Updates have been made to the LSBEE website. Mrs Martinez has been in contact with Chris Grishen, detective with Attorney General's office who is investigating Tonya Freeman's withdrawals of money from the LSBEE account since the board was reestablished. She is still in possession of all State Board records and other materials belonging to the board.

The treasury report ending balance is \$6602.60. There were 15 licensed electrologists who renewed their annual license with the board for 2024.

Also discussed was the updating of rules and regulations of the board and whether or not legislation will be needed to make said changes that the board no longer sees as current. Mrs. Martinez will contact Boards and Commissions for advice.

The next board meeting will be held on September 20, 2024 at Bluebonnet Regional Library at 11am.

As there were no other matters to discuss a motion was made by S. Martinez to adjourn the meeting. A second was made by D. Walker and meeting was adjourned at 12:00.
