A. ENONAC meeting with Housing Authority of New Orleans (HANO) - overview:

Commissioners Ann Legaux and Dawn Hebert attended the meeting. Mr. Faulkner, the Director, represented HANO. What control does HANO have over owners/tenants to maintain quality of life issues, such as proper disposal of trash, lawn maintenance, noise and loitering? Does HANO have classes for the tenants on these issues? Comm. Legaux suggested finding the owner of the property being rented under HANO and give them the covenant for the subdivision to go over with the tenants. She said they can also give them a copy of our litter free campaign push card and ask that they use it to keep up their property and to encourage their tenants to be good neighbors.
