Chair Brad O'Hara convened the meeting at 9:30 a.m. The 16 November minutes were approved, as written.

Designated Proxy for Meetings

Brad O'Hara suggested that the six SATC members name a designee to represent them in the event they cannot attend a future meeting, so that SATC might be more likely assured a quorum for action in future meetings. He distributed a form and suggested that it could also be sent via email. Three members completed the form before leaving:
