<u>Guest List</u> Appendix A Board of Regents' Chairman, Mr. W. Clinton Rasberry, opened the meeting by stating that the goal of the meeting was to consider the recommendation for the distribution model. He further stated that he was extremely pleased by the work that has been done; and there has been significant progress made since the last WISE Council meeting thanks to the contributions of all staff involved and the on-going work group meetings. He also stated that it is important to maintain a spirit of collaboration as we go forward, reminding the Council that we are still in the beginning stages of this work, and there will be even more conversations in the future.

Approval of the minutes of August 25, 2014

On motion of Member Curt Eysink, seconded by Member King Alexander, the WISE Council voted unanimously to approve the minutes of August 25, 2014.

Approval of the Recommendation of Distribution Model developed in accordance with Act 803, 2014 Regular Session

On motion of Member Stephen Moret, seconded by Member Sandra Woodley, the WISE Council voted unanimously to approve the distribution model in accordance with Act 803, 2014 Regular Session as presented.

Next Steps

Ms. Barbara Goodson stated that a preliminary CDBG application was submitted last month and has been received with comments, but more data from the systems is needed to complete the application for WISE funds. She suggested that a group comprised of a representative from each of the four systems, Department of Economic Development, and the Workforce Commission be convened to develop a final application. Ms. Goodson stated that a WISE Council timeline calendar was included in each member's packet, containing dates of all System board meetings which would be helpful in determining the next meeting date. She added that there is still a lot of work to do; and as implementation plans are developed and approval by the management boards, the WISE Council and the Board of Regents will meet to approve plans as soon as possible. She added that staff is working to develop an online submission system that will allow authorized users to upload and disseminate the plans to the Council once approved by the management board or system designee.

Other Business

No other business was discussed.

Adjournment

There being no further business to come before the WISE Council, the meeting was adjourned at 4:45 p.m.
