## **Addendum # 1 to RFP ENV-001-2016 Environmental & Industrial Hygiene Consulting**

Change the above referenced Request For Proposal to agree with this addendum. LSU Health Sciences Center will reject any proposal which does not acknowledge this addendum. Acknowledge by including a signed copy of this addendum with your bid.

### **RFP Questions:**

Q. The Sample Contract Indemnification and Limitation of Liability clause contains language on Page 32 addressing claims against the Contractor where liability is not otherwise set forth in the Agreement. Could you tell us what type of claims would fall under this language?

A. These would be any claims that are not expressed in the contract. You may choose to highlight any language in the contract you may take exception with, but that could effect the evaluation of your bid.

Q. Can the 8 sample reports be submitted electronically on a CD/flash drive rather than submitting hard copies with each of the 3 copies of the proposal? Some of the reports are quite lengthy.

A. Per Section 4.1, proposals must be submitted in hard copy (printed) format. That includes sample reports.

Q. Is there any specific request for how to label confidential information included with our proposal, such as the financial statement?

A. No specific way. Just indicate via label or stamp the sections you want to keep confidential.
