1 MR. BONVILLAIN: We're called a meeting 2 of Board of Certification of training and operators to order December 7, 2018, 10:00 Okay. Ms. Suzanne, can we have the 4 5 roll call please? Okay, we do have a form. Y'all received 6 7 a copy of the minutes via email from the October 9th meeting. Are there any 8 corrections to those minutes? A move from Mr. Barber. A second from Mr. Creel that we 10 approve the minutes of the October 9th 11 meeting. Are there any objections to the 12 13 motion? Here now the motion passes. Next order of business is to issue 14 15 certificates to our new board member, Mr. 16

certificates to our new board member, Mr. Dr. Ricardo deAbreu. Almost as bad as mine.
Historically what we do is when we have a new
board member that is not certified that we
grant the certification in all nine classes
to the new board member level A. Do I hear a
motion to that affect? Moved by Mr. Barber.
Second by Ms. Henry. Any objection to the
motion? A hearing under the motion passes.
Ricardo, you are now fully certified.

In consideration of operator

certifications. First step we have William 1 2 Steveson, C&D Level B. Any comments on Mr. 3 Steveson? Mr. Barber: Level B for two years? 5 Mr. Bonvillain: Two years. Mr. Barber: Ending in January? 6 7 Mr. Barber: We can go ahead and approve 8 it. Mr. Bonvillain: We can approve it pending the completion of two years in January. Do 10 you like to make a motion to that effect? 11 Mr. Barber: I do. I make a motion that 12 13 we approve this application pending his 14 completing his experience on 1-19-18. Mr. Bonvillain: 19. Is there a second to 15 the motion? Second by Mr. Lagrange. Any 16 objection to the motion? No objection, the 17 18 motion passes. Okay. Request for conditionals. Earl 19 20 Foster, C&D Level B Lincoln Parish Landfill 21 replacing Bruce McGee. Let's do this. Let's take the first and the last one, and the 108 22 23 we'll take that separately. Okay. So, the 24 other one would be David Woodson, Landfill

Level B St. Landry Parish Landfill replacing

Wilfred Thomas. 1 Mr. Barber: Our promotion to grant both 2 3 of these conditionals based on the fact that they are replacing a previous operator. 4 Mr. Bonvillain: Okay. Motion for Mr. 5 6 Barber. Second by Dr. deAbreu. 7 objections to the motion? Hearing under, the motion passes. Okay. 8 Next, we have Trio from 108 Disposal. Mr. Barber: I don't have to tell y'all I 10 have a problem with this. 11 Mr. Bonvillain: That's why I suggested we 12 13 handle that trio separately. Let's see. Donald Pettefer. He's the owner? He's got a 14 15 letter in here. I'm sure y'all have read the letter. He's asking for conditionals for 16 himself and Brandon Murray, and Simeon 17 18 LeBleu. And I believe these are all 19 replacing conditional operators. As you 20 know, the regulations said to get a 21 conditional, you have to be replacing a regular certified operator, unless the board 22 23 chooses to grant an exemption.

Mr. Barber: You want me to go ahead and

24

25

get on my soap opera?

Mr. Bonvillain: Go ahead, and get on your soap opera, Troy.

Mr. Barber: It's not this board's responsibility to make sure facilities are certified. It's this board's responsibility to make sure that they have qualified people to meet the certifications. My opinion that a guy just buys a company is not qualified to be an A Level in charge operator at a facility. And, you know, I think it's time for this board to start sending a message to everybody that we are not going to just hand out these certifications so they will be in compliance with the EQ. I mean the EQ is depending on this board to tell them whether or not these people are qualified. why we have these applications. There's nothing in this guy's that leads me to believe he's qualified to operate this landfill as an A Level operator, conditional or otherwise.

Mr. Lagrange: He did attend the last two workshops. He worked for a construction company for 4 years prior to that. Although the work detail is not necessarily in

operating equipment. 1 2 Mr. Barber: It looks like to me he 3 was a safety guy, ordering parts or something like that. I mean if we're not careful as a 4 5 board, we'll send a message back. things continue to happen, and we'll continue 6 to have facilities out there that have people 8 who are unqualified to operate a facility. 9 And, you know, I think we just had one may be last year that was very similar to this. 10 Mr. Creel: Was it this one? 11 Ms. Bordelon: It was this one. This is 12 13 the one that required these operators to do - we did a three month conditional with 14 15 them, and then upon, did some online training. And then, we gave them -16 Mr. Barber: - Excuse me. Mia, wasn't 17 18 that - didn't we get a letter - maybe Gary, 19 you had meeting with Brown about that 20 particular one that may be even that there 21 would be come communication between this board and DEQ that they do some follow-up 22 23 inspections of the facility, that particular 24 facility?

Mr. Bonvillain: Correct. Dr. Riley called

- 1 me up to go meet with him, and he questioned,
- 2 and I believe it was this particular
- 3 facility, about the board granting the
- 4 conditionals that we granted. And basically
- 5 what I told him is the board looked at the
- 6 applications of the individuals involved, and
- 7 felt that they would be adequately operate a
- 8 facility, and therefore, granted the
- 9 conditional. But, you know, requested that
- 10 the DEQ do more frequent inspections than
- 11 normal just to be on the safe side.
- 12 Mr. Creel: I got a question. I kind of
- 13 looked at all the applications together, and
- 14 I'm looking at Brandon Murray. He says he's
- 15 been there since September of 17. Is that a
- 16 mistype or?
- Mr. Bonvillain: That would be about right
- 18 because it was sometime last year.
- 19 Mr. Creel: Brandon Murray was previously
- 20 issued a conditional for that site?
- 21 Ms. Bordelon: No.
- Mr. Creel: So he's saying he's been
- 23 working there since 17 though.
- Mr. Bonvillain: Yeah. He evidently did
- 25 not have a certificate, but he's been working

there. He did not have a certificate.

1

Mr. Creel: Okay. Previous to that, he 2 3 had some time at the construction operating equipment. I'm just trying to piece all this 4 together because Mr. Barber's comments and 5 the chairman's comments about the decision is 6 7 to and our charge of determining if these 8 applicants would have the capability to 9 operate the facility. So I think in this particular case, I think you have to look at 10 the whole group to see if their experience 11 that they do have would be that charge, and 12 13 you're right, Mr. Barber, that we have to you said about setting the president, and I 14 15 think we already have set the president because we have issued this type of condition 16 in the past, so I think that's something we 17 18 need to consider. I'm looking at it from 19 that perspective, and I think the other guy 20 Brandon Murray and LeBleu looking at his 21 working experience, you know, he's had work 22 in construction and operating equipment and 23 so forth. So, the two gentlemen who have applied for a conditional, these, based on 24 25 their previous construction experience for

me, I feel comfortable that they would know
what they doing in having that. So then, it
comes down to the gentleman that applied for
the conditional A.

Mr. Barber: We kind of jumping from the A to the B. I'm totally in agreement with you. It looks like this guy Brandon is gonna be eligible for a regular certification by September of next year, so he's only a few months away from getting ready for - so I got no problem with that. I just got a problem with the guy sitting at the top that don't have any experience, and we're gonna give him an A Level. Which when we give him an A Level conditional certification, and DEO goes out there and does an inspection, they look. They see an A Level, and they see that they're confident that a board has reviewed this, and agreed that this guy is worthy of holding an A Level certification to operate this facility, and to me, we're failing. we give this guy an A Level certification, we're failing the whole system. I'll give him a conditional B way before I give him a conditional A. I mean, you gotta crawl

before you walk, and we're trying to make 1 2 this man in charge and make this man the guy that is the go to and suppose to have all the 4 knowledge, and he don't. 5 Mr. Lagrange: I have question. Has he 6 taken the test, the exam? 7 Ms. Bordelon: No. Mr. Bonvillain: Okay. So when he bought 8 9 the facility, he got rid of his A operator, Keith Dagal? 10 Ms. Bordelon: No. I think - I believe 11 Keith was still there. 12 Mr. Bonvillain: Well, he says he's 13 replacing Keith Dagal, but he's got no 14 15 termination date. Ms. Bordelon: Right. Because Keith is 16 still under a conditional. 17 18 Mr. Bonvillain: If Keith Dagal is still 19 there, then he does not qualify, even if 20 Keith was a regular certified operator, he 21 would not qualify for a conditional based on replacing him because he is still there. 22 23 Mr. Lagrange: But he's saying he's

Mr. Bonvillain: Yeah. But she is saying

24

25

replacing Keith.

Keith Dagal is still there. 1 Mr. Lagrange: And he's a what? 2 Mr. Bonvillain: Keith is a conditional A. Mr. Lagrange: So they have a conditional 4 5 A, if you're saying this is correct. 6 is also saying he has Kenneth Newman, who is 7 a current operator in the conditional B there as well. 8 Mr. Barber: I mean this is like - if they still have a conditional A, I don't see 10 the need to award another conditional A. 11 Ms. Bordelon: No. I think Mr. Dagal is 12 leaving once. 13 Mr. Barber: And I'm not certain about 14 15 this. I was thinking Dagal was the owner. 16 Ms. Bordelon: He was. Mr. Barber: So, he's sold it now, and he 17 18 is not longer the owner. Now, there may be a 19 transition period that he is still there. If 20 that's the case, then they got an A Level. 21 Mr. Bonvillain: And the other thing to is, I mean, the new owner could make a deal 22 23 with Mr. Dale to be his Level A operator 24 until the new owner meets his requirement.

Mr. Creel: And that's the bottom line, if

you're not qualified, you're not qualified. 1 2 That's it, sorry. Mr. Bonvillain: Okay. Let's do this. 4 Let's take the two request for B Level 5 conditionals. Mr. Creel: Are the other two conditionals 6 7 still there? One is there. So he can't replace that one until the other one -8 Mr. Bonvillain: - Technically, he's got them both replacing one guy that was the 10 11 conditional, okay? So under the regulations, they don't automatically get the conditional, 12 okay? The board has the authority to grant 13 the conditionals if you feel that these 14 15 individuals are qualified to do the job. 16 Mr. Lagrange: Based on the two applications prior construction experience, 17 18 Mr. Chairman, I would like to move to grant a 19 conditional to grant Murray, Simeon and 20 LeBleu. 21 Mr. Bonvillain: Okay. Got a motion from 22 Mr. Lagrange. Is there a second? 23 Mr. Creel: Can we grant Mr. Murray a 24 regular certification?

Mr. Bonvillain: He will qualify in what,

- September of next year. Okay. We got a
  motion from Mr. Lagrange to grant the
  conditionals for the two B Levels for Murray
- 4 and LeBleu. Is there a second to the motion?
- 5 Second from Dr. deAbreu. Okay. We got a
- 6 motion in the second. Is there any objection
- 7 to the motion? Okay. We are hearing no
- 8 objection. The motion passes. Now in
- 9 regards to the request for the conditional A
- 10 for Donald Pettefer. Do I hear a motion to
- 11 grant or deny?
- Mr. Lagrange: Chairman, I move to deny
- 13 the application.
- Mr. Bonvillain: Okay. Motion from Mr.
- 15 | Lagrange to deny the application. Second
- 16 from Mr. Barber. Is there any objection to
- 17 the motion? Hearing none, the motion passes.
- 18 Mr. Lagrange: Mr. Chairman, please note
- 19 for the record the reason for denial is that
- 20 there is still currently a Level A
- 21 conditional license on site. Not a hardship
- 22 for that.
- Mr. Bonvillain: Okay. So those are taken
- 24 care of. Next item is the extension of the
- 25 conditional, Dennis Gibson C&D Level A Vernon

Parish C & D. It says first extension 1 2 request. He attended a workshop in 3 Shreveport and Lake Charles, and passed the 4 test on October 9th. 5 Mr. Lagrange: I move, Mr. Chairman. Mr. Bonvillain: Motion moved by Mr. 6 7 Lagrange. Is there a second to the motion to 8 grant the extension? Second by Mr. Creel. 9 Any objection to the motion? Hearing none, the motion passes. Okay. Ms. Bordelon 10 handed out an additional application that she 11 just got yesterday. It's on a Charles Titus 12 for Cadiana Landfill. He's requesting a 13 conditional Level A for Mr. Titus. 14 15 Bordelon, you wanna explain the situation here? 16 Ms. Bordelon: Yes. Mr. Day called me 17 18 yesterday, and his situation with he's got 19 himself - he, himself is Level A operator. 20 He's got one other operator that is also a 21 Level A which is Nathan Johnson. He explained to me that his reason for asking 22 23 for a conditional for this guy that has been

there since October is that he's been having

personal issues with Mr. Johnson, and is

24

- considering terminating his employment. 1 2 that is the reason for the request for a conditional for this operator so he can have another operator there in the event he needs 4 to terminate Mr. Johnson. 5 Mr. Barber: That brings up an interesting 6 7 question. The provisions that we normally think about is a person decreased or retired 8 or fired or quit. But prior to, does this owner of the facility have the right to 10 request a conditional on somebody that is 11 still there? 12 Mr. Bonvillain: I'm not gonna use to word 13 right, but he certainly can ask for it. 14 15 doesn't mean we have to grant it. Mr. Barber: Who owns it? Does he own it 16 or does the guy who has the certification own 17 18 it? 19 Mr. Bonvillain: The guy that owns it is 20 certified. They got two. The guy that owns 21 it is certified Level A, and the other guy that he's thinking about getting rid of, 22 Johnson, is also Level A certified. 23
  - Mr. Barber: That's my question. Does it belong to Johnson or does it belong to his

24

```
employer?
1
 2
         Mr. Bonvillain: It belongs to Johnson.
         Mr. Barber: If it belongs to Johnson,
 4
    then how do we grant it? Because what if
    Johnson wants to take that certification, and
 5
    go work for me in Tangibihoe at the Landfill?
 6
 7
         Mr. Bonvillain: He can do that, okay?
    That does not prevent you from granting a
8
    conditional to replace him at that facility.
         Mr. Lagrange: Remember a conditional is
10
    just at that facility.
11
         Mr. Barber: So this doesn't do anything
12
    to Johnson certification?
13
         Mr. Bonvillain: No. It does not do
14
15
    anything to his certification.
         Mr. Barber: I don't think we've ever had
16
    that circumstance come up. Let me just say
17
18
    one other thing in defense of the owner. I
19
    admire him for lining his ducks up and
20
    getting these things done before there is a
21
    problem. I'm gonna offer a motion to grant
22
    it.
23
         Mr. Bonvillain: Okay. Let me ask you a
24
    question. What if he doesn't fire him?
         Mr. Lagrange: Mr. Chairman, I would like
25
```

to amend that motion. I move that we grant 1 2 the conditional upon receiving proof that Mr. 3 Johnson is no longer employed at this 4 facility. 5 Mr. Barber: I'm good with that. 6 Mr. Bonvillain: Would you like to offer 7 that as a substitute motion? Mr. Lagrange: Yes, sir. I would. 8 9 Mr. Barber: And I'll second it. Mr. Bonvillain: We have a motion by Mr. 10 11 Lagrange and a second by Mr. Barber that we grant the conditional to Mr. Titus upon proof 12 13 that Nathan Johnson has been terminated. Are 14 they any objections to the motion? 15 Mr. Lagrange: Mr. Chairman, can we say no 16 longer employed there? 17 Mr. Bonvillain: I said terminated. 18 That's the same thing, huh? It's your 19 motion, however you want to word it. 20 Mr. Lagrange: What if he quits on his 21 own? 22 Mr. Bonvillain: That's still a 23 termination. Make that motion read no longer 24 employed. Is there any objection to the

motion? Hearing none, the motion passes.

- 1 Okay. Issuing of operators certificates. Do
- 2 we have any certificates to issue? No?
- Okay. We approved the one application
- 4 evidently he has not taken the test yet. So,
- 5 there are no certificates to issue.
- 6 Committee Reports. Awards, Mr. Hylton is
- 7 not here.
- 8 Mr. Lagrange: Did we skip
- 9 recertification?
- 10 Mr. Bonvillain: Do I have any
- 11 recertifications? Okay. I'm sorry. I
- 12 didn't see it.
- 13 Recertification applications are Rondell
- 14 Bastiste, Landfill, Level B River Birch;
- 15 Kenneth Sanchez, C&D, Level B, Separation,
- 16 Level B Gator Environmental; Fred Williams,
- 17 Landfill, Level A all facilities, retired;
- 18 John "Bubba" Wynn, Landfill, Level A all
- 19 facilities, Mikeebo Landfill and Wynco
- 20 Environmental Services. They have met their
- 21 requirements, as far as, training hours. Is
- 22 their a motion to approve the
- 23 recertifications? Motion by Mr. Lagrange.
- 24 Second by Doc. Is there any objection to the
- 25 motion? Hearing none, the motion passes.

1 Okay. 2 Now committee reports. Awards, Mr. 3 Hylton is not here. Testing, Mr. Lagrange. Evidently we don't have any testing that took 4 place. Continuing education, Troy. 5 6 Mr. Barber: Nothing to report, sir. 7 Mr. Bonvillain: Nominating committee, Ms. 8 Henry. Ms. Henry: To my knowledge there is nothing to report. 10 11 Mr. Bonvillain: Okay. Is there any other business someone needs to bring up? 12 Mr. Creel: I'm still confused on One Way 13 14 Disposal. So on August 30, 2018, Mr. Dagal 15 was there with a conditional license? Mr. Bonvillain: Correct. 16 Mr. Creel: Also, Mr. Newman and Mr. Basil 17 18 were there under a conditional B license? 19 Mr. Bonvillain: Yeah. 20 Mr. Creel: Okay. So, this was purchased 21 on 9-1 according to the website. So, 22 according to Mr. Pettefer, who bought this 23 and applied for a conditional license, based 24 on a conditional, which we denied. He also 25 says in his letter that Newman is gonna

- 1 remain on site with a conditional B license.
- 2 And he also requested that Mr. Murray and Mr.
- 3 LeBleu receive conditional license based on
- 4 Mr. Basin one conditional license. So, he's
- 5 getting two for one.
- 6 Mr. Bonvillain: Basically, yeah.
- 7 Mr. Creel: I wanted to make sure.
- 8 Mr. Bonvillain: And basically what has
- 9 happened is they looked at the two
- 10 applications, and based on their work history
- 11 that they qualified to get a conditional, not
- 12 because they are replacing Basin because he
- was a conditional himself. But based on the
- 14 experience they had, the members felt that
- these people were qualified to be able to
- 16 operate the facility. And really it's not
- 17 because they are replacing Basin, because he
- 18 was just a conditional himself. Okay, any
- 19 other business?
- 20 Any public comments from our big public
- 21 out there?
- 22 Mr. Williams: I would like to wish our
- 23 board a Merry Christmas.
- Mr. Bonvillain: Do I hear a motion to
- 25 adjourn? Moved by Ms. Henry. Second by Mr.

```
21
    Barber. Any objections to the motion?
