REBID - Equipment Relocation of Allegro Weber Bar

Addendum 01

Inquiry 1

We'd perform the job with a Louisiana-licensed rigging partner holding the LSLBC "Rigging, House Moving, Wrecking and Dismantling" classification. Can we submit as the prime bidder with that licensed rigger as our subcontractor, or does the license holder need to be the bidder of record?

Response 1

A bidder holding a Building Construction license is authorized to perform work within its associated subclassifications, including “Rigging, House Moving, Wrecking and Dismantling.”

Bidder must hold either the "Building Construction" major classification or the “Rigging, House Moving, Wrecking and Dismantling” subclassification and may perform the work directly.

Bidder may subcontract the rigging work to a contractor. The contractor must hold a “Rigging, House Moving, Wrecking and Dismantling” license.
