ELECTRONIC VENDOR PAYMENT SOLUTION
In an effort to increase efficiencies and effectiveness as well as be strategic in utilizing technology and resources for the State and Contractor, the State intends to make all payments to Contractors electronically. The LaCarte Procurement Card will be used for purchases of $5,000 and under, and where feasible, over $5,000. Contractors will have a choice of receiving electronic payment for all other payments by selecting the Electronic Vendor Payment solution (EVP) or Electronic Funds Transfer (EFT). If you receive an award and do not currently accept the LaCarte card or EVP or have not already enrolled
Attachment A – Special Terms and Conditions

RFx No 3000008980   TITLE: Cheese Loaf & Slices – DOC/P.E.

in EFT, you will be asked to comply with this request by choosing either the LaCarte Procurement Card and/or ONLY one (1) of the following options: EVP or EFT. You may indicate your acceptance below.

The LaCarte Procurement Card uses a Visa card platform. Contractors receive payment from state agencies using the card in the same manner as other Visa card purchases. Contractors cannot process payment transactions through the credit card clearinghouse until the purchased products have been shipped or received or the services performed.

For all statewide and agency term contracts:

- Under the LaCarte program, purchase orders are not necessary. Orders must be placed against the net discounted products of the contract. All contract terms and conditions apply to purchases made with LaCarte.
- If a purchase order is not used, the Contractor must keep on file a record of all LaCarte purchases issued against this contract during the contract period. The file must contain the particular item number, quantity, line total and order total. Records of these purchases must be provided to the Office of State Purchasing on request.

EVP method converts check payments to a Visa credit card thereby streamlining payments to your organization. Participants receive a credit card account number with unique security features. This card will have $0 available funds until an invoice is approved for payment. As payments are approved, electronic remittance notifications are sent via email along with approval to charge the card for that amount. EVP requires no change to current invoice procedures; it is secure, and does not require your bank information. Charges may apply.

EFT payments are sent from the State’s bank directly to the payee’s bank each weekday. The only requirement is that you have an active checking or savings account at a financial institution that can accept Automated Clearing House (ACH) credit files and remittance information electronically. Additional information is available at:

To facilitate this payment process, you will need to complete and return both EFT enrollment forms found at: http://www.doa.la.gov/Pages/osrap/Forms/Forms.aspx and http://www.doa.la.gov/OSRAP/EFTforWebsite.pdf

If an award is made to your company, please check which option you will accept or indicate if you are already enrolled. Payment Type Will Accept Already Enrolled
