Mr. Devillier provided an opening statement and factual summary of the case, including but not limited to the issuance of *Emergency Order 2025-001*. Ms. Paris then proceeded with her testimony and responded to Commissioner questions.

Commissioner Smith-Coward made a motion, which was seconded by Commissioner Halphen, and unanimously approved *via* roll call vote to formally adopt the proposed *Findings of Fact, Conclusions of Law, and Order* and related exhibit evidence, which in part ratified *Emergency Order 2025-001* and maintained Ms. Paris' indefinite license suspension.

Ms. Paris requested clarification regarding certain procedures. Mr. Devillier answered her questions and explained *Emergency Order 2025-001* indefinitely suspends her license. Mr. Devillier also provided Ms. Paris with details regarding the process by which Ms. Paris would be able to request the reinstatement of her license in the future.

VI. March 17, 2025, Emergency Order 2025-002 – 2025-0180; 2025-0170; 2025-0166; and 2024-1732 IN RE: RODRICK T. MCINTOSH & CLEAR TO CLOSE REALTY, LLC.

Mr. Devillier introduced the Commission's hearing of the March 17, 2025, *Emergency Order 2025-002* and related exhibit evidence (Exhibit F). In part, Mr. Devillier explained that the emergency order indefinitely suspended Mr. McIntosh's license. However, Mr. Devillier announced that, late in the afternoon of March 19, 2025, he received a written request and confirmation from Mr. McIntosh through his legal counsel, Mr. Kelvin Sanders, asking that the hearing of the emergency order and proposed *Findings of Fact, Conclusions of Law, and Final Order* and related evidence be continued until the Commission's April 24, 2025 meeting. However, Mr. Devillier noted for the record that there was a technical error in the emergency order. Mr. Devillier stated Mr. McIntosh was arrested on March 7, 2025 – not March 6, 2025, as incorrectly stated in the March 17, 2025, *Emergency Order 2025-002*.

3. Legal / Legislative. Commissioner Ritchie directed Mr. Devillier to lead discussion of the Legal / Legislative Subcommittee's report. Mr. Devillier directed the Commissioners to the 2024 oversight reports submitted to appropriate state oversight entities. Mr. Devillier explained that the reports include in part varied statistics, links to various pages on the LREC website, summaries and checklists related to the application process for each license, certification, or registration. Mr. Devillier also provided information and licensing statistics to the Commissioners on the Welcome Home Act.

Ms. Mire and Mr. Devillier also discussed consideration of reenrollment in the Louisiana Department of Justice's Occupational Licensing Review Program (OLRP) for fiscal year 2025-26. Ms. Mire reminded the Commissioners that LREC enrolled in the program during the last fiscal year. Ms. Mire also informed the Commissioners that this is a voluntary program but noted that the attorney general's and governor's offices recommend all boards and commissions enroll in the program in the interest of legal risk mitigation. Ms. Mire then provided the Commissioners with an overview of the OLRP. Mr. Devillier provided additional clarity regarding benefits of enrolling in the program. After a brief discussion, Commissioner Ritchie made a motion, which was seconded by Commissioner Halphen, and unanimously approved via roll call vote to approve the enrollment in the OLRP and to authorize Ms. Mire's execution of the related contract with the attorney general's office as circulated.

Mr. Devillier further led a discussion regarding the 2025 Regular Legislative Session. Commissioner Ritchie discussed a potential legislative proposal regarding Commissioner term limits. Commissioner Ritchie explained the current one term, six-year governor appointment for Commissioners serving on the Commission. Commissioner Ritchie then stated that the current term limit provides several disadvantages for the Commission when compared to term limits for Commissioners in other states. Commissioner Ritchie proposed changing the term limit to two terms of six years each to better align with term limits of Commissioners in other states and also to provide additional opportunities for leadership roles with national associations such as the Association of Real Estate License Law Officials (ARELLO). Mr. Devillier offered more information on the proposed legislative change. Mr. Devillier reported regarding an ARELLO listserv to which 32 states and the District of Columbia replied. Out of those 32 states, 11 states have unlimited potential reappointments; and, 14 other states have limited appointments, but those appointments all have longer terms than the current six-year appointment in Louisiana. Mr. Devillier continued by stating that Chair Pappalardo has identified a representative to sponsor the bill if the Commission decides to move forward with requesting the legislation. Following additional discussion, Commissioner Ritchie made a motion, which was seconded by Commissioner Free, and unanimously approved via roll call vote to move forward with the proposed legislation.
