B. Each applicant for a warehouse license and/or cotton merchant and/or a grain dealer license who participates in the self-insurance fund shall be assessed an annual fee for participation in the self-insurance program. Said fee must accompany the application for a license, and is not refundable unless the license application or renewal is denied and, in that event, the fee will be refunded on a pro rata basis with the commission retaining a proportionate amount for any period during which coverage was provided to the applicant.

C. An applicant who does not pay said fee on or before April 30 of the new license year shall pay an additional sum

equal to 10 percent of the annual fee.

D. The amount of the annual fee shall be \$500 for a grain dealer or cotton merchant licensee. The annual fee for a warehouse licensee shall be determined first by calculating the amount of bond required of a license under R.S. 3:34010.C and D. If the required bond is \$25,000, then the fee shall be \$135. If the required bond is over \$25,000, then the fee shall be \$135 plus \$4 per each additional \$1,000 of coverage required.

E. Whenever the licensed warehouse capacity increases, the amount of the fee shall be amended to conform with the current licensed capacity of the facility or facilities covered by the fee.

F. For licensees entering the self-insurance fund during the license year, the fee shall be based on a pro-rata basis for each month of coverage provided.

G. The commission may require applicants who are participating in the self-insurance fund for the first time to pay two times the normal fee assessment.

§109. Insurance Coverage

A. Insurance coverage available to the user of a licensed operation shall be limited to the amount of the bond required by R.S. 3:3410 and/or R.S. 3:3411 and shall be accepted in lieu of said bond as follows.

1. Each licensed grain dealer or cotton merchant shall be insured in the total aggregate amount of \$50,000 for all claims in each licensed year.

§111. Claim Provisions

A. The monies in the Agricultural Commodities Commission Self-Insurance Fund shall be used solely for the administration and operation of this program of self-insurance.

B. Any claimant who wishes to assert a claim must provide, under oath, written and notarized proof of a loss covered under this program within 30 days of the loss.

C. Said written claim shall include the following information:

1. name and address of claimant;

2. name of the licensee(s) against whom claimant is asserting a loss;

3. nature of the relationship and transaction between claimant and licensee(s);

4. the date of the loss which shall be defined as the date on which claimant knew, or should have known, that a loss had occurred;

5. the amount of the loss and how calculated;

6. a concise explanation of the circumstances that precipitated the loss;

7. copies of those documents relied upon by claimant as proof of said loss.

D. Failure to furnish such proof of loss within the required time shall not invalidate nor reduce the claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible.

E. Upon receipt of a proof of loss, the commission will receive the claim to determine whether it is covered under the program. The burden of proof to establish the loss shall be upon the claimant.

F. Where any loss is or may be covered by other insurance or bond, the other insurance is primary and the commission may require the claimant to exhaust his remedies as to the other insurer before considering the payment of the claim.

G. Once a proof of loss has been filed against a licensee(s), the commission may make a complete inspection of the licensee's physical facilities and the contents thereof, as well as an audit of all books and records of the licensee and/or claimant, subject to the confidentiality requirements of R.S. 3:3421.

H. Once proof of loss has been filed against a licensee(s), any other claimants alleging a loss caused by said licensee(s) will have a period of 60 days within which to post and thereby file a written claim. The said 60-day period will begin to run upon publication by the commission of the notice of claim in the official local journal for legal notices, or the print publication with the highest circulation in the area serviced by the licensee. The purpose of said notice is to determine whether there are multiple claims, and in the event of multiple claims which exceed the amount of insurance, then the proceeds available for losses of said

licensee(s) will be prorated.

I. The commission shall provide a notice, by published advertisement, in the official local journal for legal notices or the print publication with the highest circulation in the area serviced by the licensee of the failure of a warehouse and/or grain dealer licensee, and all claims pursuant thereto must be filed within 60 days of the published advertisement.

J. The commissioner may, at his option, represent the producers and the patrons of a licensee in their claim against a licensee.

K. When claims against different licenses are filed timely and approved by the commission and the aggregate amount claimed exceeds the amount in the fund, those claims filed first will be paid before other claims until the fund is exhausted. However, the commission may, for good cause shown, permit the payment of any claim or claims over a period of years as it shall determine.

L. The fiscal year for the self-insurance fund shall be from July 1 through June 30 of each year. However, any claims received by the commission on or before August 15 of any calendar year shall be deemed as a claim on the self-insurance fund of the previous fiscal year. Claims against a licensee which are posted or received by the commission within 60 days of the advertisement of the first claim shall be considered as received on the same date as the first claim.

AUTHORITY NOTE: Promulgated in accordance with R.S. 3:3410.1 and R.S. 3:3405.

or entity as it shall determine.

When the self-insurance fund has \$10,000,000 available for payment of claims, no further fees or assessment will be collected until said fund is reduced by payment of claims or as otherwise provided for herein, provided that every participant in the fund shall have paid fees into the fund for a minimum of 15 years before any such suspension of fees are applicable to said participant.
