A. The commission shall exercise the powers herein conferred upon it, within the port area, consisting of the entire parishes of Caddo and Bossier; however, specifically excluded from the port area are any docks, landings or wharves in use on November 8, 1966, and businesses engaged in river operations in the port area on November 8, 1966.

In determining the consideration for any contract to lease, sell, or otherwise dispose of lands, buildings, or other property of the commission, it may take into consideration the value of the lands, buildings, or other properties involved as well as the potential value of the economic impact of the industrial or business enterprise being induced to locate or expand within the port area. A. The commission shall have authority, when authorized so to do by a vote of a majority of the electors residing in the port area qualified to vote and voting at an election for such purpose in accordance with law, to levy annually on all property situated within the port area, subject to taxation, an ad valorem tax not to exceed two and one-half mills on the dollar. The commission shall call such a special election when requested so to do by petition in writing signed by one-fourth of the qualified electors eligible to vote at such election. These special taxes shall be levied, assessed and collected on the property within the port area under the same methods, terms, and conditions and at the same time as state and parish taxes are levied, assessed, and collected. These taxes shall be secured by the same liens upon the property subject to taxation within the port area as apply to taxes for state and parish purposes, and the property subject to any taxes within the port area shall be sold for failure to pay the same in the manner as property is sold for delinquent state, parish, and other taxes under the laws of the state.

B. The tax collector shall receive from the treasurer the same quietus for a full settlement of taxes due and exigible in any given year and account for the delinquents or deductions in the same manner as though accounting to the state for state taxes. The sheriff and ex officio tax collector shall retain from all taxes collected by him for the port area the same commission allowed thereon to him by law on special taxes and shall deposit the amount thereof with the parish treasurer to the credit of the sheriff's salary fund. Upon the failure of the tax collector to comply with the provisions of this Section, the commission shall proceed against him and the sureties on his official bond for the collection of whatever money may be owing to the commission for such special taxes.
