September 19, 2019
1:30 p.m.

1. Call to order
Barry Hughhins - Committee Chairman
2. Roll call & Establishment of Quorum
Anthony Duplechin - District Executive Director
3. Introductions
4. Review of Previous Meetings Minutes
Barry Hughhins - Committee Chairman
Action Required
5. Update on Long Range Planning Project
Alyssa Dausman, PhD
Vice President for Science
The Water Institute of the Gulf
6. Report from Planning & Specifications Subcommittee
Todd Talbot – Subcommittee Chairman
7. Consider adopting two new procedures
Barry Hughhins – Committee Chairman
Action Required
 - a. Recommend that the Commission adopt a policy that required a public hearing and/or public comment period, and a vote of approval by the full Commission before any future water well permits are issued.
 - b. Recommend that the Commission adopt a policy that any pumping limits that are in place will be subject to annual review and re-adoption at the last Commission meeting in each calendar year.
8. Review of most recent pumping rates from the 1,500-ft /2,000-ft sands to monitor compliance with agreed on reductions and/or commitments
Mark Walton – Commissioner
9. Progress report on the Baton Rouge model
John Lovelace
Assistant Director USGS Lower Mississippi Gulf Science Center Baton Rouge
10. Report on the Board of Regents ITRS Projects
Frank T.-C. Tsai, Ph.D., P.E.
Chevron Professor of Engineering
Director, Louisiana Water Resources Research Institute
Louisiana State University
Department of Civil and Environmental Engineering
11. Discussion items – requested by Commissioner Normand
 - a. List of wells in line for 250 mg/ liter chloride content. Estimated timeline.
 - b. Water chemistry reporting requirements. Other reporting requirements.
 - c. Define "research data" and "after detailed research, considering both recharge and withdrawal data". Develop criteria for limiting pumping after "research data" and "detailed research" are defined.
12. Committee Member Comments
13. Public Comments
14. Adjournment
Barry Hughhins - Committee Chairman
Action Required

Please note that public comment will be taken prior to action on agenda items.

It is possible that a quorum of the Capital Area Ground Water Conservation Commission (CAGWCC) may be in attendance at this meeting but no action of the CAGWCC as a whole will be taken.
