Mr. Koch informed the members the Board of Medical Examiners had recently filed a law suit against his clients, Ms. Angie Huff and The Wellness Corner, alleging the unlicensed practice of medicine. Mr. Koch informed the members he had submitted a petition for declaratory statement the previous week to the Board of Pharmacy. That program will assist boards by offering qualified inspections of pharmacies as well as offering a clearinghouse of licensure and disciplinary information for all pharmacies.
7. **Confirmation of Acts**

Pursuant to Mr. Aron’s declaration that the officers, committees, and executive director had attended to the business of the Board since the last meeting in accordance with policies and procedures previously approved by the Board, Mr. Rabb moved, **Resolved**, that the actions taken and decisions made by the Board officers, Board committees, and Executive Director in the general conduct and transactions of Board business since November 7, 2013 are approved, adopted, and ratified by the entire Board.

The motion was adopted after a unanimous vote in the affirmative.

8. **Opportunity for Public Comment**

Mr. Aron reminded the members and guests the Open Meetings Law requires all public bodies to provide an opportunity for public comment at all meetings and for each agenda item upon which a vote is to be taken. He solicited general comments on non-agenda items from the guests present, and no comments were offered.

**Statement of Purpose**

Mr. Aron reminded the members of the purpose and mission of the Board of Pharmacy by reciting the relevant portion of the Louisiana Pharmacy Practice Act. He urged the members to keep their mission in mind as they considered all the matters before them.

9. **Committee Reports**

      Mr. Aron called upon Mr. Pitre for the committee report. Mr. Pitre directed the members to the interim financial report in their meeting binders. He reviewed the report which included data for the second quarter ending December 31, 2013. He responded to questions from the members and tendered the report for information only.

      Finally, Mr. Pitre expressed his appreciation to the other members of the committee for their work the previous day.

   B. **Application Review Committee.**

      Mr. Aron called upon Mr. Soileau for the committee report. Mr. Soileau reported the committee met on November 12, 2013 to consider seven referrals from the staff. Following the committee’s interviews and deliberations, they authorized the issuance of two credentials without restriction. Further, one applicant has re-filed another application and the matter has been continued. Further, one applicant has been referred to a formal administrative hearing scheduled for the following day. She noted their names were recorded on the posted committee meeting agenda for that day. She then reported the committee interviewed an additional 21 applicants earlier that day, and their names were also listed on the posted committee agenda, a copy of which was in the meeting binder. She informed the members that one of the applicants, Mr. Garcia, withdrew his application in lieu of any adverse action. She then moved for the Board to approve the remaining 20 applicants for pharmacist licensure by reciprocity. The motion was adopted after a unanimous vote in the affirmative. The Board ordered the issuance of the licenses.

Ms. Hall reminded the members of the President’s directive at the previous Board meeting to review the committee’s policy and develop a recommendation as to the necessity of continuing to require a personal interview with all reciprocity applicants. Following their deliberation, the committee voted to recommend a revision to their policy that would reserve the Board’s right to require a personal interview based on any information contained within the application or otherwise acquired by the Board, but that personal interviews would no longer be a mandatory requirement for all applicants. She directed the members to a copy of the proposed policy revision in their meeting binders. Ms. Hall then moved,
