, that process must be followed.

Q7) Classrooms are spread between 114 buildings, approximately how many classrooms are in each building?

A7) On average, there are about 9 classrooms per building. See attached building list.

Q8) Do all building have elevators to get to the top floor and can we use the stairs on the way down?

A8) Yes

Q9) Can you provide a map of where all the buildings are located?

A9) See attached building list. Campus map can be found at https://map.concept3d.com/?id=743#!ct/ or searching "map" on www.lsu.edu.

Q10) Do we have to wipe down desks And chairs first then spray, or are we simply spraying EPA approved disinfectant ?

A10) Method of application is spray method or other approved method that is effective when used in conjunction with an EPA approved disinfection solution. If the supplier has selected an approved process/solution that requires more than one spray/application to achieve disinfection, that process must be followed.

Q11) how many chairs are in each class? how many tables/desk are in each classroom?

A11) On average, there are 25 stations in each class. That number includes a desk/chair combined unit or chairs at a table.

988
