At this time Commissioner LeBlanc brought up the civil penalty policy on unlicensed salespersons to the Commission Members for discussion. The current civil penalties is two dollars per day for each day the salesperson is not licensed and five dollars per day for second offense within one year. After a brief discussion, Commissioner Lane made a motion to increase the unlicensed salesperson civil penalties to four dollars per

day for each day the salesperson is not license and ten dollars per day for second offense within one year. This policy goes in effect on July 14, 2025. This motion was seconded by Commissioner Hargroder and it was unanimously approved.

Commissioner Lane made a motion to have a policy regarding salesperson license fee. When a salesperson is hired by a multi-dealer group which has the same majority ownership, the first salesman license fee applying to the first dealership is thirty dollars per year, then subsequent licensing fee is reduced to ten dollars per year for the same salesperson’s application for any additional dealership. After a brief discussion, there was no second to this motion. Chairman Lala suggested to conduct research on laws and LMVC licensing system and report back to the board.
