TECHNICAL SPECIFICATIONS FOR
TRAILER, TANDEM AXLE, DUMP-BED, 10,000#
GVWR

SERIES NO. 260-000

Equipment Specification 260-000T

WARNING TO BIDDERS:

Bidder should complete every item described in detail in the "Specification Descriptions" section by either entering a check mark in the space provided to indicate the item being bid is exactly as specified or bidder should enter a written description to indicate any proposed item which will deviate from the specifications.

THIS SPECIFICATION SHOULD BE EXECUTED IN ACCORDANCE WITH THE ABOVE INSTRUCTIONS AND RETURNED ALONG WITH BID AND LITERATURE TO BE CONSIDERED FOR AN AWARD.

ITEM I/D	SPECIFICATION DESCRIPTIONS	BIDDER'S PROPOSAL
General	<p>These specifications describe the minimum requirements for a TANDEM AXLE, 10,000# GVWR DUMP-BED TRAILER. <u>Any proposed value that is less than a minimum requirement will not be accepted.</u></p> <p>This equipment shall be new, a production model of current manufacture, and must meet all state and Federal safety standards in effect at time of delivery.</p> <p><u>Any additions, deletions, or variations from the following specifications should be noted in the Bidder's Proposal.</u> Any items appearing in the manufacturer's regular published specifications furnished by the Bidder are assumed to be included in the "Bidder's Proposal." <u>Any additions, deletions or variations from the manufacturer's regular published specifications should be outlined in an attached letter.</u></p>	
Typical Specifications	<p>A Performance Trailers model HD7210, with appropriate options, was used to develop these specifications.</p> <p>Equipment of similar style, type, character, quality, features, and purpose conforming to the following detailed requirements/specifications will be considered. To that end and prior to award, the vendor must provide upon request any necessary manufacturer information (catalogue sheets, detailed specifications, pictures, etc.) for any of the exceptions taken on the bid proposal. This information will be evaluated to determine if the aforementioned exception(s) are equivalent.</p> <p>These specifications used the standard options/features of the above listed items as the basis and minimum requirements for establishing equivalency.</p>	

ITEM I/D	SPECIFICATION DESCRIPTIONS	BIDDER'S PROPOSAL
Workmanship	<p>Any unit delivered under this specification is subject to rejection if there is evidence of poor workmanship, by either the vendor or the original manufacturer. Any defect/nonconformity, so noted, may be corrected by the vendor to the satisfaction of the Equipment Engineer or his representative. All defect/nonconformity corrections must be completed before invoices can be processed for payment.</p> <p>Vendor installation of any portion of equipment unit(s) should be stated in "Bidder's Proposal". Failure to note such installations can result in rejection of the unit(s) at the time of delivery.</p> <p>Note: Bidder shall have a facility in the State of Louisiana with properly trained technicians plus all other resources necessary to perform warranty service on the truck chassis portion of this piece of equipment. All such service must be performed in complete accordance with the truck manufacturer's requirements, and a letter to certify this ability may be required.</p>	
Note	All Values listed below are minimums unless noted.
