ADDENDUM #1

Bid No.: 50-00118290

Bid Opening Date: December 13, 2016

For: Labor, materials, programming and equipment necessary to furnish and install one (1) new Hi-Resolution, Hi-Scan X-Ray Inspection System and one (1) new Enhanced Walk-Through Multi-Zone Metal Detector for the Jefferson Parish Joseph S. Yenni Building

Questions and Answers:

Question 1: On section 5.1 page 8: What do you mean by "Disconnect and remove existing x-ray machine and properly prepare unit for owner to store"?

- i. Do we need to move to a different area of the building? Please advise.

Answer: Machine will be moved to another part of the Building.

- ii. Do we just unplug power and set aside without packing ? or do we need to provide packing material & pack old unit and set aside? Please advise.

Answer: Machine will need to be wrapped in plastic film.

Question 2: What is the old X-ray machine Manufacturer and MODEL number? Please advise.

Answer: Smiths Detection Model HS7555i

Question 3: On Section 5.3 page 10: Under "Options" Do you want " Xport, Media Bay for RIDA (250GB)" and " CD/RW module " to be added to the unit or just have that function available option to be added in the future. Please advise.

Answer: Only provide options listed in the specifications.

Question 4: On Section 5.2 page 9: Under Removal: I believe you mean Walk-Through Metal detector instead of X-Ray machine. Same questions as above A). Please advise.

Director

Answer: Disconnect and remove existing walk thru metal detector. Owner will store walk thru metal detector.

Question 5: DO you need entrance/exit roller tables and how long each? , if any ? - Nowhere on documentation for BID 50-00118290 mentions any roller table for X-Ray machine, Please advise.

Answer: Existing roller table will be reused. Successful bidder will reinstall existing roller table.

Question 6: On Section 5.1 page 8, you are asking : " Provide owner with a copy of all software installed". Unfortunately, this software is embedded in the equipment when ordering. It is not an application (PC application) you can just download or upload by end-user. If an upgrade is available, Smiths Detection would upgrade software during schedule servicing or warranty period. Please remove from request, sorry it is not available.

Answer: Provide owner with a copy of the owner's manual listing all software installed.

CHANGES TO THE BID SPECIFICATIONS:

On page 8, Section 5.0 – Bid Specifications:

DELETE the 8th bullet point which reads as follows:

- Provide owner with a copy of all software installed.

REPLACE with:

- Provide owner with a copy of the owner's manual listing all software installed.

THE BID OPENING DATE WILL REMAIN THE SAME, DECEMBER 13, 2016, AT 2:00 P.M.

Sincerely,

Daphne Nelson

Daphne Nelson, Buyer II
