22	MR. BRITT:
23	I make a motion.
24	MR. BROWN:
25	Second.

1 MR. FLOYD: 2 I have a motion and a second. 3 Item for financial matters. 4 MR. KRAUS: 5 Good morning. My name is Drew Kraus. I am a CPA with TWRU-CPAs and we conducted the 6 7 financial statement audit for the fiscal year that ended 6/30/23. I put a copy of both the 8 9 Financial Statement Audit and the Statewide Agreed Upon Procedures Engagement which we 10 11 conducted in front of you. 12 I am just going to kind of good over 13 the highlights. I also included my card if you 14 have any further questions, please feel free to 15 reach out. 16 That was a clean or unmodified audit 17 opinion. As usual, Derek and his staff did an 18 excellent job keeping the books for y'all. 19 Y'all had a net income of approximately \$59,000 20 last year. And I wanted to point out that 21 there -- most of that came from nonoperating 22 revenue. Your investments did exceptionally 23 well because of interest rates last year were 24 exceedingly high as I am sure everyone can 25 attest. So just keep that going. Keep that in

1 mind going forward when you start getting into 2 your budget in the next few months.

3 We also had your cash position was essentially the same as the previous year at 4 over \$2 million. Y'all are sitting very well 5 6 with your cash. We also need to keep in mind 7 FDIC limits and your pledged securities. Whenever y'all are going forward, the State 8 9 requires you to have collateral or insurance to 10 cover all of your cash deposits and y'all are getting close to the limit between your --11 12 between your FDIC insurance and your pledged 13 securities that y'all have at -- I think it was 14 at New York Bank, which is typical for government agencies. So just keep that in 15 16 mind.

17 We did have one finding. If you turn 18 towards the end of the audit report and it was 19 dealing with your budget. According to State law, you are only allowed a 10 percent 20 21 variance, or something to that effect, between 22 your budget and your actual end-of-year 23 numbers. And y'all had some larger differences 24 than that.

25

Usually what I recommend to clients,

1 especially ones that meet as often as you do, 2 is in May and/or June, revisit the budget to 3 make sure it is going to line up with your actual numbers as of 6/30. That way you can 4 5 amend the budget without any issue and your 6 numbers are going to pretty much coincide with 7 your end-of-fiscal year numbers. That way you won't find this on your report again. 8

9 We also had the SAP report, which is 10 the smaller packet that you have. And we only 11 had one finding. It dealt with bank 12 reconciliations. Just the dates weren't within 13 two months which are required by the State.

14 So these are the only things that we 15 had. They were very, very minor things and 16 Derek and his staff have already assured me 17 that they will correct these going forward into 18 the next year.

19 That's pretty much the highlights. 20 They did a very good job, like I said, keeping 21 the books for y'all. We didn't have any 22 issues. Everyone was professional and was very 23 attentive to whatever we had to request from 24 them.

25

Do y'all have any questions for me?

1 As I said, you have my card and my 2 contact information or reach out to Kim or 3 Derek or Rhonda, they can all get in touch with And I will be happy to answer any 4 me. 5 questions that you have. Thank you. 6 MS. ROBERTSON: 7 As far as Drew's report with the bank 8 recons, again that was the mix-up with Mona 9 leaving and me coming in and not having anybody 10 in. So it took us a minute to catch up, but we 11 will fix that in the future. We are going to 12 be on point, okay. 13 And now for our financial report. Ιf you look at page 1. The balance in the bank 14 15 account on December 31, was \$2,297,549.39. The 16 current liabilities total on page 2 is 17 \$158,183.09. Total liabilities were 18 \$5,899,113.13. The total net position is a 19 negative \$1,003,402.58. But let's keep in 20 mind, once again, that includes the OPEB 21 liability. 22 So if we turn to page 3, that will 23 start our statement of revenues and expenses. 24 So for the month of December, our year-to-date 25 revenues from the UD license shows an increase

1 of \$1,825. The UP license has an increase of 2 \$4,100. And the CS license has an increase of 3 \$1,300. And our reinstatement fees has increased. It has an increase of \$6,825. 4 5 Revenue from the PTA convenience fees increased by \$2,540. 6 7 And on page 4, you would notice that the year-to-date office salaries are 8 9 \$268,301.77 compared to last year's \$239,240.96 10 is due to us hiring four additional staff up 11 here in the front. 12 And the chart on page 6 shows the 13 increase in licenses from July through 14 December. And we have been showing a steady 15 increase now that we are in renewal season. 16 And on page 7 for all of our CDs 17 renewed for 2023. We have three that will be renewing in January of '24. And on page 8 is 18 19 our accounts receivable hearing fines which was 20 \$4,566.70. We only collected \$15,000 which was 21 a payment from Matamoros. 22 And also you should have received an 23 email from a company called Paychex. That's 24 our new payroll system. So if you keep up with 25 your check stubs or payments from us, it is

1 going to be coming through them now instead of 2 the Easy Stub that we were using before. So 3 you just have an account on there through that 4 email and you will receive your check stubs 5 when you get payments from us. 6 MR. BRITT: 7 I didn't know if that was a scam, 8 spam, or what. 9 MS. ROBERTSON: 10 Do we have any questions? 11 MR. BRITT: 12 When do we need to get that done? 13 MS. ROBERTSON: 14 There is no deadline, just whenever. 15 Because I think this will be the first month 16 that we process the payment for you-all. 17 If there are no questions, that will 18 conclude the financial report. MR. DONNELL: 19 20 Make motion to accept. 21 MR. BROWN: 2.2 Second. 23 MS. MORRIS: 24 Who is going to present the Matamoros 25 issue?

1 MS. BARON: 2 That will be Derek. 3 MS. MORRIS: 4 Mr. Parnell, are you ready to 5 proceed? 6 MR. PARNELL: 7 Yes, I am. 8 MS. MORRIS: 9 I believe Mr. Matamoros is here. 10 MS. BARON: Yes. Both of them are here. 11 12 MS. MORRIS: 13 Can you-all come to the podium in 14 case there are questions? 15 Is this going to be a hearing? Or is 16 this just going to be some information because 17 there is an existing order for Matamoros? 18 MS. BARON: 19 It is a request. Go ahead. 20 MR. PARNELL: 21 It is a request. It is a request 2.2 being that we had our hearing November 14 of 23 2022 for Matamoros. They were assessed fines 24 totaling \$250,000. The order stated in that -those fines that the initial payment that they 25

1 should make is \$50,000 and \$15,000 per month 2 thereafter. The dealer has made payments 3 consecutively every month which has them a 4 total of \$215,000.

5 The dealer communicated to the staff 6 and that he is making a \$20,000 payment, which 7 I understand that he is bringing with him today to the office, which will give him a total 8 9 \$235,000 paid. He asked that if he can 10 conclude the payments and waive the remaining 11 \$15,000. I did advise the dealer that I don't 12 have a problem with that because he has 13 actually done a really great job at making 14 payments throughout his violation. But I would 15 need to present that information to the 16 Commissioners and we would need a Commission 17 judgment.

18 What I would ask, Commissioners, is 19 that we accept the payment of -- suspend the 20 remaining \$15,000 with stipulations. The 21 stipulation being that they are on probation. 22 If no reported violations are done within the 23 next 12 months, the remaining \$15,000 would be 24 suspended. If any reported violation is done 25 within the next 12 months, the remaining

\$15,000 would become due immediately. 1 2 So with that said, Commissioners, I 3 ask that you accept the \$20,000 payment as, I 4 guess, their final payment and move -- look 5 towards suspending the remaining \$15,000 with 6 probation stipulations for the dealer for the 7 next 12 months. 8 MR. HINES: 9 I agree with Derek and make that 10 motion. 11 MS. MORRIS: 12 Did we want to verify they have the 13 \$20,000 and verify with Mr. Matamoros that he 14 does not object to the conditions that 15 Mr. Parnell mentioned of being under probation for 12 months? 16 17 MS. BARON: 18 That's the copy of the cashier's 19 check that he brought this morning. 20 MS. MORRIS: 21 Just the record, Mr. Matamoros is 22 here present and he has someone also present 23 with him. Can you give us your name for the 24 record? 25 MR. JOEY MATAMOROS:

1	Joey Matamoros, Jr.
2	MS. MORRIS:
3	And you are providing translation
4	services for Mr. Matamoros?
5	MR. JOEY MATAMOROS:
6	Yes.
7	MS. MORRIS:
8	I was just trying to have all of the
9	information on the record. So you are here
10	just as a translator; is that correct?
11	MR. JOEY MATAMOROS:
12	Yes.
13	MS. MORRIS:
14	So we have a motion.
15	MR. HINES:
16	I make the motion.
17	MR. ALSALEMEH:
18	Second.
19	MR. FLOYD:
20	Motion approved. So we are going to
21	accept the agreement.
22	All in favor?
23	(All "Aye" responses.)
24	MR. FLOYD:
25	Any opposed?

1 (No response.) 2 The Ayes have it. 3 MS. BARON: 4 That is his copy of the cashier's 5 check. He just wanted to show y'all that he 6 had brought it. 7 MS. MORRIS: So we will issue an amended order 8 9 that will have the new terms in it and showing that the remaining \$15,000 will be suspended 10 11 and the license will be issued on probation --12 will be on probation for 12 months. In the 13 event that during the 12-month period there is 14 a violation, then the \$15,000 would be 15 immediately due and payable. If there are no 16 violations within the probation period, then the \$15,000 would be suspended. 17 18 Thank you. 19 MR. JOEY MATAMOROS: 20 Thank you. 21 MR. FLOYD: 2.2 All right. So we are going to move 23 to the enforcement report. Montie. 24 MR. WISENOR: 25 Yes, sir. I have the monthly

1 production field totals for the months of 2 November and December of '23. The monthly 3 field production report for November were there were 17 audits conducted. There were 2 notice 4 5 of revocations issued. There were 65 site 6 visits conducted. There was one cease and 7 desist issued. There were 19 registration or titles that were assisted in consumers 8 9 receiving. There were no violations issued. There were 2 refunds that were assisted in 10 11 issuing -- or being received by consumers, 12 which total \$5,000.21. There were 8 cases that 13 were closed that were assigned cases -- I am sorry, 18 cases were closed, cases that were 14 15 assigned. There were 21 cases closed that were 16 not assigned. And there were 20 physical 17 inspections conducted.

18 For December of '23, there were 4 conducted -- audits conducted. There was one 19 20 notice of revocation issued. There were 71 21 site visits conducted. There were no cease and 2.2 desist issued for that month. There were 20 23 titles or registrations that were assisted in 24 consumers receiving. There were 6 violations 25 issued. There was 1 refund which totaled \$350.

1 There were 20 cases closed that were assigned. 2 There were 29 cases closed that not were not 3 assigned. And 14 physical inspections 4 conducted for the month of December. 5 And those are the totals from November and December of '23. 6 7 MR. FLOYD: 8 All right. Commissioners, do you 9 have any questions? 10 Okay. We have the executive 11 director's report. 12 MS. BARON: 13 Mr. Parnell. 14 MR. PARNELL: 15 I'm here. Yes. I really don't have quite a bit to discuss. Our renewal season has 16 17 been going very well, very efficient with the 18 hiring of the additional staff. 19 Ms. Burks, she is present. Can you 20 give some of the information to the 21 Commissioners, the information about dealer 2.2 plates as it relates to the last two years, 23 2022 and 2023, where we are through August to 24 December. 25 MS. BURKS:

1	Okay.
2	MR. PARNELL:
3	Do you have those numbers?
4	MS. BURKS:
5	I do. Just to let y'all know that we
6	did sell the dealer plates last year. Our
7	numbers actually have doubled from last year
8	and I think they will continue going up
9	especially as the dealers know that we are
10	actually renewing these plates.
11	We are going to have a meeting with
12	Loren, she is part of the Office of Motor
13	Vehicles. She is actually getting us all set
14	up for the dealer plates. Just trying to
15	expand it.
16	We could do, like, motorcycle plates
17	but we cannot, of course, give out new plates
18	for motorcycles. So I just want to meet with
19	her and just try to have some type of
20	conversation of how we can expand it, but our
21	numbers have increased.
22	Just an example, like, last year in
23	August well, of '22 had two plates. This
24	year well, in '23, we had 45. And just
25	going back to December in '22, we did 9. And

in '23 we did 200. So our numbers did double. 1 2 So I just wanted to give you an 3 update to let you know that we are doing pretty 4 well now. 5 MR. DONNELL: 6 So, Tonya, you are saying that 7 anybody can walk in here, public and all, and needs a renewal sticker, we can do that? 8 9 MS. BURKS: 10 Right now it is just the dealers. 11 MR. DONNELL: 12 We can't give out plates. 13 MS. BARON: 14 Just for the dealers. 15 MR. DONNELL: 16 Oh, okay. 17 MS. BURKS: Now, we have the capability to do it. 18 MR. PARNELL: 19 We have the authority to do. 20 21 MS. BURKS: 22 So right now we just focus on the 23 dealers. 24 MR. PARNELL: 25 We concentrate specifically on the

1 dealer side giving that convenience to our 2 licensed dealers. But there is -- there is an 3 avenue for growth if that is something we 4 wanted to look into to moving forward. That's why we are going to have that discussion with 5 6 the Office of Motor Vehicles and see what kind 7 of parameters that are out there for us. Okav. 8 Thank you, Tonya, for that. 9 MS. BURKS: You're welcome. 10 11 MR. PARNELL: 12 And, Rhonda, we've gone with Paychex. 13 We have outsourced the payroll process with 14 Paychex. Just to continue moving forward, 15 progressive forward with our agency and get more efficient on what we are doing. We found 16 17 that the cost of outsourcing of that was 18 minuscule in relation to, you know, the process 19 of processing it per se. 20 So with that said, we are looking 21 towards the regular legislative session begins 2.2 -- I think if I am not incorrect March 11 for 23 the regular legislative session. This current 24 year we don't have any legislative packet that

25 we are putting forward.

1 But one thing we are doing is kind of 2 making sure that we're not running into 3 situations where we have someone putting some 4 language out there that affects our dealers. So we have all of our, quote/unquote, feelers 5 out there. We will make sure that we are 6 7 monitoring legislation just to see if anything does pop up outside of -- that we don't know as 8 9 of yet. That's all that I had. 10 Once again, Commissioners, I do 11 apologize I was not able to be present today, 12 but I was doing it for your best interest. 13 MR. FLOYD: 14 Okay. Thank you, Director Parnell. 15 Ms. Kim, we are moving to items for the next 16 agenda. 17 MS. BARON: 18 There may be public comments for the 19 next agenda. I was supposed to have public 20 comments this morning, but they emailed me and 21 said they would have to reschedule. So that 22 might be the only one for next month, but 23 that's not confirmed yet but. 24 MR. FLOYD: 25 Okay. So up next we have a hearing.

1	So	we	will	take	а	small	rec	ess	for	ten	minutes.
