

LDEQ ANSWERS TO PROPOSERS QUESTIONS
RFP No. 3000014407
“Microgravimetric Weighing of PM 2.5 Filters”

LDEQ’s answers to the following questions are intended to provide information to potential proposers’ questions to RFP No. 3000014407.

Questions and answers that may potentially result in the disclosure of information from proposals of competing bidders will not be published.

Question 1: RFP 1.6.3 Blackout Period: Please clarify that the blackout period pertains only to this RFP and not to communications with LDEQ technical staff for current work or Louisiana State procurement staff for the execution of other contracts in the process of execution.

LDEQ’s answer: RFP Section 1.6.3, Blackout Period, paragraph two states, “In those instances in which a prospective proposer is also an incumbent contractor, the State and the incumbent contractor may contact each other with respect to the existing contract only.”

Communications with LDEQ technical staff for current work or Louisiana State procurement staff for the execution of other contracts in the process of execution is allowed.

All other communications to and from potential Proposers, bidders, vendors and/or their representatives during the blackout period must be in accordance with this solicitation’s defined method of communication with the designated contact person, as stated in RFP Section 1.6.2, Proposers Inquires.
