All proposals submitted timely will be retained by the City-Parish and not returned to Proposers. Any copyrighted materials in the response are not transferred to the City-Parish.

1.17 Cost of Offer Preparation

The City-Parish is not liable for any costs incurred by prospective Proposers prior to issuance of or entering into a Contract. Costs associated with developing the proposal, preparing for oral presentations, and any other expenses incurred by the Proposer in responding to the RFP are entirely the responsibility of the Proposer, and shall not be reimbursed in any manner by the City-Parish.

1.18 Non-negotiable Contract Terms

Non-negotiable contract terms include but are not limited to taxes, assignment of contract, audit of records, Equal Employment Opportunity Commission (EEOC) and American Disability Act (ADA) compliance, record retention, content of contract/order of precedence, contract changes, governing law, claims or controversies, and termination based on contingency of appropriation of funds (if applicable).

1.19 Taxes

Any taxes, other than state and local sales and use taxes, from which the City-Parish is exempt, shall be assumed to be included within the Proposer’s cost.
1.20 Proposal Validity

All proposals shall be considered valid for acceptance until such time an award is made, unless the Proposer provides for a different time period within its proposal response. However, the City-Parish reserves the right to reject a proposal if the Proposer’s response is unacceptable, and the Proposer is unwilling to extend the validity of its proposal.

1.21 Prime Contractor Responsibilities

The selected Proposer shall be required to assume responsibility for all items and services offered in his proposal, whether or not he produces or provides them. The City-Parish shall consider the selected Proposer to be the sole point of contact with regard to contractual matters, including payment of any and all charges resulting from the contract.

1.21.1 Corporation Requirements

Upon the reward of the contract, if the contractor is a corporation and not incorporated under the laws of the State of Louisiana, the contractor shall have obtained a certificate of authority pursuant to R.S. 12:301 - 302 from the Secretary of State of Louisiana prior to the execution of the contract.

Upon the award of the contract, if the contractor is a for-profit corporation whose stock is not publicly traded, the contractor shall ensure that a disclosure of ownership form has been properly filed with the Secretary of State of Louisiana.

If services are to be performed in East Baton Rouge City-Parish, evidence of a current occupational license and/or permit issued by the City-Parish shall be supplied by the successful vendor, if applicable.

1.22 Use of Subcontractors

The Successful Proposer shall serve as the single prime contractor for all work performed pursuant to its contract. That prime contractor shall be responsible for all deliverables referenced in this RFP. This general requirement notwithstanding, Proposers may enter into subcontractor arrangements. Proposers may submit a proposal in response to this RFP, which identifies subcontract(s) with others, provided that the prime contractor acknowledges total responsibility for the entire contract.

The City-Parish is an equal opportunity employer and encourages the participation of Disadvantaged Business Enterprises (DBE) in all of its projects. Proposers are strongly encouraged to make positive efforts to utilize minority subcontractors for a portion of this project. Proposers are requested to include in their proposal a description of plans for minority participation under this Contract as suppliers or subcontractors.

Information required of the prime contractor under the terms of the RFP, is also required for each subcontractor and the subcontractors must agree to be bound by the terms of the contract. The prime contractor shall assume total responsibility for compliance.

The Proposer will be as solely responsible to the City-Parish for any acts or omissions of all subcontractors and all persons employed by any subcontractor. All transactions of the subcontractor will be with the Proposer. Subcontractors will be considered only in the capacity of employees or workmen and shall be subject to the same requirements as to character and competency.

To the fullest extent permitted by law, Proposer shall indemnify, defend, and hold harmless the City-Parish from any claim of damage, cost expense, or amount owed under any lien or claim of privilege, including, but not limited to, attorney fees, involving Proposer’s subcontractors or suppliers.
Proposer shall submit list of proposed Subcontractors, including their address and area of assigned work, to the City-Parish prior to Contract execution.

1.23 Written or Oral Discussions/Presentations

Written or oral discussions may be conducted with Proposers who submit proposals determined to be reasonably susceptible of being selected for award. The City-Parish reserves the right to enter into an Agreement without further discussion of the proposal submitted based on the initial offers received.

Any commitments or representations made during these discussions, if conducted, may become formally recorded in the final contract.

Written or oral discussions/presentations for clarification may be conducted to enhance the City-Parish understanding of any or all of the proposals submitted. Neither negotiations nor changes to vendor proposals will be allowed during these discussions. Proposals may be accepted without such discussions.

1.24 Acceptance of Proposal Content

The mandatory RFP requirements shall become contractual obligations if a contract ensues. Failure of the successful Proposer to accept these obligations shall result in the rejection of the proposal.

1.25 Evaluation and Selection (see Part III Evaluation)

1.26 Contract Negotiations

If for any reason the Proposer whose proposal is most responsive to the City-Parish’s needs, price and other evaluation factors set forth in the RFP considered, does not agree to a contract, that proposal shall be rejected and the City-Parish may negotiate with the next most responsive Proposer. Negotiation may include revision of non-mandatory terms, conditions, and requirements. Negotiation shall also allow price reductions. The final contract form shall be reviewed by the Purchasing Division and approved by the Parish Attorney prior to issuance of a purchase order, if applicable to complete the process.

1.27 Contract Award and Execution

The City-Parish reserves the right to enter into an Agreement without further discussion of the proposal submitted based on the initial offers received.

The RFP, any addendums, and the proposal of the selected Contractor will become part of any contract initiated by the City-Parish.

In no event is a Proposer to submit its own standard contract terms and conditions as a response to this RFP. The Proposer needs to address the specific language in the sample contract (Attachment C) and submit with their proposal any exceptions or exact contract deviations that their firm wishes to negotiate. The terms for both of these documents may be negotiated as part of the negotiation process with the exception of contract provisions that are non-negotiable.

If the contract negotiation period exceeds 30 days or if the selected Proposer fails to sign the contract within seven calendar days of delivery of it, the City-Parish may elect to cancel the award and award the contract to the next-higher-ranked Proposer.
Award shall be made to the Proposer or Proposers whose proposal, conforming to the RFP, will be the most advantageous to the City-Parish, price and other factors considered.

The City-Parish intends to award to a single Proposer.

**1.28 Notice of Intent to Award**

Upon review and approval of the evaluation committee’s recommendation for award by Purchasing and Metro Council, a Notice of Intent to Award letter to the apparent successful Proposer will be issued. A contract shall be completed and signed by all parties concerned on or before the date indicated in the Schedule of Events. If this date is not met, through no fault of the City-Parish, the City-Parish may elect to cancel the Notice of Intent to Award letter and make the award to the next most advantageous Proposer.

Purchasing shall notify all unsuccessful Proposers as to the outcome of the evaluation process. The evaluation factors, evaluation committee member names, and the completed evaluation summary and recommendation report shall be made available to all interested parties after the Notice of Intent to Award letter has been issued.

**1.29 Debriefings**

Debriefings may be scheduled by the participating Proposers after the Notice of Intent to Award letter has been issued by contacting Purchasing Division 72 hours in advance. Contact may be made by phone at (225) 389-3259 or E-mail to purchasinginfo@brla.gov to schedule the debriefing. Debriefings will be for the sole purpose of reviewing with the requesting vendor their own proposal results.

If the requesting vendor wishes to view other file documents, a Public Records request in accordance with R.S 44.1 et. seq. must be submitted.

**1.30 Insurance Requirements**

The Successful Proposer shall furnish the City-Parish with certificates of insurance affecting coverage(s) required by the RFP (See Attachment D). The certificates for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates are to be received and approved by the City-Parish before work commences. The City-Parish reserves the right to require complete certified copies of all required policies, at any time.

**1.31 Subcontractor Insurance**

The Successful Proposer shall include all subcontractors as insureds under its policies or shall ensure that all subcontractors satisfy the same insurance requirements stated herein for the contractor.

**1.32 Indemnification**

Service Provider agrees to indemnify, defend, and hold harmless the City-Parish from any and all losses, damages, expenses or other liabilities, including but not limited to connected with any claim for personal injury, death, property damage or other liability that may be asserted against the City-Parish by any party which arises or allegedly agents in performing its obligations under this Agreement.

Service Provider, its agents, employees and insurer(s) hereby release the City-Parish its agents and assigns from any and all liability or responsibility including anyone claiming through or under them by way or subrogation or otherwise for any loss or damage which Service Provider, its agents or insurers may sustain incidental to or in any way related to Service Provider’s operations under this Agreement.
1.33  Fidelity Bond Requirements (Not Required)

1.34  Termination

1.34.1 Termination of this Agreement for Cause
The City-Parish may terminate this contract for cause based upon the failure of the Successful Proposer to comply with the terms and/or conditions of the Agreement, or failure to fulfill its performance obligations pursuant to this Agreement, provided that the City-Parish shall give the Successful Proposer written notice specifying the Successful Proposer’s failure. If within thirty (30) days after receipt of such notice, the Successful Proposer shall not have either corrected such failure or, in the case of failure which cannot be corrected in thirty (30) days, begun in good faith to correct such failure and thereafter proceeded diligently to complete such correction, then the City-Parish may, at its option, place the Successful Proposer in default and the Agreement shall terminate on the date specified in such notice.

The Successful Proposer may exercise any rights available to it under Louisiana Law to terminate for cause upon the failure of the City-Parish to comply with the terms and conditions of this contract; provided that the contractor shall give the City-Parish written notice specifying the City-Parish failure and a reasonable opportunity for the City-Parish to cure the defect.

1.34.2 Termination of this Agreement for Convenience
The City-Parish may terminate this Agreement at any time by giving thirty (30) days written notice to the Successful Proposer of such termination or negotiating with the Successful Proposer an effective date.

The Successful Proposer shall be entitled to payment for deliverables in progress, to the extent work has been performed satisfactorily.

1.34.3 Termination for Lack of Appropriated Funds
Should the RFP result in a multi-year contract, a non-appropriation clause shall be made a part of the contract terms as required by state statutes, allowing the City-Parish to terminate the contract for lack of appropriated funds on the date of the beginning of the first fiscal year for which funds are not appropriated.

1.35 Assignment
Assignment of contract, or any payment under the contract, requires the advanced written approval of the City-Parish.

1.36 No Guarantee of Quantities
The quantities referenced in the RFP are estimated to be the amount needed. The quantities for which unit prices are indicated in the Proposal Form do not constitute a guarantee that the quantities so indicated are the actual quantities required for the work under the contract. The City-Parish reserves the right to increase or decrease the quantities of work and materials under unit price per items as deemed necessary, provided said increase or decrease does not materially change the intent of the contract. Such alterations shall not be considered as a waiver of any conditions of the contract nor to invalidate any provisions thereof.

Neither the City-Parish nor Department obligates itself to contract for or accept more than their actual requirements during the period of this agreement, as determined by actual needs and availability of appropriated funds.
1.37 Audit of Records
The City-Parish or others so designated by the City-Parish, or other lawful entity shall have the option to audit all accounts directly pertaining to the resulting contract for a period of five (5) years after project acceptance or as required by applicable Local, State and Federal law. Records shall be made available during normal working hours for this purpose.

1.38 Civil Rights Compliance
The Successful Proposer agrees to abide by the requirements of the following as applicable: Title VI and Title VII of the Civil Rights Act of 1964, as amended by the Equal Opportunity Act of 1972, Federal Executive Order 11246, the Federal Rehabilitation Act of 1973, as amended the Vietnam Era Veteran’s Readjustment Assistance Act of 1974, Title IX of the Education Amendments of 1972, the Age Act of 1975, the Successful Proposer agrees to abide by the requirements of the Americans with Disabilities Act of 1990. The Successful Proposer agrees not to discriminate in its employment practices, and will render services under this Agreement and any contract entered into as a result of this Agreement, without regard to race, color, religion, sex, sexual orientation, national origin, veteran status, political affiliation, or disabilities. Any act of discrimination committed by the Successful Proposer, or failure to comply with these statutory obligations when applicable shall be grounds for termination of this Agreement and any contract entered into as a result of this agreement.

1.39 Record Retention
The Successful Proposer shall maintain all records in relation to this contract for a period of at least five (5) years beyond the end of the contract.

1.40 Record Ownership
All records, reports, documents, or other material related to any contract resulting from this RFP and/or obtained or prepared by the Successful Proposer in connection with the performance of the services contracted for herein shall become the property of the City-Parish, and shall, upon request, be returned by the Successful Proposer to City-Parish, at Contractor’s expense, at termination or expiration of this contract.

1.41 Content of Contract/Order of Precedence
In the event of an inconsistency between the contract, the RFP and/or the Proposal, the inconsistency shall be resolved by giving precedence first to the final contract, then to the RFP and subsequent addenda (if any) and finally, the Proposal.

1.42 Contract Changes
No additional changes, enhancements, or modifications to any contract resulting from this RFP shall be made without the prior approval of Purchasing, Parish Attorney, and Metro Council, where applicable.

Changes to the contract include any change in: compensation; beginning/ending date of the contract; scope of work; and/or Contractor change through the Assignment of Contract process. Any such changes, once approved, will result in the issuance of an amendment to the contract.
1.43 Substitution of Personnel

The City-Parish intends to include in any contract resulting from this RFP the following condition:

Substitution of Personnel: If, during the term of the contract, the Successful Proposer or subcontractor cannot provide the personnel as proposed and requests a substitution, that substitution shall meet or exceed the requirements stated herein. A detailed resume of qualifications and justification is to be submitted to the City-Parish for approval prior to any personnel substitution. It shall be acknowledged by the Successful Proposer that every reasonable attempt shall be made to assign the personnel listed in the Successful Proposer’s proposal.

1.44 Governing Law

All activities associated with this RFP process shall be interpreted under applicable Louisiana Law. All proposals and contracts submitted are subject to provisions of the laws of the State of Louisiana including but not limited to section 1:701-710 of the City-Parish Code of Ordinances, purchasing regulations; standard terms and conditions; special terms and conditions; and specifications listed in this RFP.

In accordance with the provisions of Louisiana R.S. 38:2212.9 in awarding contracts after August 15, 2010, any public entity is authorized to reject the lowest bid from, or not award the contract to, a business in which any individual with an ownership interest of five percent or more has been convicted of, or has entered a plea of guilty or nolo contendere to any state felony crime or equivalent federal felony crime committed in the solicitation or execution of a contract or bid awarded under the laws governing public contracts under the provisions of Chapter 10 of this Title, professional, personal, consulting, and social services procurement under the provisions of Chapter 16 of Title 39 of the Louisiana Revised Statutes of 1950, or the Louisiana Procurement Code under the provisions of Chapter 17 of Title 39 of the Louisiana Revised Statutes of 1950.

1.45 Claims or Controversies

Any proposer who believes they were adversely affected by the City-Parish’s procurement process or award, may file a protest. It must be submitted in writing to the Director of Purchasing and specifically state the particular facts which form the basis of the protest and the relief requested. The written protest must be received within seven (7) days from the date the basis of the protest was, or should have been known.

The City-Parish will take action on protests within fifteen (15) days of the receipt thereof. The City-Parish may suspend, postpone, or defer the proposal process and/or award in whole or in part upon receipt of a protest.

A protest shall be limited to issues arising from the procurement provisions of the contract and state or local law. Protests with regard to basic project design will not be considered. Protests will be reviewed by a committee appointed by the Parish Attorney. The decision of the committee regarding the protest will be given to the Proposer in writing within ten (10) days after all pertinent information has been considered. The decision of the Review Committee shall be a condition precedent to any other proceedings in connection with a protest and shall be considered the administrative remedy available to the protesting proposer.
1.46 **Proposer’s Certification of OMB Uniform Guidance 2 CFR Part 200 Compliance**

Certification of no suspension or debarment. By signing and submitting any proposal for $100,000 or more, the Applicant certifies that their company, any subcontractors, or principals are not presently suspended, debarred, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by the General Services Administration (GSA) in accordance with the requirements in OMB Uniform Guidance 2 CFR Part 200.

Failure to make required disclosures can result in any of the remedies described in 45 CFR § 75.31, including suspension or debarment. (See also 2 CFR parts 180 and 376 and 31 U.S.C. 3321)

A list of parties who have been suspended or debarred can be viewed via the internet at [http://www.sam.gov](http://www.sam.gov)

A contractor shall not be allowed to propose on any work if he is presently debarred, suspended, proposed for debarment, or voluntarily excluded from transactions by any Federal department or agency.

**Fund Use**

The Contractor agrees not to use proceeds from this Agreement to urge any elector to vote for or against any candidate or proposition on an election ballot nor shall such funds be used to lobby for or against any proposition or matter having the effect of law or is being considered by the Louisiana Legislature or any local governing authority. This provision shall not prevent the normal dissemination of factual information relative to a proposition on any election ballot or a proposition or matter having the effect of law being considered by the Louisiana Legislature or any local governing authority.

The Contractor and all Subcontractors shall certify that they have complied with the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) and that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. The Contractor and each Subcontractor shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award.

**Confidentiality of Data**

All financial, statistical, personal, technical and other data and information relating to the OCD's operation which are designated confidential by the OCD and made available to the Contractor in order to carry out this Contract, or which become available to the Contractor in carrying out this Contract, shall be protected by The Contractor from unauthorized use and disclosure through the observance of the same or more effective procedural requirements as are applicable to the OCD. The identification of all such confidential data and information as well as the OCD's procedural requirements for protection of such data and information from unauthorized use and disclosure shall be provided by the OCD in writing to the Contractor. If the methods and procedures employed by the Contractor for the protection of the Contractor's data and information are deemed by the OCD to be adequate for the protection of OCD's confidential information, such methods and procedures may be used, with the written consent of the OCD, to carry out the intent of this paragraph. The Contractor shall not be required under the provisions of this paragraph to keep confidential any data or information which is or becomes publicly...
available, is already rightfully in the Contractor's possession, is independently developed by the Contractor outside the scope of this Contract, is obtained from other public agencies, or is rightfully obtained from third parties.

All of the reports, information, data, et cetera, prepared or assembled by the Contractor under this Contract are confidential and the Contractor agrees that they shall not be made available to any individual or organization without the prior written approval of the OCD. This does not extend to information that was obtained from the public domain such as public agencies or sources of information available to the general public. Under no circumstance shall the Contractor discuss and/or release information concerning this project without prior express written approval of OCD.

Audits and Inspections

It is hereby agreed that the OCD, the DOA, the Legislative Auditor of the State of Louisiana, HUD, Office of Inspector General, HUD monitors, and auditors contracted by any of them shall have the option of auditing all records and accounts of the Contractor and/or its subcontractors that relate to this Agreement at any time during normal business hours, as often as deemed necessary, to audit, examine, and make excerpts or transcripts of all relevant data upon providing the Contractor or subcontractors, as appropriate, with reasonable advance notice. The Contractor and its subcontractors shall comply with all relevant provisions of state law pertaining to audit requirements, including LA R.S. § 24:513 et seq. Any deficiencies noted in audit reports must be fully cleared within thirty (30) days after receipt by the Contractor or subcontractor, as appropriate.

Failure of the Contractor and/or its subcontractor to comply with the above audit requirements will constitute a violation of this Agreement and may, at the OCD’s option, result in the withholding of future payments and/or return of funds paid under this Agreement.

The Contractor shall retain all financial records, supporting documents, statistical records, and all other records pertinent to the Agreement for a period of five (5) years after closeout of this Agreement.

Copyright

No materials, to include but not limited to reports, maps, or documents produced as a result of this Contract, in whole or in part, shall be available to the Contractor for copyright purposes. Any such material produced as a result of this Contract that might be subject to copyright shall be the property of the OCD and all such rights shall belong to the OCD.

Changes

The OCD may, from time to time, request changes in the Services described in the Scope of Services. Such changes, including any increase or decrease in the amount of compensation, which are mutually agreed upon by and between the Parties, shall be incorporated in written amendments to this Agreement, subject to all legally required approvals.

Covenant Against Contingent Fees and Conflicts of Interest

The Contractor shall warrant that no person or other organization has been employed or retained to solicit or secure this Agreement upon contract or understanding for a commission, percentage, brokerage, or contingent fee. For breach or violation of this warranty, the OCD shall have the right to annul this Agreement without liability or, in its discretion, to deduct from this Agreement or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee, or to seek such other remedies as legally may be available.

No member, officer, or employee of , or agents, subcontractor, member of the governing body of the Contractor or the locality in which the program is situated, or other public official who exercises or has exercised any functions or responsibilities with respect to this Agreement during his or her tenure, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to
be performed in connection with the Project or in any activity or benefit, which is part of this Agreement.

The Contractor shall also comply with the current Louisiana Code of Governmental Ethics, as applicable. The Contractor agrees to immediately notify the OCD if potential violations of the Code of Governmental Ethics arise at any time during the term of this Agreement.

Section 3 Compliance in the Provisions of Training, Employment and Business Opportunities

The work to be performed under this Contract shall be subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

The parties to this Contract shall agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this Contract, the parties to this Contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

The Contractor agrees to send to each labor organization or representative of workers with which the Contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the Contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each, and the name and location of the person(s) taking applications for each of the positions, and the anticipated date the work shall begin.

The Contractor agrees to include this section 3 clause in every contract and/or subcontract subject to compliance with regulations in 24 CFR part 135, and shall agree to take appropriate action, as provided in an applicable provision of the contract or subcontract or in this section 3 clause, upon a finding that any Subcontractor is in violation of the regulations in 24 CFR part 135. The Contractor's Subcontractors will not subcontract with any subcontractors where such Subcontractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

The Contractor certifies that any vacant employment positions, including training positions, that are filled (1) after such Contractor is selected but before the Contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent such Contractor’s obligations under 24 CFR part 135.

Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this Agreement for default, and debarment or suspension from future HUD assisted contracts.

With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5307) also applies to the work to be performed under this Agreement. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. The Contractor’s contracts that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

Number of Employees Needed – the estimated number of employees in the attached job classifications that are needed to perform the work described in Scope of Services, assuming the Proposer is awarded a contract to provide all services.

** Number of Available Employees – the number of employees in the Proposer’s firm/team qualified for the attached job classifications and available to work on this project within 30 days of contract execution.

*** Hourly Rates proposed by each Proposer for work time.

**** TO BE FILLED IN BY OCD (OCD will multiply the “factor” times the “hourly rate” and place the product in this column. OCD will total these numbers at bottom of the column.)

1 Weighting factor refers to how much each job classification will be needed. For example, the OCD anticipates that the Grant Manager position will be utilized 5 times more than the Cost Estimator position. The weighting factor does not refer to the number of employees anticipated in that position.

Use of the weighting factors is for evaluation purposes only. Selected Proposer(s) shall be responsible for providing actual number of personnel & job classifications required to successfully meet the contract requirements subject to the approval of OCD. Only the proposed hourly rate (or lower negotiated rate) will be paid to the Contractor(s).

2 All personnel must meet the appropriate minimum job classification requirements listed on the following pages.
