It is right past the school on Bullard. Does not seem to be a problem. Need to see what is there. Is it a spot change only? Pres. Hebert will get more info.

VII. NEW BUSINESS

A. **Deep South Center for Environmental Justice - COVID-19 Community Awareness Training**

More people are needed to participate in it. There are several sessions with different subject matters. If interested, send names by October 15 to enonac2009@gmail.com. It was mentioned that NOEHospital is giving Pfizer booster and Moderna vaccines on Thursday.

B. **Waste Management possible zoning change – Debris Pickup:** Councilperson had meeting with Waste Management. Venetian Isle subdivision is where the dumping site is and is smelly and nasty. It is just garbage and they want it stopped. They are asking for a zone change to continue the dumping. New schedule will pick up once a week on Saturdays and Wednesday. Are we trying to get more than one month refund for this garbage pickup problem? There was no reply. Metro problem started in April. He admitted that he is the lowest paid employer of the industry. Metro needs to step up and pay these employees more money which they deserve because this is a dangerous job.
