  - Quinta told the board that the Iberia Parish School System completed their online Narcan training; they are waiting for Narcan to be delivered to the schools.
  - The Iberia Parish School System will soon conduct its spring drug testing. Students involved in sports and clubs will be randomly selected for drug screening. If a student tests positive for any illegal substance, a hearing will be held to determine the outcome. Quinta informed the board that a student was expelled last week for possessing two roaches and one pound of marijuana; this was the same student who stole a horse during the Mardi Gras holidays.
- b. Agenda Calendar Items:
  - The motion was made by Elizabeth West and seconded by Carol Broussard; it was carried unanimously.

Comments from the Executive Director

- **Board Vacancies:** AAHSD has submitted names to Acadia and Evangeline Parishes, but has not received a response.

- **Deaths:** Brad reported that the eighteen (18) year-old who had passed away was the child of an employee of AAHSD. The service was held on Saturday in Crowley.
- **CCBHC:** Brad reported that SAMHSA had terminated ninety-five (95) employees. The mass layoff has not affected the grant payments. AAHSD is submitting numbers and continuing the grant process. A presentation will be made to the board members next month at the April board meeting.
- **Same-Day Access:** The program is performing well and admitted 95% of those who come in for assessment.
- **"Just in Time":** Numbers were compared from January and February 2024 to the same months in 2025; "kept" appointments are increasing, and "no-show" appointments are decreasing. AAHSD is monitoring the "other" category; this category excludes "canceled by client" and "canceled by therapist." Brad reported that prescribers do not always follow the AAHSD model; the district is engaging in ongoing discussions with the providers.
- **Work from Home:** Carol inquired whether AAHSD would be affected by the request that all employees return to the office versus continuing to work from home. Since AAHSD is not considered a state agency, it is not affected. Brad explained that in 2020, when the country went into lockdown, the district continued to work in the office with a skeleton crew.
- **ECSS:** A meeting is scheduled for tomorrow at the public library to discuss ECSS; a Zoom link will be available. Magellan is handling the contracts, but at this time, it is unknown who will provide services. Brad sent the information to the Family Tree.
- **Federal Budget:** There is the potential for \$880 billion to be cut from the federal budget; Brad noted that "reducing" the budget and "cutting" the budget does not mean the same thing. Bambi reported the government put out a list of words that should not be used in federal grants.

Next Meeting: March 17, 2025
