

STATE ADVISORY COUNCIL- EARLY HEARING DETECTION AND INTERVENTION

Quarterly Meeting- Baton Rouge, Louisiana

Bienville Building- 628 N. 4th St. – room 173

Friday, July 26th, 2019

12pm-2pm

AGENDA

The Early Hearing Detection and Intervention (EHDI) is a national initiative supporting the early identification of infants who are deaf or hard of hearing through screening, audiological evaluation, enrollment in early intervention and family to family support services.

The overarching goal of the support provided through the EHDI program is to maximize linguistic competence and literacy development for children who are deaf or hard of hearing. Without appropriate opportunities to learn language, these children will fall behind their hearing peers in communication, cognition, reading, and social emotional development.

1. Call to Order/Introduction of attendees

2. Review and Acceptance of Minutes

3. EHDI Program Updates
