

GERMANTOWN COLONY MUSEUM
ADVISORY BOARD MEETING - October 2, 2014

The Germantown Colony Museum Advisory Board met at the Germantown Museum with the following present: John Agan, Pam Lowe, Jean Doerge, John Sanders, Susie Lester, Larry Millford, and Trish Hayes.

Meeting was called to order by John Agan. John Sanders who agreed to be a member of the Advisory Board was welcomed by the group.

Minutes of the August 7, 2014 meeting were approved on motion by Otto Krouse and second by Jean Doerge.

Jean Doerge, Museum Director, gave her report on projects completed and some that are in progress and planned. (copy of report attached)

Thanks to Bennie Sanders who delivered a load of topsoil, removed mound of dirt around storage building, and moved the bath tub to the back of the Countess Cottage. Some of the work was donated and some by anonymous donor. Police Jury workers who have helped will not be available for several months, but the Youth Challenge boys are available.

Many thanks to Wayne Johnson and inmates from Bayou Correctional Center for completing a great storage building.

Discussion on possibly having plaques to honor those who donate time and/or materials.

Larry Millford is diligently working on displays and gave a summary of his work. He wants more pictures of folks connected to Germantown. Larry saved the trunk of cedar tree that was cut before storage building foundation was laid. It has been cut in two and is now part of the exhibits. Millford promised to be finished with his work by November 1.

Plans are for the new Museum building to be open by November 22, the date of the Fasching. Volunteers are needed to work the buildings that day.

Next meeting date – November 6, at the Museum

Susie Lester, Secretary
