

MINUTES OF THE NORTHWEST LOUISIANA
GAME AND FISH PRESERVE COMMISSION

Meeting held on February 7, 2012

Present were Commissioners Self, Wilson, Stewart and Chairman Junior Brown.

Chairman Brown introduced guests that included Wildlife Biologist Ricky Yeldell and Krystal Brown.

On motion by Self and seconded by Stewart the minutes were approved as written.

Concerning old business there was no update on the 16' cap.

Wilson advised the Commission that the boat ramps look good but the Westwind Boat Ramp needed a load of rock.

Ricky Yeldell then gave a report on lake management. He passed out a packet which contained a history of the lake and lake management issues.

Wilson provided information on the recreational area.

Wilson then advised that "No Wake" signs would be placed at the various boat ramps.

Ricky Yeldell then provided a report on grass carp and advised that the movement studies had not been completed to document whether or not the fish that we purchased earlier had stayed in the lake. They are working next week to try and do some netting.

There was then some discussion concerning the gates at the dam and the various fish gates.

On new business the Commission, on motion by Wilson and seconded by Self, ratified the L.Z. Trichel payment in the amount of \$400.00.

On motion by Wilson and seconded by Self the payment to Hargis Hauling in the amount of \$425.00 for rock was ratified.

On motion by Brown and seconded by Self the payment to Kenny Wilson for the December 6, 2011 invoice was ratified.

On motion by Wilson and seconded by Self the Commission unanimously approved Johnny Stewart being reappointed as Commissioner.

There was then some discussion on yo-yos and trot lines by Ricky Yeldell.

The Commission asked Assistant Secretary Treasurer Steven D. Crews to find out who the game wardens are that are currently working the lakes.

Wilson reminded everyone that gravel was needed at Westwind and on motion by Brown and seconded by Stewart, Wilson was given authority to obtain the gravel.

On motion by Self and seconded by Wilson the meeting did adjourn.
