RESOLUTION

WHEREAS, the Non-Flood Protection Asset Management Authority (“Management Authority”) is a political subdivision of the State of Louisiana and the governing authority of the non-flood protection assets of the Orleans Levee District (“District”);

WHEREAS, the Management Authority manages, operates and administers the New Orleans Lakefront Airport, which is a non-flood protection asset owned by the Orleans Levee District, located on the south shore of Lake Pontchartrain in the Parish of Orleans, State of Louisiana, (“Airport”);

WHEREAS, the Management Authority and the Orleans Levee District are the Public Sponsors of the Airport for Louisiana Department of Transportation and Development, Aviation Division (“LADOTD”) and U.S. Department of Transportation, Federal Aviation Administration (“FAA”) grant funding;

WHEREAS, the LADOTD and the FAA provide grant funding, either jointly or separately, for the purpose of effecting capital improvements to airports, and these grants are awarded in response to formal applications submitted by the public sponsors of airports;

WHEREAS, the Management Authority and the District submitted a Project Application to the FAA, for a grant of Federal funds for a project at the Airport identified as the “Lakefront Airport Mill and Overlay Runway Project for Runway 18R/36L” (the “Project”);

WHEREAS, the FAA will provide up to 90% of the necessary funding and the LADOTD will provide up to 10% of the necessary funding for this Project;

WHEREAS, the FAA has approved this Project for the Airport and issued a Grant Offer for the Project identified as Airport Improvement Program (AIP) Project No. 03-22-0038-032-2019 (the “Grant Offer” and “Grant Agreement”);

WHEREAS, for the Grant to be valid and in order to properly enter into this Grant Agreement with the FAA, the Management Authority must adopt a resolution to accept the Grant Offer, and provide the Certificate of the Sponsor’s Attorney required to be signed under the conditions of the Grant Offer; and,

WHEREAS, the Management Authority has resolved that it is in the best interest of the Airport to accept the Grant Offer for this Project in accordance with all of the terms and conditions in the Grant Offer.

THEREFORE, BE IT HEREBY RESOLVED, that the Management Authority, on its behalf and on behalf of the Orleans Levee District, as the Public Sponsors of the Airport, accepts the Grant Offer for the Project identified as Airport Improvement Program (AIP) Project No. 03-22-0038-032-2019 , and ratifies and adopts all assurances, statements, representations, warranties, covenants, and agreements in the Project Application and incorporated in the Grant Offer and agrees to comply with all terms and conditions in the Grant Offer and Project Application.

BE IT FURTHER HEREBY RESOLVED, that the Management Authority Chairman or Executive Director be and is hereby authorized to accept and sign the Grant Offer for the Project identified as Airport Improvement Program (AIP) Project No. 03-22-0038-032-2019 and any other documents necessary to carry out the above.

BE IT FURTHER RESOLVED, that the Management Authority’s Legal Counsel be and is hereby authorized to sign the Certificate of Sponsor’s Attorney required to be signed under the terms and conditions of the Grant Offer.

RESOLUTION

WHEREAS, the Non-Flood Protection Asset Management Authority (“Management Authority”) is a political subdivision of the State of Louisiana and the governing authority of the non-flood protection assets of the Orleans Levee District (“District”);

WHEREAS, the New Orleans Lakefront Airport is one of the non-flood protection assets of the District under the management and control of the Management Authority (the “Airport”);

WHEREAS, the Management Authority and the Orleans Levee District are co-sponsors of the Airport for Federal and State grant funding for projects at the Airport;

WHEREAS, the Management Authority and the District submitted a Project Application to the United States Department of Transportation and Development, Federal Aviation Administration (“FAA”) for a grant of Federal funds for a project at the Airport identified as the “Lakefront Airport Mill and Overlay Runway Project for Runway 18R/36L,” with a Louisiana DOTD Aviation match grant (the “Project”);

WHEREAS, the Management Authority issued an advertisement for bids for the Project in accordance with the provisions of the Louisiana Public Bid Law in March of 2019 and the advertisement provided that bids must be received by no later than 10:00 a.m. o’clock on May 24, 2019;

WHEREAS, the FAA requires that bids for the Project be received before it will approve the grant funding for the Project;

WHEREAS, this Project needs to be started as soon as practicable because it will close the main runway at the Airport for at least one month and the best time for such a lengthy closure of the runway would be during the summer months of July and August;

WHEREAS, Louisiana Public Bid Law requires that the contract for this Project be awarded to the lowest responsible and responsive bidder, as provided under Section 2212 of Title 38 of the Louisiana Revised Statutes;

WHEREAS, the Board Meeting in May of 2019 will be held on May 23rd, which is one day before the date for the submission of bids on May 24th;

WHEREAS, the Airport Committee of the Management Authority at its meeting held on May 14, 2019 considered a motion to recommend that the Board delegate the authority to the Executive Director to enter into a contract with the lowest responsible and responsive bidder for the Project, subject to the recommendation and concurrence of the Director of Operations and Engineering of the Management Authority, and voted unanimously to recommend to the Management Authority adoption of such a resolution; and,

WHEREAS, the Management Authority resolved that it was in the best interest of the Orleans Levee District and the Airport to delegate to the Executive Director the authority to enter into a contract with the lowest responsible and responsive bidder for the Project, subject to the recommendation and concurrence of the Director of Operations and Engineering.

NOW, THEREFORE, BE IT HEREBY RESOLVED, that the Non-Flood Protection Asset Management Authority delegates to the Executive Director of the Management Authority the authority to enter into a contract with the lowest responsible and responsive bidder for the Lakefront Airport Mill and Overlay Runway Project for Runway 18R/36L, subject to the recommendation and concurrence of the Director of Engineering and Operations of the Management Authority.

May 23, 2019

- 5) Motion to approve Second Amended Authorization and Permit for and right of Entry for Construction and Maintenance of the Hibernian Memorial in the New Basin Canal Park.

RESOLUTION

WHEREAS, the Non-Flood Protection Asset Management Authority (“Management Authority”) is a political subdivision of the State of Louisiana and the governing authority of the non-flood protection assets of the Orleans Levee District (“District”);

WHEREAS, one of the non-flood protection assets owned by the District is the former location of the New Basin Canal which is now part of the neutral ground between Pontchartrain Boulevard and West End Boulevard in the City of New Orleans;

WHEREAS, the construction of the New Basin Canal began in 1832 and was completed in 1838 and the manual labor for building the Canal was performed primarily by Irish immigrants;

WHEREAS, the former Board of Commissioners of the Orleans Levee District authorized the construction of a memorial monument (the “Irish Memorial”) and park, known as the New Basin Canal Park (the “Park”), which was completed and dedicated in November of 1990;

WHEREAS, the Ancient Order of Hibernians of Louisiana, Inc., a Louisiana non-profit corporation (“Ancient Order of Hibernians”), proposed to expand and make improvements at the Irish Memorial in the Park;

WHEREAS, the Management Authority in February, 2014 approved the issuance of a Permit to the Ancient Order of Hibernians for the construction and maintenance of the Hibernian Memorial in the Park;

WHEREAS, the Ancient Order of Hibernians secured funding for Phase I of the expansion of the Irish Memorial, consisting of grading the premises and the construction of certain sidewalks in the Park and also submitted plans and specifications for approval of the construction of Phase I to the Management Authority as required under the Permit;

WHEREAS, the Management Authority approved by Resolution adopted in February of 2018 an Amended Authorization and Permit, which among other things extended the term of the Permit for a period of ten (10) years;

WHEREAS, the Permit provides in Article 5 that the construction work for the Memorial was to be completed by February 28, 2019;

WHEREAS, the Ancient Order of Hibernians requested that the completion date for the construction work of the Memorial be extended by two (2) years through February 28, 2021;

WHEREAS, the Recreation/Subdivision Committee considered this request at the Committee Meeting held on May 14, 2019 and voted to recommend approval of this request to amend the Permit; and,

WHEREAS, the Management Authority after considering the recommendation of the Recreation/Subdivision Committee resolved that it was in the best interest of the Management Authority to approve the request to amend the Permit as set forth above.

NOW THEREFORE BE IT HEREBY RESOLVED, that the Non-Flood Protection Asset Management Authority approves an amendment to the Permit for and Right of Entry for Construction and Maintenance of the Hibernian Memorial in the New Basin Canal Park extending the completion date for the construction of the Hibernia Memorial in the New Basin Canal Park to February 28, 2021;

11.) Motion authorizing the Executive Director to execute an agreement with the Louisiana Department of Transportation and Development (LADOTD) for Project H.013754 Drainage Repair Phase I.

RESOLUTION NUMBER: 11-052319

MAY 23, 2019

The following resolution was offered by Fierke and seconded by Watters

RESOLUTION

A resolution authorizing the Executive Director to execute an Agreement with the Louisiana Department of Transportation and Development (LA DOTD) for improvements at the New Orleans Lakefront Airport.

WHEREAS, Act 451 of the 1989 Regular Session of the Louisiana Legislature authorized the financing of certain airport improvements from funds appropriated from the Transportation Trust Fund; and

WHEREAS, the Non-Flood Protection Asset Management Authority has requested funding assistance from the LA DOTD to/for Drainage Repairs Phase I; and

WHEREAS, the stated project has been approved by the Louisiana Legislature and the LA DOTD is agreeable to the implementation of this project and desires to cooperate with the Non-Flood Protection Asset Management Authority according to the terms and conditions identified in the attached Agreement; and

WHEREAS, the LA DOTD will provide the necessary funding for the Drainage Repairs Phase I and reimburse the sponsor up to \$370,378.00 of project cost; and

WHEREAS, this Agreement replaces the Agreement previously sent on October 30, 2018 which was rescinded as of notification provided on April 17, 2019 by LADOTD per request of the Non-Flood Protection Asset Management Authority.

Whereas, this resolution supersedes Board Resolution No. 04-112918, dated November 29, 2018.

NOW THEREFORE, BE IT RESOLVED by the Non-Flood Protection Asset Management Authority that it does hereby authorize the Executive Director to execute an Agreement for the project identified as SPN H.013754, more fully identified in the Agreement attached hereto; and to execute any subsequent related documents, including, but not limited to, amendments to said agreement.

This resolution shall be in full force and effect from and after its adoption.
