

INTERIM EMERGENCY BOARD

Senate Committee Room A

January 26, 2015

1:00 p.m.

MEETING MINUTES

A public meeting of the Interim Emergency Board was held in Senate Committee Room A on January 26, 2015, at 1:00 p.m. (The location was changed from Room E to Room A shortly before the meeting due to technical difficulties with the video broadcast system.)

ITEM NO. 1

Sen. John Alario, board chair, called the meeting to order at 1:05p.m., and asked that the secretary call the roll.

Present:

- Sen. John Alario, President of the Senate and IEB Chairman
- Rep. Chuck Kleckley, Speaker of the House of Representatives and IEB Vice Chair
- Ms. Kristy Nichols, Commissioner of Administration
- Lt. Governor Jay Dardenne
- Mr. Ron Henson, designee of State Treasurer John Kennedy
- Sen. Jack Donahue, Chairman of the Senate Finance Committee
- Rep. Jim Fannin, Chairman of the House Appropriations Committee

ITEM NO. 2

Sen. Alario requested a motion for approval of the minutes of the August 21, 2014, meeting as presented to the board. Sen. Donahue moved to approve the minutes as submitted. The motion passed with no objection.

ITEM NO. 3

Mr. Ron Forman, Chairman of the Louisiana Stadium and Exposition District (LSED) board of commissioners, came forward to present LSED's request for the IEB to adopt the Seventh Amendment to the Management Agreement between SMG (a Pennsylvania general partnership and international private facility management firm) and the State of Louisiana in connection with the operation of the "Mercedes-Benz Superdome," the "Smoothie King Center," and other properties of LSED.

SMG's current management agreement is set to expire June 30, 2017, and LSED is recommending a five-year extension of the agreement with an additional five-year option, based upon modifications and revisions proposed by SMG. Under Louisiana law, after LSED's board of directors approves management contract amendments, LSED is required to obtain the approval of the Commissioner of Administration, the Interim Emergency Board, and the Governor.

Mr. Forman explained that LSED's justification for accepting the amendment for the management agreement extension included SMG's strong track record of performance over many years. LSED is very satisfied with the operation of the Superdome and the Smoothie King Center, especially considering the success of the Superdome with the rebirth of and improvements to the facility following Hurricane Katrina, which was led by SMG. Another consideration is the need for continuity because, in negotiations for future Super Bowls, other college and professional football games, major concerts, etc., the management company's years of experience and performance are often a concern. He said they believe that SMG led by Doug Thornton may be the best management team in the country.

In addition, to avoid disruption of services, LSED requested a proposal from SMG to amend and extend the existing agreement. SMG was asked to consider a contribution of capital that could be applied to the facilities as well as a reduction in its annual base management fees. As a result, SMG agreed to provide a \$5 million capital grant to be used for capital repair and replacement, reducing the reliance on state general fund assistance. They also agreed to reduce their annual management fee by \$300,000, creating a savings to the annual LSED operating budget. There is also a cost-of-living reduction from \$400,000 to \$200,000. These changes result in a savings of about \$8 million over the five-year extension of the contract.

A special subcommittee of the LSED was convened to evaluate SMG's proposal. The full board approved the agreement at its meeting on January 23, 2015, and is now asking the IEB for its approval as well.

President Alario asked if it was a fair summary to say that the state would be getting a reduction in the contract of \$300,000 a year, a cost-of-living reduction from \$400,000 that they are cutting in half to \$200,000, which is a considerable savings to the state, and also would be receiving some \$5 million in improvements to either the Superdome or the Arena, or whichever the LSED decides is best. Mr. Forman said that was correct.

Rep. Fannin said he assumed that LSED had an idea of the capital improvements they would like made and asked if the \$5 million would cover those improvements or if the state will then have to contribute to that.

Mr. Forman stated that with a facility of this cost and caliber, they hope the state will never have to build another stadium, so they are constantly investing in and improving the facility. He said they are also in negotiations with others such as Tom Benson and the Saints and the Pelicans seeking contract reductions, but it would not be a fair statement to say they definitely would not come back to the state with capital outlay requests. He said LSED is aware of the financial condition of the state, and this is the first time that they've had private money going back into that facility.

Rep. Fannin remarked that it appears that LSED is willing to contribute \$5 million into a pool for whatever their capital outlay needs may be. Mr. Forman said that was correct, and that they will work with the Commissioner of Administration to identify and manage those needs.

President Alario commented that whatever those needs are, they will go through the normal capital outlay process like everything else.

With no further discussion, Sen. Donahue moved approval; Commissioner Nichols seconded. The motion passed with no objection.

ITEM NO. 4

Mark Moses, director of Facility Planning and Control, presented a funding request from the Franklin Parish Police Jury in which they are requesting \$400,000 to repair the Water Control Structure at Bayou Macon Cut-Off No. 1 in Franklin Parish, which according to the parish was damaged from high water flows during Hurricanes Gustav and Ike, resulting in a condition of imminent failure of the water control structure. Mr. Moses explained that the parish had presented the situation as an emergency. Therefore, he was asking on behalf of the Franklin Parish Police Jury for an appropriation of \$400,000 to make the needed repairs.

Travis McIlwain of the Legislative Fiscal Office provided copies of the LFO's analysis and stated that, based on conversations his office had had with the police jury and their consulting engineers, the LFO was recommending disapproval of the re-quest. In their opinion, the request does not meet the constitutional definition of an emergency. Based on the information received at this point, they agree that the structure has been damaged but has not failed at this point. However, based on Article 7, Section 7(B) of the Constitution, if the U.S. Army Corp of Engineers were to determine that the situation were an impending flood emergency, the police jury could be eligible to receive up to \$250,000 toward repairs.

Sen. Donahue asked how long ago the emergency had occurred. Mr. McIlwain stated that, based on their discussions with the local governmental entity, the police jury didn't learn that this structure had begun to fail until the fall of 2014, that sometime in October is when they were made aware of this issue, which is when they brought in their consulting engineer to review and provide an idea of how much it would cost to repair the damage.

Sen. Donahue asked if the structure is in danger of failure, to which Mr. McIlwain answered yes, it is in imminent failure, based on their conversations with the consultant.

Sen. Donahue asked Mr. Moses to comment as well. Mr. Moses said they also understand that the water control structure is in danger of failure, which would be catastrophic for that area. It would apparently drain a nearby lake.

Even though it doesn't meet the constitutional definition of an emergency according to the LFO, Sen. Donahue asked Mr. Moses if it was his opinion that the situation is obviously an emergency and the money is needed. Mr. Moses said yes, that they had acted on the request as an emergency. He stated that he was not an attorney, but their reading of the constitution indicated that the board could provide funds in the event of an emergency *or* an impending flood event. Again, the entity had submitted its application outlining the situation as an emergency. IEB policy would allow funding to a non-state entity based on a disaster, and the entity had stated the emergency was due to Gustav and/or Ike and high water flows during that time.

Sen. Donahue asked for further definition of the structure. Mr. Moses said it was his understanding that it is a dam that's used to hold water at the lake, but it's a water control structure that can drain at times when the water is high.

Asked by Sen. Donahue when and by whom the structure was built, Mr. McIlwain stated that it was built by the U.S. Army Corps of Engineers in the 1960s and 1970s. The Corps turned the structure over to the local government entity after it was built and has no responsibility to come back if the structure is in imminent danger.

Commissioner Nichols asked Mr. Moses if the parish had the certification by the Corps to be able to award the \$250,000. Mr. Moses stated that they did not. Again, he said, the entity presented it as an emergency and not the impending flood. And the definition of an emergency is that which is not reasonably anticipated by the legislature.

Commissioner Nichols said she believed that IEB policy allows for appropriation for damages caused by a disaster and asked if the parish was asking for disposition relating to a disaster. Mr. Moses replied that they had specifically referenced hurricanes Gustav and Ike in their application. Therefore, under the policy of the IEB, that funding could be granted to a non-state entity generated as a result of the disaster (Gustav and Ike). She asked Mr. Moses if they had been able to determine whether the damage had been caused by those storms. He stated that their office had been unable to determine if the damages were directly caused by those storms because those storms were six years ago. However, neither were they able to say that they were not caused by those storms. Therefore, they thought it best to bring the application for the consideration of the IEB.

Lt. Governor Dardenne stated that he believed the board would be allowed to provide funding if it were for an impending flood emergency that had been determined as such by the Corps of Engineers. Under the circumstances, though, he didn't know if this project would qualify under either provision of the constitution. He added that it wasn't a policy but the constitution that they would have to be guided by, and he didn't see how they could say that this is an event or occurrence not reasonably anticipated. Certainly the storms weren't, but if there is not any correlation between the storms causing the event, then the project would not qualify as an emergency. He asked Mr. Moses if the application had been submitted to him as an impending flood, what his office's position would have been. Mr. Moses responded that he believed they would have agreed with the LFO. He added that, again, his office went down the path of an emergency because that's the way it had been presented to them, and the LFO took the position that it was in impending flood.

Mr. McIlwain said the LFO had taken the position that it did meet the definition of an emergency, but again pointed out the other section of the constitution regarding funding if the Corps agrees that this is an impending flood emergency.

Lt. Governor Dardenne said that was his understanding as well, but in that case, the board would be limited to appropriating \$250,000 and not the \$400,000 requested, which begs the question of what good would \$250,000 do to address the problem and if the entity would be coming back to the state requesting the differential. Mr. Moses responded that it was his understanding that \$250,000 would not complete the project.

President Alario asked if that amount would allow them to have plans drawn up for repairing the structure. He said he believed that whatever repairs needed would first require hiring an engineer to draw up plans. He asked if the parish had the authorization from the Corps now, they would be able to use that \$250,000 for that purpose now.

Mr. McIlwain stated that LFO had determined that \$250,000 would at least allow them to get an engineer started doing some of the work. He agreed with Mr. Moses that it would not get them the full amount they would need to complete the project.

President Alario asked if the parish received the \$400,000 today, would they still not be able to repair the project tomorrow. Wouldn't plans need to be drawn? Wouldn't it still need to go out for bids?

Mr. McIlwain agreed, stating that a number of different items would have to be taken care of before they would be able to start that process.

Rep. Fannin asked if the parish would be able to recover any federal dollars on this project, and Mr. McIlwain stated that there were none that he was aware of.

Lt. Governor Dardenne asked how long it might potentially take the Corps of Engineers to determine it was an impending flood emergency or that it could fail, because the consulting engineers are obviously saying that they think it could fail. Mr. McIlwain replied that it was the LFO's understanding that the consulting engineers are expecting an imminent failure, but as far as he is aware, he didn't believe they had contacted the Corps of Engineers yet.

Mr. Henson asked that it be clarified that it is the LFO's opinion that the project doesn't meet the constitutional requirement with the application as submitted. Mr. McIlwain said that was correct in terms of the definition of an emergency in the constitution.

Mr. Henson asked if it would be possible for the parish to withdraw and resubmit the application asking the board to consider the provision in the constitution for the impending flood, and if so, would they still need that determination by the Corps of Engineers or the Coast Guard and would they still be limited to the \$250,000. Mr. McIlwain confirmed.

Lt. Governor Dardenne said he believes that the board is obligated to defer the matter to see if the parish wants to resubmit, which is a motion he would make.

Commissioner Nichols said she would like to potentially suggest the compromise, following Mr. Henson's comments, could a motion be made to accept the imminent risk reasoning for the \$250,000 pending a resubmission and an appropriate determination by the Coast Guard or the Corps. Mr. Moses said he believed that would be possible.

President Alario said he thought it would probably be best to wait until the parish gets the approval from the Corps of Engineers and then put the item on the board's next agenda. Commissioner Nichols said that would be fine with her.

Lt. Governor Dardenne moved to defer the application with the understanding of going back and trying to work it out with the police jury and the Corp of Engineers to see if it couldn't be resolved through the impending flood provisions of the constitution. The motion passed with no objection.

ITEM NO. 5

Sen. Alario asked Mr. Moses to introduce the 300 priority change items on the agenda, which he understood Mr. Moses was requesting for consideration in globo. Mr. Moses explained that his agency was requesting that a total of \$271,860,800 in Priority 2 be moved to Priority 5, pursuant to R.S. 39:461.4, because the funds will not be needed for cash flow in the current fiscal year.

- 5-1 That \$34,200 of the general obligation bond appropriation for Division of Administration, State Office Buildings Major Repairs, Equipment Replacement, and Renovations, Planning and Construction (Statewide) [01/107 - 1308 on page 7] in Priority 2 be moved to Priority 5.

- 5-2 That \$9,000,000 of the general obligation bond appropriation for Division of Administration, Statewide Roofing, Waterproofing, and Related Repairs and Equipment Replacement Program (Statewide) [01/107 - 1368 on page 8] in Priority 2 be moved to Priority 5.
- 5-3 That \$102,400 of the general obligation bond appropriation for Division of Administration, Capitol Complex Acquisitions, Demolitions, Sitework, Construction and Renovation of Facilities (East Baton Rouge) [01/107 - 1370 on page 8] in Priority 2 be moved to Priority 5.
- 5-4 That \$30,000,000 of the general obligation bond appropriation for Division of Administration, Repair, Restoration and Replacement for Hurricanes Katrina, Rita, Gustav and Ike, Planning, Construction, Renovation, and Acquisition (Statewide) [01/107 - 1372 on page 9] in Priority 2 be moved to Priority 5.
- 5-5 That \$3,564,900 of the general obligation bond appropriation for Division of Administration, Americans With Disabilities Act Implementation for State Facilities, Planning and Construction (Statewide) [01/107 - 1376 on page 14] in Priority 2 be moved to Priority 5.
- 5-6 That \$9,500,000 of the general obligation bond appropriation for Division of Administration, Major Repairs for State Buildings Based on Statewide Condition Assessment, and Infrastructure, Planning and Construction (Statewide) [01/107 - 1377 on page 14] in Priority 2 be moved to Priority 5.
- 5-7 That \$211,200 of the general obligation bond appropriation for Division of Administration, Hazardous Material Abatement Projects (Statewide) [01/107 - 1378 on page 14] in Priority 2 be moved to Priority 5.
- 5-8 That \$699,200 of the general obligation bond appropriation for Division of Administration, Mold Remediation and Indoor Air Quality, Planning and Construction (Statewide) [01/107 - 1379 on page 15] in Priority 2 be moved to Priority 5.
- 5-9 That \$3,000,000 of the general obligation bond appropriation for Division of Administration, Louisiana Cancer Research Center in New Orleans, Planning and Construction (Orleans) [01/107 - 1426 on page 15] in Priority 2 be moved to Priority 5.
- 5-10 That \$902,100 of the general obligation bond appropriation for Division of Administration, State Emergency Shelters (Statewide) [01/107 - 2069 on page 15] in Priority 2 be moved to Priority 5.
- 5-11 That \$86,800 of the general obligation bond appropriation for Division of Administration, New Data Center and Data Replication Center, Planning and Construction (Rapides) [01/107 - 2070 on page 15] in Priority 2 be moved to Priority 5.
- 5-12 That \$684,900 of the general obligation bond appropriation for Division of Administration, Third Street Art Block Project, Development, Organization, Planning and Construction (\$23,925,377 Local Match) (East Baton Rouge) [01/107 - 2071 on page 15] in Priority 2 be moved to Priority 5.
- 5-13 That \$254,000 of the general obligation bond appropriation for Division of Administration, Garyville Roadway Improvements, Planning and Construction (St. John the Baptist) [01/107 - 2074 on page 16] in Priority 2 be moved to Priority 5.

- 5-14 That \$1,629,000 of the general obligation bond appropriation for Division of Administration, Implement Energy Conservation Measures (Statewide) [01/107 - 2124 on page 16] in Priority 2 be moved to Priority 5.
- 5-15 That \$5,300,000 of the general obligation bond appropriation for Division of Administration, Land Acquisition for Mitigation (Richland) [01/107 - 2138 on page 16] in Priority 2 be moved to Priority 5.
- 5-16 That \$2,000,000 of the general obligation bond appropriation for Office of Coastal Protection and Restoration, Lafitte Area Tidal Protection, Planning and Construction (Jefferson) [01/109 - 1092 on page 17] in Priority 2 be moved to Priority 5.
- 5-17 That \$71,700 of the general obligation bond appropriation for Veterans Affairs, Northwest Louisiana War Veterans Home, Planning and Construction (Bossier) [03/130 - 2072 on page 20] in Priority 2 be moved to Priority 5.
- 5-18 That \$8,400,000 of the general obligation bond appropriation for Office of Business Development, Water Conference and Education Center, Planning, Engineering, Design and Construction (East Baton Rouge) [05/252 - 2 on page 21] in Priority 2 be moved to Priority 5.
- 5-19 That \$13,825,000 of the general obligation bond appropriation for Office of Business Development, Capital Improvements Projects to Meet Economic Development Commitments, Planning, Construction, and Equipment (Statewide) [05/252 - 1284 on page 22] in Priority 2 be moved to Priority 5.
- 5-20 That \$8,201,700 of the general obligation bond appropriation for Office of Business Development, Mega-Project Site Preparation, Planning and Construction (Statewide) [05/252 - 1406 on page 22] in Priority 2 be moved to Priority 5.
- 5-21 That \$2,120,000 of the general obligation bond appropriation for Office of State Parks, Camp Atchafalaya, Acquisition, Planning, Design and Construction (St. Martin) [06/264 - 458 on page 24] in Priority 2 be moved to Priority 5.
- 5-22 That \$1,504,900 of the general obligation bond appropriation for Office of State Parks, Bayou Segnette State Park, Land Acquisition, Additional Cabins, Planning and Construction (Jefferson) [06/264 - 474 on page 24] in Priority 2 be moved to Priority 5.
- 5-23 That \$210,900 of the general obligation bond appropriation for Office of State Parks, Bogue Chitto State Park, Land Acquisition, Planning and Construction (Washington) [06/264 - 477 on page 24] in Priority 2 be moved to Priority 5.
- 5-24 That \$66,100 of the general obligation bond appropriation for Office of State Parks, St. Bernard State Park, Planning and Construction - Supplemental (St. Bernard) [06/264 - 479 on page 24] in Priority 2 be moved to Priority 5.
- 5-25 That \$1,500,000 of the general obligation bond appropriation for Office of State Parks, Poverty Point State Historic Site - Museum/Interpretive Center and Observatory - Design, Acquisition, Expansion (West Carroll) [06/264 - 480 on page 25] in Priority 2 be moved to Priority 5.
- 5-26 That \$560,000 of the general obligation bond appropriation for Office of State Parks, Lake D'Arbonne State Park - Event Facility, Planning and Construction (Union) [06/264 - 485 on page 25] in Priority 2 be moved to Priority 5.

- 5-27 That \$268,000 of the general obligation bond appropriation for Office of State Parks, Chemin-a-Haut State Park Acquisition, Planning and Construction of New Group Camp, Vacation Cabins, Visitor Center and Restrooms (Morehouse) [06/264 - 489 on page 25] in Priority 2 be moved to Priority 5.
- 5-28 That \$750,000 of the general obligation bond appropriation for Office of State Parks, Poverty Point Reservoir State Park Group Camp, Conference Center, Site Amenities, Acquisition, Planning and Construction (Richland) [06/264 - 491 on page 25] in Priority 2 be moved to Priority 5.
- 5-29 That \$926,100 of the general obligation bond appropriation for Office of State Parks, Palmetto Island State Park Development, Planning and Construction (Vermilion) [06/264 - 2012 on page 25] in Priority 2 be moved to Priority 5.
- 5-30 That \$72,300 of the general obligation bond appropriation for Office of State Parks, Sam Houston Jones State Park Vacation Cabins and Visitor Center, Planning and Construction (Calcasieu) [06/264 - 2076 on page 25] in Priority 2 be moved to Priority 5.
- 5-31 That \$37,500 of the general obligation bond appropriation for Office of State Parks, Los Adaes State Historic Site, Acquisition, Planning and Construction (Natchitoches) [06/264 - 2077 on page 27] in Priority 2 be moved to Priority 5.
- 5-32 That \$250,000 of the general obligation bond appropriation for DOTD - Administration, LA 930 Reconstruction (Ascension) [07/270 - 861 on page 28] in Priority 2 be moved to Priority 5.
- 5-33 That \$5,270,000 of the general obligation bond appropriation for DOTD - Administration, LA Hwy 616 (Caldwell Road to LA Hwy 143), Planning and Construction (Ouachita) [07/270 - 866 on page 29] in Priority 2 be moved to Priority 5.
- 5-34 That \$2,000,000 of the general obligation bond appropriation for DOTD - Administration, I-10, Calcasieu River Bridge, Environmental, Planning, Engineering, Right of Way, Utilities, Demolition and Construction (Calcasieu) [07/270 - 967 on page 29] in Priority 2 be moved to Priority 5.
- 5-35 That \$3,300,000 of the general obligation bond appropriation for DOTD - Administration, LA 143 to US 165 Connector, Planning, Engineering, Right of Way, Utilities and Construction (Ouachita) [07/270 - 971 on page 30] in Priority 2 be moved to Priority 5.
- 5-36 That \$1,000,000 of the general obligation bond appropriation for DOTD - Administration, Turn Lanes on US 71 for Emergency Vehicle Staging Area, Planning, Engineering, Right of Way, Utilities and Construction (Rapides) [07/270 - 1221 on page 33] in Priority 2 be moved to Priority 5.
- 5-37 That \$1,000,000 of the general obligation bond appropriation for DOTD - Administration, LA 70/LA 22 from I-10 to the Sunshine Bridge, Planning and Construction (Ascension, St. James) [07/270 - 2131 on page 34] in Priority 2 be moved to Priority 5.
- 5-38 That \$1,000,000 of the general obligation bond appropriation for DOTD - Administration, Evaluation of Regional Freeway System Expansion (East Baton Rouge, West Baton Rouge) [07/270 - 2132 on page 33] in Priority 2 be moved to Priority 5.
- 5-39 That \$750,000 of the general obligation bond appropriation for DOTD - Public Improvements, Mississippi River Deepening, Phase 3, Planning, Design,

- Construction, Rights-of-Way, Relocations and Utilities, (Federal Match \$154,500,000) (Ascension, East Baton Rouge, Jefferson, Orleans, Plaquemines, St. Bernard, St. Charles, St. James, St. John the Baptist, West Baton Rouge) [07/274 - 700 on page 35] in Priority 2 be moved to Priority 5.
- 5-40 That \$500,000 of the general obligation bond appropriation for DOTD - Aviation Improvements, New Orleans Airport Authority, Feasibility Study, Interchange Modification Report and Environmental Assessment (Orleans) [07/277 - 2150 on page 38] in Priority 2 be moved to Priority 5.
- 5-41 That \$3,300 of the general obligation bond appropriation for Louisiana State Penitentiary, Fire Marshal, Health Department Violations, Supplemental, Planning and Construction (West Feliciana) [08/402 - 204 on page 38] in Priority 2 be moved to Priority 5.
- 5-42 That \$20,000 of the general obligation bond appropriation for Office of Juvenile Justice, Swanson Center for Youth - Driveways and Parking at Columbia, Planning and Construction (Ouachita) [08/403 - 350 on page 39] in Priority 2 be moved to Priority 5.
- 5-43 That \$1,600,000 of the general obligation bond appropriation for Office of Juvenile Justice, Community Based Program, Juvenile Justice Improvements, Planning, Construction, Renovation, Acquisition, and Equipment (Statewide) [08/403 - 1440 on page 39] in Priority 2 be moved to Priority 5.
- 5-44 That \$ 900 of the general obligation bond appropriation for Office of Juvenile Justice, Major Repairs and Equipment Replacement, Planning and Construction (Statewide) [08/403 - 2058 on page 39] in Priority 2 be moved to Priority 5.
- 5-45 That \$451,400 of the general obligation bond appropriation for David Wade Correctional Center, Water Well Water Treatment Plants, Planning and Construction (Claiborne) [08/414 - 2079 on page 40] in Priority 2 be moved to Priority 5.
- 5-46 That \$285,000 of the general obligation bond appropriation for Office of Aging and Adult Services, Repair and Upgrade to Sewer System, Planning and Construction (East Feliciana) [09/320 - 888 on page 41] in Priority 2 be moved to Priority 5.
- 5-47 That \$175,000 of the general obligation bond appropriation for Office of Mental Health, Replace Steam Lines/Asbestos Removal, Planning and Construction (East Feliciana) [09/330 - 543 on page 42] in Priority 2 be moved to Priority 5.
- 5-48 That \$400,000 of the general obligation bond appropriation for Eastern Louisiana Mental Health System, Oakcrest Sprinkler System (East Feliciana) [09/332 - 1977 on page 43] in Priority 2 be moved to Priority 5.
- 5-49 That \$2,453,200 of the general obligation bond appropriation for Eastern Louisiana Mental Health System, Fire Alarm System Replacement for Ten Buildings, Planning and Construction (East Feliciana) [09/332 - 2010 on page 43] in Priority 2 be moved to Priority 5.
- 5-50 That \$250,400 of the general obligation bond appropriation for Eastern Louisiana Mental Health System, Replacement of Emergency Generators

- (East Feliciana) [09/332 - 2081 on page 43] in Priority 2 be moved to Priority 5.
- 5-51 That \$523,700 of the general obligation bond appropriation for Southeast Louisiana Hospital, Fire Alarm System Upgrade Replacement, Planning and Construction (St. Tammany) [09/333 - 2082 on page 44] in Priority 2 be moved to Priority 5.
- 5-52 That \$1,117,000 of the general obligation bond appropriation for North Lake Supports and Services Center, Installation of Sprinkler Systems/Protection of Beams (Tangipahoa) [09/344 - 529 on page 44] in Priority 2 be moved to Priority 5.
- 5-53 That \$1,000,000 of the general obligation bond appropriation for North Lake Supports and Services Center, Replacement of Underground High Temperature Hot Water System, Planning and Construction (Tangipahoa) [09/344 - 1975 on page 45] in Priority 2 be moved to Priority 5.
- 5-54 That \$452,300 of the general obligation bond appropriation for North Lake Supports and Services Center, Replacement/Upgrade of Emergency Generators for Client Homes (Tangipahoa) [09/344 - 2083 on page 45] in Priority 2 be moved to Priority 5.
- 5-55 That \$ 200 of the general obligation bond appropriation for Natural Resources - Office of the Secretary, Atchafalaya Basin Protection and Enhancement (Federal Match and Local/Sponsor Match) (Assumption, Avoyelles, Iberia, Iberville, Pointe Coupee, St. Landry, St. Martin, St. Mary) [11/431 - 287 on page 45] in Priority 2 be moved to Priority 5.
- 5-56 That \$640,000 of the general obligation bond appropriation for Office of Wildlife, Woodworth Central Office Complex (Rapides) [16/513 - 736 on page 46] in Priority 2 be moved to Priority 5.
- 5-57 That \$270,000 of the general obligation bond appropriation for Office of Wildlife, Monroe Headquarters, District 2, Planning and Construction (Ouachita) [16/513 - 816 on page 47] in Priority 2 be moved to Priority 5.
- 5-58 That \$500,000 of the general obligation bond appropriation for LSU Baton Rouge, Fire and Emergency Training Institute (East Baton Rouge) [19/601 - 1996 on page 50] in Priority 2 be moved to Priority 5.
- 5-59 That \$155,800 of the general obligation bond appropriation for LSU Baton Rouge, Music and Dramatic Arts Facilities Renovation and Addition, Planning and Construction (East Baton Rouge) [19/601 - 2084 on page 50] in Priority 2 be moved to Priority 5.

- 5-300 That \$1,920,000 of the general obligation bond appropriation for East Carroll School Board, Administration Building, Acquisition and Renovation, Planning and Construction (East Carroll) [50/S18 - 2068 on page 185] in Priority 2 be moved to Priority 5

Mr. Henson asked Mr. Moses if by making this move, they would not be taking away the opportunity to complete work that is already in the pipelines that will need a cash line of credit. Mr. Moses replied that they would not; that these changes were being requested for projects that they did not expect to need the cash flow this year and that the remaining money that is being moved to P5 would be available in future years.

Speaker Kleckley moved to approve, Sen. Donahue seconded. The motion passed with no objection.

ITEM NO. 6

Mr. Moses explained that this item was a request by the Department of Transportation and Development that the agency for the project for “Highway 397 in Calcasieu Parish, North and South Turning Lanes and Rail Spur at Farmer’s Rice Mill, Planning and Construction (Calcasieu)” (07/270-993 on page 30) in the amount of \$400,000 Priority 1 general obligation bond funding be changed to 36/P26 Port of Lake Charles/Lake Charles Harbor and Terminal District. He stated that DOTD was unable to complete the project that was needed, but the Port of Lake Charles was willing and able to do so. Therefore, he asked the board to approve.

Speaker Kleckley moved for approval. The motion passed with no objection.

ITEM NO. 7

Mr. Moses explained that this application was a request by the Lafayette City-Parish Government that the agency for the project for “Lafayette Central Park Improvements, Planning and Construction (Lafayette) (50/J28-881 on page 94 [FPC No. 50-J28-14-01])” in the amount of \$750,000 Priority 2 general obligation bond funding and \$9,250,000 Priority 5 general obligation bond funding be changed to Lafayette Central Park, Inc. (a 501(C)(3) non-profit corporation). He further explained that the nonprofit was created specifically to run the park, and that they would be better suited to work with the state on the successful completion of the project.

President Alario asked Mr. Moses if he felt his agency could work closely with the nonprofit to get the project done, and Mr. Moses said they could.

Sen. Donahue moved for approval; Speaker Kleckley seconded. The motion passed with no objection.

ITEM NO. 8

Mr. Moses explained that this item was a request by the Department of Culture, Recreation and Tourism, Office of State Parks that the agency for the project for “Camp Atchafalaya, Acquisition, Planning, Design and Construction (St. Martin) (06/264-458 on page 24 [FPC No. 06-264-14-01])” in the amount of \$3,900,000 Priority 2 general obligation bond funding and \$51,730,000 Priority 5 general obligation bond funding be changed to Louisiana Swamp Base, Inc. (a 501(C)(3) non-profit organization) and expand the scope to a multipurpose facility that serves the general public as well as the disabled population.

Lt. Governor Dardenne commented that this project had been in the works for quite some time and had originally been a Boy Scouts project, but was now expanding into an even greater project that better meets the needs of the community.

Lt. Governor Dardenne moved for approval. It was seconded by Speaker Kleckley. The motion passed with no objection.

ITEM NO. 9

Mr. Moses explained that this item was a request by the Secretary of State that the scope of the description of its project, "Tioga Heritage Park and Museum, Planning and Construction (Rapides) (04/139-1149 on page 21 [FPC No. 04-139-14-01])" in the amount of \$50,000 Priority 2 general obligation bond funding be adjusted as provided in R.S. 39:461.9, to revise the project description to include structural repairs to the building necessary to stabilize the building to support the roof. He further explained that the project had originally been planned to repair the roof. However, in planning for the repairs, they learned that the structure itself could not bear the load of a new roof. Therefore, they were requesting that the scope be expanded to include repairs to stabilize the building.

Rep. Fannin moved to approve; Sen. Donahue seconded. The motion passed with no objection.

ITEM NO. 10

Mr. Moses explained that this was a request by the City of Westwego that the scope of the description of its project, "Performing Arts Center/Community Center Phase III, IV, and Equipment (Jefferson) (50-MV4-1228) on page 152 [FPC No. 50-MV4-05B-06])" in the amount of \$150,000 Priority 2 general obligation bond funding and \$250,000 Priority 5 general obligation bond funding in addition to the previously authorized \$555,000 Priority 1 be adjusted as provided in R.S. 39:461.9 to acknowledge the entire scope of the project and revise the title to "Performing Arts Center/Community Center Renovations, Planning, Construction and Equipment."

Sen. Donahue moved for approval; Speaker Kleckley seconded. The motion passed with no objection.

ITEM NO. 11

Mr. Moses explained that this was a request by the Town of Hornbeck that the scope of the description of its project, "Compressed Natural Gas Fueling Station (Vernon) (50/MD1-388) on page 126 [FPC No. 50-MD1-14-01])" in the amount of \$700,000 Priority 2 general obligation bond funding and \$950,000 Priority 5 general obligation bond funding be adjusted to revise the project description to include improvements to the compressed natural gas system needed for the expansion of the system and the project title to "Improvements to the Compressed Natural Gas System, Planning and Construction."

Rep. Fannin moved for approval; Sen. Donahue seconded. The motion passed with no objection.

ITEM NO. 12

Mr. Moses presented a request by the Town of Rayville that the scope of the description of its project, "Water Service Facilities for Franklin Farms Mega Site, Planning and Construction (Richland) (50/MO9-1244) on page 142 [FPC No. 50-MO9-14-02])" in the amount of \$4,000,000 Priority 2 general obligation bond funding be adjusted to revise the project description to include improvements to the water service facilities to encourage economic development in the Rayville area and the project title to "Water Service Facilities for Economic Development, Planning and Construction."

Rep. Fannin moved for approval; Sen. Donahue seconded. The motion passed with no objection.

ITEM NO. 13

Last, Mr. Moses presented a request by the Iberia Economic Development Authority that scope of the description of its project, "Progress Point Business Park and Airport Gateway, Land Acquisition (Iberia) (50/NPD-1812) on page 174 [FPC No. 50-NPD-12-01]" in the amount of \$50,000 Priority 2 general obligation bond funding and \$560,000 reauthorized Priority 1 general obligation bond funding be adjusted to revise the project description to include planning and development and the project title to "Progress Point Business Park and Airport Gateway, Land Acquisition, Planning and Construction."

Mr. Henson moved for approval; Sen. Donahue seconded. The motion passed with no objection.

With no other business before the board, Sen. Donahue moved to adjourn, which passed with no objection. The meeting was adjourned at 1:35 p.m.

Respectfully submitted,

A handwritten signature in blue ink that reads "Sue Israel". The signature is written in a cursive, flowing style.

Sue Israel, Secretary
