ADDENDUM #1

Bid No.: 50-00118305

Bid Opening Date: January 5, 2017

For: Two (2) year contract for concrete (street) maintenance for the Jefferson Parish Department of Public Works – Streets and all Jefferson Parish agencies and municipalities (excluding Grand Isle)

CLARIFICATION AND, REVISION TO THE BID SPECIFICATIONS:

This addendum hereby revises and replaces the original bid form and is attached hereto. Bidders must submit this revised bid form with their submission. Failure to do so will result in bid rejection.

Questions and Answers:

Question 1:

Some paving bid items descriptions in the unit price bid form specifically mention "without reinforcing" or for example "with 6x6-W2.9 reinforcement". For paving item descriptions which do not indicate anything about reinforcing steel or mesh, what is the default status regarding reinforcement? Question refers to line items 0010 through 0190.

Answer:

The items that mention "with or without reinforcing mesh" are driveway and handicapped ramp items. So, any other paving item, that doesn't mention reinforcing (one way or the other) is pavement without reinforcement, other than typical jointing steel as per parish standards.

Question 2:

Regarding bid item 0850 Sheeting in place (up to 12' deep trenchcut):

What is the sheeting material supposed to be (wood or steel)? How thick or what section?

In order to fully answer this, the soil condition would need to be known at each location requiring such sheeting.

Is the sheeting supposed to be left in place permanently?

Regarding the unit of measure (250 FT), is this supposed to be horizontal wall linear footage, measured along each side of trench and paid for each side, or trench linear footage meaning two walls for each FT of measure?

JEFFERSON PARISH

Department of Purchasing

Michael S. Yenni
Parish President

Brenda J. Campos
Director

Answer:

Regarding 0850 Sheeting In-Place. : Material should be oak dunnage, 2 inches thick by 12 inches wide (true dimension). The footage is the total length of the boards used / left in place if needed when trenching for pipe installation. And yes, the sheeting would be for both sides of the trench. With respect to the soil conditions, that information isn't necessary for bidding on this item as now described. The soil condition would be something to address in the field when the need for this item occurs.

Question 3:

Bid item 0870 Bermuda sod seems to have an incorrect unit of measure (LB); should be SY.

Answer:

Line item 0870 that reads as Bermuda Grass Sod should **read as** Bermuda Grass Seed. See attached revised Louisiana Uniform Public Work Bid Form.

Question 4:

Please advise if OCP and Builder's Risk needs to be provided.

Answer:

OCP and Builder's Risk insurance is not required for this project.

BID OPENING DATE WILL REMAIN THE SAME, JANUARY 5, 2017, AT 2:00 P.M.

Sincerely,

Daphne Nelson

Daphne Nelson, Buyer II
Jefferson Parish Purchasing Department

Bidders must acknowledge all addenda on the bid form. Bidder acknowledges receipt of this addendum on the bid form as indicated. Failure to do so will result in bid rejection.

JEFFERSON PARISH

Department of Purchasing

Michael S. Yenni
Parish President

Brenda J. Campos
Director

This addendum is a part of the contract documents and modifies the original bidding documents and specifications. The contents of this addendum shall be included in the contract documents. Changes made by this addendum shall take precedence over the documents of earlier date.
