**LDEQ and guests:** Tomeka Prioleau, Scott Templet, Yanfu Zhao, Dustin Duhon, Corey Gautreaux, Jason Boudreaux

---

The meeting was called to order at 10:00 A.M. There was a roll call of CAP members present. There was not a quorum present so the meeting was considered an open forum. Approval of the agenda and the minutes from the February meeting were deferred until next meeting.

**Old Business:**

Steve Ayers continued to make calls and have meetings regarding TMDL impacts around the state.

**New Business:**

**Louisiana Business Technology Center at LSU Presentation by Jason Boudreaux**

**Main points:**

- The SB/CAP can make small business referrals to the LBTC. There are several workshops held during the month that small businesses can take part in.

**EPA 6H (Autobody) Rule Presentation by Dustin Duhon and Corey Geautreaux**

**Main points:**

- A way to get this message out is to possibly contact insurance companies to tell their auto body shops they are required to comply with the regulations before getting insurance. Think about better ways to get information out-including social media.

**Other business:**

- Please consider TMDL's and other regulations that small businesses can't meet.
- Please provide information on who in DEQ handles above ground fuel storage tanks as well as SPCC rules and inspections.
- The next committee next meeting will be in August. Jonathan or Tomeka will send out the notices.

The meeting was adjourned at 11:15 am.
