

19th Louisiana Levee District

Minutes of April 9, 2025

Grant Parish Police Jury Meeting Room

President Gordon Smith called the meeting to order. Members Gordon Smith, Bill Dean and Fren Allen were present. Also present were Jarmarquis Torrence-DOTD and Fran Demers, Clerk.

Bill Dean made a motion to accept the minutes of the March meeting, seconded by Fren Allen. Motion passed.

It was noted that Aaron Slayter Jr., who was unable to appear at the March meeting, had not contacted the board to reschedule.

Jarmarquis Torrence reported that a tree had fallen on the levee and had to be removed. A bill for \$300 from Jimmy Mott was presented to the board for approval for payment. On motion by Bill Dean, seconded by Fren Allen, the motion passed.

Mr. Torrence noted that there were several other trees in various locations that needed removal.

It was brought to the attention of the board that someone had purchased property along River Road (the old Vallee property) and had inquired about getting water to the property which would be used as a camp. Mr. Smith said the owner would need a permit from the levee board and one from the US Corps of Engineers and a DOTD permit. Mr. Smith said he would let the property owner know about the requirements.

There being no further business, the meeting was adjourned on motion from Mr. Dean, seconded by Mr. Allen.
