SPECIAL TERMS & CONDITIONS	Page 5 of 7
NUMBER : 007006 OPEN DATE : 08/18/2016 TIME: 02:00 PM	BIDDER:

This bid is to be effective for (36) months from date of award. At the option of LSUHSC-S and acceptance by the vendor, this bid can be renewed for one (1) additional twelve (12) month period at the same prices and terms.

All prices are to be firm for the contractual period, but wherever there is a general reduction in price which is lower than the contract price, said reduction to be presented directly to LSUHSC-S.

Approximate quantities as set forth are estimated, and the successful bidder to supply at bid prices actual requirements as ordered whether the total of such requirements are more or less than the quantities shown. No specific quantities are guaranteed. Only those quantities required will be ordered.

FISCAL FUNDING:

The continuation of the contract is contingent upon the continuation of an appropriation of funds by the Legislature to fulfill the requirements of the contract. If the Legislature fails to appropriate sufficient monies to provide for the continuation of the contract, or if such Appropriation is reduced by the veto of the Governor or by any means provided in the Appropriations Act or Title 39 of the Louisiana Revised Statues of 1950 to prevent the total appropriation for the year from exceeding revenues for that year, or for any other lawful purpose, and the effect of such reduction is to provide insufficient monies for the continuation of the contract, the contract shall terminate on the date of the beginning of the first fiscal year for which funds are not appropriated.

All bidders should be aware that our legislative process is such that it is often impossible to give prior notice of the non-appropriation of funds.

TERMINATION:

Termination of the Contract for Convenience

The State may terminate the contract at any time by giving thirty (30) days written notice to contractor of such termination or negotiating with the Contractor an effective date. The Contractor shall be entitled to payment for deliverables in progress, to the extend work has been performed satisfactorily.

Termination of the Contract for Cause

The State may terminate the contract for cause based upon the failure of Contractor to comply with the terms and/or conditions of the contract, or failure to fulfill its performance obligations pursuant to this ITB, provided that the State shall give the Contractor written notice specifying the Contractor's failure. If within thirty (30) days after receipt of such notice, the Contractor shall not have corrected such failure or in the case of failure which cannot be corrected in thirty (30) days, begun in good faith to correct such failure and thereafter proceeded diligently to complete such correction, then the State may, at its option, place the Contractor in default and the contract shall terminate on the date specified in such notice.
