- May 10—Notice of Intent submitted to the Louisiana Register [49: 953(A)(1)(b)(i)]
- **May 20**— Notice of Intent published in the Louisiana Register [49:953(A)(1)(a)]
- **May 22— Board of Commerce and Industry Public Hearing – public hearing on proposed ITEP Changes.** [§953(A)(2)(a)—providing “reasonable opportunity” for comment orally or in writing]
- **June 22**— Deadline to submit written comments to LED [49:953(A)(2)(a)—providing “reasonable opportunity” for comment orally or in writing]
- **June 25— Public Hearing**—required 35-40 days after Notice of Intent is published. [49:953(A)(2)(b)(i), if requested, and 49:953(A)(2)(a)]—providing “reasonable opportunity” for comment orally or in writing]
- **June 27— Board of Commerce and Industry Hearing to deliberate and adopt proposed rules**
- **June 29**—Target Date to provide Summary Report to LED’s oversight committees, House Committee on Commerce and the Senate Committee on Commerce, Consumer Protection, and International Affairs [49:968(B)(1) and (D)(1)(b)] *
- **July 5 to July 30**—Timeframe during which possible legislative oversight committee hearings should occur [49:968(D)(2)(a)]**
- **August 20— Final Rule Published In Louisiana Register and Effective Date of the New Rules** [49:968 (H)(1) and 49:954 (B)]***

* No particular date is set for submission, just that it be 5-30 days prior to any oversight committee hearing, which cannot occur until after the June 25 hearing. Note that LED also intends to submit the public comments response per 49:953(A)(2)(b)(ii) on this date.

** This assumes the target date for providing the Summary Report is met as the oversight committee meetings are to occur 5-30 days after submission of the Summary Report.

*** Only if no changes are made to the current proposed rules and/or no adverse action is taken by an oversight committee or the Governor.
