APPROVAL OF MINUTES

Next item discussed was the January 12, 2022 LHC Full Board of Directors Meeting Minutes.

On a motion by Board Member Tony Ligi and seconded by Board Member Jennifer Vidrine the Minutes of the January 12, 2022 LHC Board of Directors Meeting were unanimously approved, as distributed.

BOARD CHAIRMAN'S REPORT

Next Board Chairman Marullo noted the receipt of a written public comment regarding the current Executive Director Search.

Chairman Marullo requested that Secretary Brooks read the document into the Record.

Secretary Brooks read the document (**available upon request**) received from Mr. Felton C. Barber of Scott, Louisiana, in its entirety into the Record.

Thereafter, Chairman Marullo noted the stellar reputation of SSA Consultants, he also sternly noted that the ED Search was a valid and transparent process, that "...there is politics in Louisiana...", that the Search was "...not a sham and is not unethical..." – contrasting to some of the allegations in Mr. Barber's written comments, that he was glad the process allows for the acceptance of public comments, and that the entire Search process had been "transparent and legitimate".

Board Member Steven P. Jackson, Chairman of the Executive Director Search Committee, concurred with Chairman Marullo's comments, noting "...I can vouch for the validity of the process, and we have not seen the list of candidates..." – contrasting to Mr. Barber's written comments alleging there was a pre-selected individual for the Executive Director position, that the process had been very engaged and transparent, and that "...I encourage everyone to trust the process".

Board Member Tony Ligi concurred in the aforementioned comments, noted that he fully supports the manner in which the Search has been conducted by Board Chairman Marullo and SSA Consultants, that "...I don't know who Mr. Joshua Hollins is..." as referenced in Mr. Barber's written comments as the pre-selected next LHC Executive Director, and that the Board would select an Executive Director "...that will move this Agency forward".

Board Member Alfred E. Harrell, III, noted that as an appointed member of the EDSC "...I've been involved from the beginning and the integrity of the Search process is intact...", and that he disagreed with the statements and allegations in Mr. Barber's written comments.

Thereafter, Board Member Jackson moved and was seconded by Board Chairman Marullo, to Amend the Order of the Agenda so that item #11 "Update from Search Firm- SSA Consultants" would be discussed next, and providing for other matters in connection therewith, was moved to debate. There being no further discussion, opposition, or public comment, a vote was taken, and the motion passed unanimously.

UPDATE FROM SEARCH FIRM – SSA CONSULTANTS

Dr. Christel Slaughter addressed the Board, noting that they had received a "wide variety of comments and public input", that there was a consensus for someone with "high ethics" and that affordable housing experience would be a plus, that the Focus Groups were confident in LHC staff's ability to handle the programs, and that the next Executive Director should have "strong leadership background" and a "temperament and winning personality", that she had not reviewed the entire list of applicants but was very assured by the quality of the ones reviewed, that she had concurred with LHC Executive Counsel Yolanda Martin and that the applicants names could not be held confidential, that she was working on a timeline for submission of a semi-finalists to present to the EDSC for review and thereafter recommendations to the Board for finalists interviews, that she would be recommending to the Board that they interview two (2) finalists, and that anyone still wishing to provide comments could send them to LASEARCH@CONSULTSSA.COM

Additional information was provided by Louis Russell, LHC Director of Housing Development, noting staff was recommending approval thereof, and that the matter was on the upcoming week's State Bond Commission Agenda for approval too.

Board Member Jennifer Vidrine inquired as to the reason for the additional costs.

DHD Russell noted that the Total Development Costs had increased by \$748K.

Board Member Head requested a timeline of "...what happened here" from start to finish.

Additional information thereafter was provided by Mr. Paul Irons, Developer of the project.

There were additional discussions and comments provided by LHC Staff and the Board Members with Mr. Irons on the matter.

Lastly, Board Member Vidrine thanked Mr. Irons for being "proactive" during the pre-construction phases and or his insight.
