None.

Discussion regarding possible revisions to the Regulations of the Louisiana Cemetery Board contained in Title 46, Part XIII, and to consider recommendations to the Louisiana Cemetery Board for amendments thereto.

The Director noted that state law required all Boards and Commissions in the State of Louisiana to review all current laws and regulations within five years and to make amendments thereto as necessary. The director provided all of the Committee members with proposed amendments to the Regulations of the Louisiana Cemetery Board, after consultation with the Louisiana Department of Justice and Special Counsel. After reviewing in detail, the proposed amendments to the Regulations, Ms. Holloway moved to recommend the proposed Amendments to the Louisiana Cemetery Board at its November 2025 meeting, for consideration and possible approval. The Motion was seconded by Ms. Patin and unanimously approved by the Committee members.

Since there was no further business, Ms. Patin made a motion to adjourn, seconded by Ms. Holloway and was unanimously approved by the Committee.
