**Minutes**

Motion was made by Wade Tyler, seconded by Evelyn Jenkins and unanimously carried, to accept the minutes as presented for the January 14, 2011 board meeting.

**CORRESPONDENCE**

Members of the board reviewed correspondence submitted by **Rochelle Chappan, LCSW**. Emily Efferson, Administrator, had already responded to Ms. Chapman's request for clarification about the delivery of supervision for LMSW's. Members of the board affirmed Ms. Efferson's response to Ms. Chappan.

Members of the board reviewed correspondence submitted by **Alisa Lear, LCSW and Gary Tiemann, LCSW**. Ms. Lear and Mr. Tiemann submitted a letter requesting that the board establish a task force of clinicians to work with the board in revising the process and protocols of the Impaired Professionals Program. They also requested the board to consider developing an exit interview/survey with social workers that are subject to an investigation. Ms. Evelyn Jenkins was asked to head this task force. Ms. Lear and Mr. Tiemann will be requested to submit names of qualified and experienced social workers to serve on this task force. It was requested that Ms. Rudd, IPP Manager, also be a member of the task force.

Motion was made by Wade Tyler, seconded by Hope Himel-Benson and unanimously carried, to table the discussion of an exit interview/survey with social workers that have been subject to an investigation until the March 18, 2011 meeting.

Members of the board reviewed correspondence submitted by **Patrick Mallison, LCSW**. Mr. Mallinson requested the board to consider having a "retired" status for social workers. Members of the board advised Mr. Mallinson that the IOC considered a retired status. However, after much debate, decided that it would not be in the best interest of the public to have that status. Mr. Mallinson was also advised that he must have an active license to practice social work in the state of Louisiana and was referred to Rule 303(A) of the Rules, Standards and Procedures.

Members of the board reviewed correspondence submitted by **Jaime Monic, Executive Director** of the Louisiana State Board of Examiners of Psychologists. The Psychology board requested that LABSWE substitute the word "psychological" for "psychosocial" in the "Child Custody Evaluation Guidelines".

Motion was made by Wade Tyler, seconded by Evelyn Jenkins and unanimously carried, to substitute "psychological" for "psychosocial" in the "Child Custody Evaluation Guidelines".

Members of the board reviewed correspondence submitted by **Claudia Abell, LMSW**. Ms. Abell presented the board with a situation where a former client disclosed that she had been sexually abused by a teenage boy. A new client disclosed that she is currently in a relationship with the boy that allegedly abused her past client. Ms. Abell asked the board if she is able to disclose to the new client that the boyfriend had been accused of sexual abuse by a former client. Members of the board agreed that Ms. Abell should not breach confidentiality because this particular situation does not fall under the "duty to warn" as described in the Rules, Standards and Procedures.

Members of the board reviewed correspondence submitted **Robbie Williams, LCSW**. Ms. Williams stated that she recently resigned from the Department of Health and Hospitals, Bureau of Health Services Financing, Medicaid Behavioral Health Section as a Program Monitor. She asked the board if it would be a law or rule violation for her to begin her own consultant and counseling group. Members of the board advised Ms. Williams that it would not be a violation of the Rules, Standards and Procedures or the Practice Act. Members of the board recommended that Ms. Williams contact the Louisiana Board of Ethics to verify that it would not be a violation of state law.

Members of the board reviewed correspondence submitted by **John Moore, LMSW**. Mr. Moore asked the board if they would consider alternatives to the collection of continuing education hours for those that are not currently practicing social work. Members of the board advised Mr. Moore to review Rule 317(M) of the Rules, Standards and Procedures that outlines other acceptable methods to obtain continuing education hours other than the traditional face-to-face workshops.

Motion was made by Evelyn Jenkins, seconded by Hope Himel-Benson and unanimously carried, to deny the request submitted by **Bonnie Steen, LCSW**. Ms.

Steen's LCSW lapsed on 8/31/2009. She requested the board to reinstate her LCSW without retesting.

Members of the board reviewed a legal opinion regarding mandatory reporting submitted by **Katherine Green, AAG**. Members of the board requested board staff to post the opinion on the LABSWE website.
