17	agenda and the quickest meeting that we have	17	For the present, I saw yesterday's news
18	had. I will now give Mr. Pierson two hours to	18	release that according to the Bureau of
19	give us a report. Take all the time you need.	19	Economic Analysis, and by the way, that is the
20	MR. PIERSON: Thank you, Mr. Chairman.	20	US Department of Commerce, the data that they
21	Your experience and eloquence here have been	21	released shows that Louisiana's gross domestic
22	evident, and your record of service has brought	22	product grew 3.2 percent in the second quarter
23	you to a place where we are very, very	23	of 2023 outpacing 40 other states, and easily
24	efficient, so thank you for that service	24	exceeding the national GDP growth rate of 2.1
25	report.	25	percent. You are on track. That includes on
	Page 14		Page 16
1	It was both a blessing and a curse that	1	that list of 40 putting us in the top ten.
2	they did not tell me everything when I signed	2	Ones we outpaced are Florida, Georgia,
3	up for this job. Maybe that is a good thing,	3	Arkansas, Mississippi, Alabama, South Carolina,
4	but in any event, it has been my honor and	4	North Carolina, Tennessee, Kentucky, Virginia,
5	privilege to serve as the secretary for	5	New York, California, Colorado, Arizona, Oregon
6	Louisiana Economic Development, and at this	6	and Washington. Sound like a lot of the SBC
7	point in my service to LED and the State of	7	(sic) in there to me.
8	Louisiana, I am going to bring that service to	8	As for the future, as Warren Scott
9	an end. I wish to express my deepest gratitude	9	recently predicted that Louisiana will add
10	to the Board of Commerce & Industry, our	10	eight thousand more jobs in 2024 and 2025
11	stakeholders, corporations that I have worked	11	thanks to our success positioning Louisiana as
12	closely with, the consultant community. I	12	a leader in the global energy transition.
13	think you have been valued by our	13	This work, these exceptional
14	administration, and certainly as the Chairman	14	accomplishments were made possible by the
15	has mentioned, the LED staff. Your dedication,	15	Governor's leadership, the legislators' support
16	teamwork and effort have made a great deal of	16	and the exceptional work that you do, those
17	success possible. Those are more than words	17	here in this room and beyond.
18	from a department leader. I am presenting you	18	As I depart service to the State of
19	today with our annual, LED Annual Report, and	19	Louisiana, after directing my career to the
20	it is not LED's Annual Report; it is your	20	betterment of the citizens and every member or
21	Annual Report. Much of the work here, much of	21	every community across the State, I am proud to
22	the success was made possible by this Board and	22	report that the State of our economy is strong,
23	the people in this room and those that are	23	and the outlook ahead is bright.
24	following our meeting electronically and	24	Again, your commitment to Louisiana and
25	beyond. I often frame my remarks in past,	25	professionalism have made this possible. You
	Page 15		Page 17

1	have made a profound impact on the lives of so	1	and we wanted to protect landowners and we
2	many individuals that have jobs, careers,	2	wanted to protect the State of Louisiana with
3	opportunity in our state, as well as the	3	these contracts, because my family has been
4	improvement in the quality of life those jobs	4	my brother was executive secretary of the
5	bring to thousands of households across our	5	Public Service Commission for 30 years, and
6	State.	6	they were dealing with this, and had the
7	In closing I want to take this opportunity	7	understanding that ITE was job driven, and so,
8	to thank you for your invaluable contributions,	8	it has but one job on each site, and it costs a
9	and ask that you continue to support the	9	million dollars just to get an application for
10	efforts of the Louisiana Economic Development	10	MISO to do so they were coming in here with
11	going forward. Thank you.	11	two men in a truck, big solar companies and
12	(Applause.)	12	everything were trying to think, and all this
13	MR. JONES: It is difficult for me to call	13	was to help. What we did was save a lot of
14	him Secretary or even Mr. Pierson because I	14	landowners, because they were coming in here
15	have known him as Don for decades, and he and I	15	and there is no place other than the United
16	had our roots in Northwest Louisiana where we	16	States that understands oil and gas leases,
17	worked together there before each of us found	17	understands everything that we did, so we put
18	our way to Baton Rouge.	18	in, we passed bills, passed them in the thing.
19	But I will tell you, Don, that it has been	19	Now we are protected and we are ready for solar
20	a pleasure to work with you for the past eight	20	and wind.
21	years. Thank you for your service. Thank you	21	Now, I do not know how I can thank y'all
22	for the work that you do and you have led your	22	and we can come in here and y'all believe this,
23	team to do for this state. We have seen	23	and now we ready, and I want to thank y'all.
24	exceptional growth. I think the next	24	This Board I have served on a lot of
25	administration will see fantastic results	25	Boards and this Board really is compassionate,
	Page 18		Page 20
1	economically because of the work that this	1	knows what they are doing, and we do not know
2	department has done under your tenure. Thank	2	what is going to happen in the building out
3	you very much.	3	there. I am hoping I am on Commerce again, but
4	MR. PIERSON: I appreciate it.	4	we do not know. The process is being changed,
5	MR. JONES: Anything else for the good of	5	so what we do is, we all love Louisiana and we
6	the order?	6	do what we got to do, but that process over
7	MR. ST. BLANC: Mr. Chairman.	7	there in that building, it is hard to change, I
8	MR. JONES: Yes, sir.	8	can tell you.
9	MR. ST. BLANC: I would like to say a few	9	I would like to really talk about just for
10	words because this is my last meeting. You	10	a few minutes, and I really want you to listen
11	know I talk low and it comes from my heart. So	11	to these numbers, and this started with Mike
12	y'all understand me, everything comes from my	12	Foster when we formed the Community and
13	heart, but I want to thank you, Chairman, Mr.	13	Technical College. State of Louisiana, these
14	Don, and especially the staff and everybody	14	boards, everything we want to stop our
15	that sits in this room.	15	congregation and keep our kids. We want
16	As a freshman legislator coming in here	16	insurance and crime and all this stuff we are
17	and had the chance that a chairman gave us,	17	talking about. But the numbers I am going to
18	gave me the opportunity to be her proxy,	18	tell you right now is a people problem. Until
19	because she said that I knew what I was doing	19	we solve this, we cannot be able to move.
20	and some people do not believe it, but, and I	20	The age from 25 to 64, working age,
21	had to come in, and when I came in, especially	21	42 percent of that to a million, eight hundred
22	Senator Hollier, because we had solar and wind	22	and forty thousand eligible people to work.
23	and now I call them capture coming in, and	23	And I go to work; them who do not want to work,
24	y'all trusted me because Louisiana was not	24	or they want to live in the welfare system.
25	ready. We had 125 MISO (sic) site locations,	25	What we have to do is, they can earn forty-two
1	Page 19		Page 21
	I age 19		1 490 21

1			
1	thousand five hundred dollars on the system.	1	So, you know what kind of money that is
2	Every job that Community Technical College	2	coming in. We ready. We made the laws. Now
3	workforce will guarantee sixty-five thousand	3	let's welcome them in. Thank you.
4	when you start. We have to move these, just a	4	MR. JONES: Mr. Nassar.
5	third of them. If we can get a third into jobs	5	MR. NASSAR: Yes. Before I get started, I
6	that these companies and everybody needs, then	6	would like to thank Representative St. Blanc in
7	we will be successful.	7	the work that he has done on the House
8	So, when you out and you hear of anybody	8	Education Committee for Public Schools, and
9	that is looking for a job, doing everything,	9	just to kind of take it back a little bit on
10	the Community and Technical College system will		what the representative said, and I know this
11	train you for free on most of everything with	11	goes on throughout the State of Louisiana in
12	the Foster comp, everything. Until we change	12	public schools, but I will just take my own
13	this people problem, and change just maybe a	13	parish, St. James school district.
14	third of them from forty-two thousand that we	14	If it were not for business and industry,
15	think nothing to sixty-five thousand taxpayers	15	we would not be able to offer what I am getting
16	there. The taxes that they will pay is going	16	ready to get into, and Jerry Jones, you are
17	to put us at a level that we can start.	17	very, very familiar with our district; we go
18	Eliminating income tax can start eliminating	18	way back. But we have a company, we have
19	less taxes.	19	different companies that work with our Career
20	But this is our problem. When you give an	20	Technology Center. We have welding. We have
21	ITE and everything and you did your job, just	21	industrial coating, industrial insulating,
22	remember that we still have this most important	22	scaffold building at cost efficient, zero
23	job to do, is to get eight hundred and forty	23	moneys. Apache, a company that does insulating
24	thousand, some of them back to work in	24	and painting, scaffold building, any industry
25	Louisiana, and then we have all the stuff.	25	actually comes in and train our students that
	Page 22		Page 24
1	I was with a business last week, they are	1	is not going to go to college on how to do
2	a thousand short right now. They are going to	2	those job skills. They buy their tools for
3	hire a thousand people today, train them for	3	them when they finish the course. They buy
3 4	free, and have them ready, and they will start		them when they finish the course. They buy their quick card for them, and they train them.
		3	them when they finish the course. They buy
4	free, and have them ready, and they will start	3 4	them when they finish the course. They buy their quick card for them, and they train them.
4 5 6 7	free, and have them ready, and they will start at sixty-five thousand, and over time they will go to a hundred thousand. So, this is the problem. I ask for	3 4 5	them when they finish the course. They buy their quick card for them, and they train them. Get them a job starting at over forty thousand

Some of them will go back to college and become engineers. My whole point is, there is a way and there is a path to doing exactly what Representative St. Blanc said; we just need to stay on top of it. But with that being said, Jerry, I would like to thank you for the way you conducted
4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	free, and have them ready, and they will start at sixty-five thousand, and over time they will go to a hundred thousand. So, this is the problem. I ask for y'all's help. Remember these figures, eight hundred and forty thousand that are not in our work force. Forty-two percent of people that can work are not in the workforce. I want to thank y'all for giving me the time, and this is an extremely good Board. Very compassionate. Every business that came here got a good look and was really given a good chance, and if it is possible, I might be back. If not, thank y'all for letting the freshman legislator come in here and y'all	3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	them when they finish the course. They buy their quick card for them, and they train them. Get them a job starting at over forty thousand dollars a year. These kids go work in industry, some of them end up working for the refineries or the chemical manufacturers that they were actually working for the contractor. Some of them will go back to college and become engineers. My whole point is, there is a way and there is a path to doing exactly what Representative St. Blanc said; we just need to stay on top of it. But with that being said, Jerry, I would like to thank you for the way you conducted meetings. I want to thank you for the
4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19	free, and have them ready, and they will start at sixty-five thousand, and over time they will go to a hundred thousand. So, this is the problem. I ask for y'all's help. Remember these figures, eight hundred and forty thousand that are not in our work force. Forty-two percent of people that can work are not in the workforce. I want to thank y'all for giving me the time, and this is an extremely good Board. Very compassionate. Every business that came here got a good look and was really given a good chance, and if it is possible, I might be back. If not, thank y'all for letting the	3 4 5 6 7 8 9 10 11 12 13 14 15 16 17	them when they finish the course. They buy their quick card for them, and they train them. It stops a lot of the discussion that we need to have because of the questions you do ask. For the industries, business and industry that comes before the Board of Commerce &

1	individual standpoint, and we just make our	1	that the business was conducted, and the way
2	decision based on the merits of the case.	2	that this Board managed that process was very
3	To everybody personally, the staff, it has	3	much appreciated all across all of our clients
4	been an eyeopening experience for me the work	4	and my leagues and friends in the industry.
5	that y'all do, y'all track business and	5	So, whereas I am not going to speak for
6	industry, and to work with business and	6	everybody, I think everybody on this Board who
7	industry to get them here, to keep them here.	7	has been through this process deserves a big
8	The job growth is just unbelievable. I never	8	thank you and appreciation for your service and
9	realized the work that went into what y'all do	9	your commitment. I know that this is such a
10	to attract business.	10	well-paying job for everybody who is traveling
11	I have worked in the chemical industry for	11	out here throughout the State. So, thank y'all
12	thirty-eight-and-a-half years and I worked	12	very much. I sincerely appreciate it.
13	construction before that; I am only 40 years	13	MR. JONES: Thank you, Mr. Leonard. Very
14	old, so go figure. Seriously, I worked	14	kind of you. Ma'am, state your name for the
15	construction, I worked for the chemical	15	record please.
16	industry, and until you actually get into the	16	MS. CARTER: Good morning. Amanda Carter
17	nuts and bolts of it here and see what takes	17	and I am with Cheniere Energy. I was planning
18	place to actually attract business, I want to	18	to come to the table this morning as a
19	commend you and your staff, and thank y'all	19	pre-executor for an ITE renewal. I wanted to
20	from the bottom of my heart for doing what	20	just take the opportunity to thank y'all for
21	y'all do for the State of Louisiana. It has	21	the work that you have done. It has been very
22	been a pleasure serving with the members, and	22	important to our organization.
23	with that, hopefully I will see y'all again.	23	I came ready with some stats, and so, I
24	If not, it has been a pleasure, and may y'all	24	will be happy to share those with y'all. To me
25	have a Merry and Blessed Christmas to you and	25	the most important things, that we will be
	Page 26		Page 28
1	your families. Thank you.	1	making 400 shipments of LNG out of our
2	MR. JONES: Mr. Nassar, it just dawned on	2	facilities in Cameron Parish this year alone.
3	me that if you are not doing anything Christmas	3	We recently achieved 3000 cargoes earlier this
4	Eve, my grandkids would love for you to come	4	year. We have broke everybody's record because
5	visit their house.	5	we did those 3000 cargoes in right around 2,500
6	MR. NASSAR: I have been Santa Claus at	6	days. We have been a little busy, but none of
7	school already, but I will do it again.	7	that happens without the support of this
8	MR. JONES: That white beard is amazing.	8	organization.
9	It really is. Thank you, Mr. Nassar.	9	When I started with Cheniere, we had never
10	Anything else? If not, recognize a motion	10	made a drop of LNG. We still had to dream. We
11	I am sorry, excuse me.	11	were still under construction. That was ten
12	MR. LEONARD: I was not planning to come	12	years ago and to see where we are at now, and
13	up here today, but anyway, my name is Jimmy	13	the foundation that you have established has
14	Leonard. I am with Advanced Consulting, and	14	actually afforded us the opportunity to
15	one thing I want to make sure that y'all know	15	envision further expansion.
16	coming from my heart and from my experience	16	We have announced and have plans to build
17	working with each and every one of y'all for	17	an additional 20 electric tons of LNG a year in
18	the last eight years is this Board had to	18	Cameron Parish and we are looking forward to
19	manage through some very unprecedented issues	19	putting that application in for the full a
20	throughout this term, and I cannot thank you	20	full application. We have pre-filed, but the
20	all enough for your commitments, your time,	20	full going on this year.
$21 \\ 22$	professionalism, and the way that y'all	$21 \\ 22$	I worked with y'all on the pre-executive
22	conducted the business throughout all of this.	22	order condition of our project that was very
23	I will not say that every matter and policy or	23	important to us, so I want to thank you for
24	political in perfect alignment, but the way	25	that. I know that that was not an easy process
25	Page 27	25	Page 29

1 to go through with the rigger. We look forward 1 Louisiana, and we have a workforce of program that was initiated by one of to before you for Stage 5, whether yall are here 2 program that was initiated by one of to corporate citizens in our area Sasol Ir 3 before you for Stage 5, whether yall are here 3 corporate citizens in our area Sasol Ir 4 or not, or those who follow you. I know that 4 and what we did was, it put it came community, not just as somebody who 5 the groundwork here will serve us all well, so 6 community, not just as somebody who 6 I would like to thank you for that. It has 7 normally do, we want to become a pa 7 MR, JONES: Thank you. Thank you for what 8 fabric of the community, so in the wo 9 Cheniere has been doing. 10 back to what you were saying about 1 10 mk, SLONE: I just realized that my very 10 back to what you were saying about 1 11 hundred thousand that the workforce. 11 hundred thousand that was create 12 long, It was is hat I have learned so 17 conno trionitized. So, not only were 14 us on a little longer if you will, and I am so 10 life comes in and takes over, some pe
