Wednesday, March 21, 2018

Meeting opened at 2:00 p.m. by Commissioner Bob Sevin at the Grand Isle Port Office Building located at 2757 Louisiana Highway 1. Commissioners present were Bob Sevin, Ambrose Besson, Perry Chighizola, and Juanita B. Cheramie. Commissioner Terrill Pizani was absent.

A discussion was held on the money from the State Capital Outlay that is supposed to match the FEMA money that will be used to repair the Commercial Dock. The state does not have the money at this time and FEMA cannot give us any more time extensions for the project. The port has to make a decision about where to get the matching monies. The port can use all their money up and then cannot operate or use some money and borrow some money. In order for the port to borrow money, the bond commission needs to approve the application to borrow money. A motion was made by Commissioner Besson, seconded by Commissioner Chighizola and unanimously agreed to authorize the President to work with a bond attorney from Adams and Reese to start the loan application with approval from the Bond Commission.

A motion was made by Commissioner Chighizola, seconded by Commissioner Besson and unanimously agreed to adjourn the meeting at 2:52 p.m.
