Questions & Answers

Question #1: Our provider uses the Surety 2000 clearinghouse for electronic bid bonds. Will this delivery method meet the Parish's needs?

Answer: Yes, the electronic bid bond must be submitted through Surety 2000. Bidders must provide the electronic bid bond number when submitting their bids.

Question #2: We're required to provide a Vendor ID to the clearinghouse. What Vendor ID should we use for Jefferson Parish?

Answer: The Vendor ID would be your Jefferson Parish vendor ID number. If a bidder does not yet have a vendor ID with the Parish, any number will suffice, as the Vendor ID is not used to verify the electronic bid bond.

Question #3: We're required to provide a Contract ID to the clearinghouse. What Contract ID should we use for this solicitation?

Answer: The Contract ID for the electronic bid bond should be the Bid Event number. For example, the Contract ID for this project will be, Bid Event No. 225.
