### **Review of SATC Charge**

Chair Matt Lee stated the SATC charge and opened the floor for discussion on how this Council will continue its work in the future. Rene Cintron stated that he would like to see the Council enhance the way students transfer between in-state institutions. He explained that with all the new technology that has developed since the creation of this Council, there is more opportunity for more automation. Chair Lee echoed Mr. Cintron's sentiment and added that he would like to see a growth in online learning and transfer activity in the state. Mr. Cintron mentioned that there should be more reliance on PLA (Prior Learning Assessment). He spoke to developing and the transferring of a "comprehensive learning record", which would include a student's PLA, PLE (Prior Learning Experience) and non-credit earnings. Ms. Janet Newhall volunteered to do some research the best practices for the transferring of PLA and PLE.

### **Transfer Articulation Matrix and Common Course Catalog**

A discussion centered around general education courses listed on the existing of articulation matrix and the need to now look at adding technical courses as well as JumpStart courses. Lupe Lamadrid stated that she would get in contact with LDOE to get a list of Jumpstart courses. This led to a discussion of a common course catalog. It was mentioned that it would be helpful and beneficial that all courses listed on the matrix have common/ correct CIP codes. Dr. Lamadrid said that she would get with the BoR IR staff to compile a list courses and their current CIP codes
