13 revetment mats are scheduled to be delivered Tuesday, December 10th. He stated that the
14 repair of the 14th Green Seawall at the Golf Course is now completed. He stated that Joey
15 Cartinez and crew have been clearing underbrush at Site 7A-San Miguel and have been
16 cleaning and filling in low areas for parking at Blue Lake boat ramp. He stated that the
17 maintenance crew had been putting up the Christmas lights and decorations getting
18 Cypress Bend Park ready for the holiday season. **SRD:** He stated that the Capital Project
19 #15-Meter Upgrade had some issues with being allowed access to the plants that are
20 serviced by the diversion canal has moved forward. He stated that Randy Brewer and
21 crew have finished the second round of mowing the levee system as well as repaired two
22 leaks in the levee system- one bad irrigation gate and the other a small seepage. He
23 stated that the crew also installed all the culverts on the intake canal levee. He stated that
24 Project #7-Upgrade of the SCADA System is installed and John from the Toledo Bend
25 Office has been working the representative with Sycon to transfer data.

26 **Financial Report:** Mrs. Ferguson stated that so far the Christmas Lights
27 Visitation has seen approximately 1,700 people which arrived in 415 cars paying the \$10
28 fee which is a total of \$4,150.00. She reminded the Board members that the displays
29 would shine brightly until December 29th every Thursday through Sunday with Santa
30 Claus visiting the park on Fridays and Saturdays. She stated that the office would be
31 closed for the Christmas holiday December 24th though the 26th and for the New Year's

1 holiday December 31st and January 1st. She stated that for the Diversion Canal Division
2 totals for October showed revenues of \$719,382.10, expenses of \$288,305.68 leaving a
3 profit of \$431,076.42. She stated that the Toledo Bend Division revenues were
4 \$305,340.40, expenses were \$545,081.51 showing a loss of \$239,741.11. Mr.
5 Goodeaux moved, seconded by Mr. Jeane to approve staff reports as circulated and
6 presented. Motion carried unanimously.

7 SPECIAL REPORTS: None.

8 PUBLIC COMMENTS: None.

9 OLD BUSINESS: Item #1-Review Handout of Proposed By-law changes for
10 January Vote: Tabled until January 2025 meeting.

11 NEW BUSINESS: Item #1-Discuss Purchase Surge Protection Equipment
12 for Pump Station #4 & Item #2-Emergency Repair of By-pass Pump at Pump
13 Station #4: Mr. Remedies stated that staff is requesting to purchase the necessary surge
14 protection equipment for the system at Pump Station #4 from the Major Repair Budget
15 item "Repair Levee from erosion, animal dens, seepages and leaks". He stated that there
16 have been several lighting strikes at this location and with the installation of the new
17 diesel pumps, it would protect the equipment preventing any down time. He stated that
18 the cost of the equipment \$20,911.00. He stated that he would like to discuss a sensor the
19 needs to replace at Pump Station #3 and #4. He stated that the sensor in question gives
20 heat/cool data and they are not in working order at this time. He stated that the screens
21 would also be replaced/repair at the same time. He stated that the total cost of this item is
22 \$19,020.00 for these repairs. He stated that the total cost of the two items would be
23 \$39,931.00. Mr. Goodeaux moved, seconded by Mr. Vidrine to approve the
24 purchase of surge protection equipment for Pump Station #4 and to approve the
25 repair of the sensors for Pump Station #3 and #4 with both items costing \$39,931.00
26 to be paid from Major Repairs item "Repair levee from erosion, animal dens,
27 seepages and leaks". Motion carried unanimously.
