**ADDENDUM #3**

April, 9, 2020

**RE: International Student Health Insurance (50012-457-20)**

Additional Questions and Answers as listed below:

Please clarify if Louisiana Tech is looking for a proposal that does not exclude benefits for pre-existing conditions OR if a 6 month exclusion for pre-existing conditions (waived with continuous coverage) would be preferred: **A 6 month exclusion for pre-existing conditions (waived with continuous coverage) is required.**

Who is holding the current bond? **The current bid bond was issued by Wellfleet (our current vendor).**

Is the bid bond amount based on last year's premium or the expected amount of the first year's premium? **The bid bond shall be for five (5) percent of the total premiums paid for the year 2019-2020 which is \$386,201.00.**

Must the bid bond be provided with the bid submission or can it be provided if awarded the contract? **The bid bond must be submitted with the bid. If a bid is submitted without a bid bond included in the sealed bid, the bid cannot be accepted.**

If your bid has already been submitted without all of the information required from all Addenda issued, please re-submit your bid. Clearly state on the front of the bid envelope "REVISED BID" when re-submitting.

All other specifications remain unchanged.
