GOHSEP UPDATES

Casey Tingle, Acting Director

- Upcoming Temporary Housing Meeting with Directors to discuss the deployment of housing.
- The new FEMA Appointee for Response and Recovery will be visiting some of the parishes affected by Hurricane Ida and the City of New Orleans.
- GOHSEP is working with FEMA to extend Temporary Housing for those affected by Hurricane Laura and Delta.
- The State currently has approximately three thousand family in TSAs. FEMA would like to end this program by the end of February. GOHSEP has suggested that the families lodged in Louisiana, Texas of Mississippi hotels continue. We would like to bring the families to those states to help us better case manage the program.
- GOHSEP is currently going through the Budget Process and still working with the Division of Administration on what will be submitted for the executive budget.

- We are hoping to have an update on the LWIN Ethernet activity included in the budget.
- In the upcoming weeks we will be making a series of announcements about HM Funding for the following Disasters:
 - Ida
 - Zeta
 - Winter Weather
 - We will be pushing out some HMGP allocations for those disasters. We are still working on the May Flooding allocation.
- For IDA this will be just an initial allocation.
