ACCREDITATION
REQUIRING
BOARD ACTION –
DRYADES YMCA
SCHOOL OF
COMMERCE, NEW
ORLEANS

Director of Education, Ms. Johnette Kay, presented the status of Dryades YMCA School of Commerce to the LSBPNE board members. The summary included the program's history, program deficiencies, program responses, site visits and correction plans reviewed by LSBPNE and first time pass rates for NCLEX-PN of all graduating cohorts.

LOUISIANA STATE BOARD OF PRACTICAL NURSE EXAMINERS
131 AIRLINE DR., SUITE 301, METAIRIE, LA 70001
MINUTES OF THE MEETING OF NOVEMBER 1 AND 2, 2018

Program history: Dryades was granted initial approval in 2007 and admitted its first cohort of students in June 2007. The program length is 6 modules over 20 months. Four cohorts have been admitted to Dryades since 2007 (2007, 2012, 2014, 2016).

Provisional status/Noncompliance: Since being granted initial accreditation in 2007, the program has been on provisional status Nov 2009-Nov 2013 and again May 2017 – currently. Violations of noncompliance with the Louisiana Administrative Code and board rules and regulations include, but are not limited to:

- NCLEX-PN pass rate below 80% (2009, 2017, 2018)
- failure to obtain board approval prior to faculty teaching in the program (2008)
- recruiting and testing students for the purpose of admission prior to board approval (2009)
- admitting and beginning didactic instruction prior to board approval; cease & desist letter sent (2012)
- failure to respond to survey directives to correct program deficiencies in a reasonable timeframe as requested by board staff (2008, 2009, 2011, 2017)

NCLEX-PN Results: Three of four graduating cohorts have NCLEX-PN first time pass rates below 80%. 54 of 64 graduates have tested; 38 of 54 passed the NLCEX-PN on the first attempt, yielding an overall first time pass rate of 70.37%.

Betty Jo Mitchell, PN Program Coordinator at Dryades, was given the opportunity to expound and respond. Ms. Mitchell agreed with findings and explained to the members that Dryades serves to assist many who are minority, single parents. She admits that although policies and procedures, as well as those items submitted as part of Dryades corrective action plan, have not always been upheld due to the faculty's attempt to help the students. Ms. Mitchell requests the board find a way to allow the program to remain open, and she would do whatever is necessary to maintain the program.

MINUTES OF THE MEETING OF NOVEMBER 1 AND 2, 2018

REPORT OF THE
ADVISORY
COMMITTEE

Roberta Connelley, Chairwoman of the advisory committee, presented information concerning the last meeting held in October 2018 and the material discussed regarding approved admission test and scores, and the Louisiana Administrative Code §1703.A.2-3.

Admission test minimum scores – ACCUPLACER Next Generation: The advisory committee met October 5, 2018, and offered a recommendation for determining the acceptable scores of the ACCUPLACER Next Generation test for admission into a PN program. The ACCUPLACER Classic test will no longer be available by the College Board as of January 2019. The advisory committee recommends to the board the adoption of the set of minimum scores, upon the advice of the LCTCS faculty. Rene Cintron, Chief Academic Affairs Officer, LCTCS, submitted the attached recommendation for ACCUPLACER Next Generation scores: Language (Writing) – 241; Math (Quantitative Reasoning, Algebra and Statistics) – 243; Reading - 250. Mr. Cintron and the LCTCS faculty will continue to collect data and track the matriculation of students who took the ACCUPLACER (Classic) exclusively for admission into the PN program in 2016.

Roberta Connelley brought forth the following recommendations from the advisory committee:

1. The Louisiana State Board of Practical Nurse Examiners approve interim concorded scores for the Accuplacer Next Generation, as one of the acceptable admissions test, as recommended by LCTCS, pending a validity study to be concluded by July 31, 2019.
2. The Louisiana State Board of Practical Nurse Examiners consider changing the wording to the LAC §1703.A.2-3., through a notice of intent, as bolded below to read:
“A. An applicant for licensure by exam shall:
 1. meet the requirements for qualification;
 2. be permitted to write the examination up to 4 times within a period of 2 years of being made eligible, **but no later than three years from completion of the practical nursing program;**
 3. re-enter and successfully complete the entire practical nursing program without advance credits if the fourth writing is unsuccessful **or more than three years has elapsed from completion of the practical nursing program** before being allowed to take the practical nursing examination again.”
