

| Instructions |
|---|
| 1) Complete the checklist for each line, indicating whether the vehicle bid meets the specifications exactly. Any deviations from the specifications must be indicated in the Notes section. |
| 2) In the space provided on the Price Sheet, complete the bid price, make, and model of the vehicle, special equipment, and optional powertrain. All Special Equipment Pricing must be included in the Vehicle Unit Price. Optional Powertrain Pricing shall not be included in the Vehicle Unit Price. |
| 3) Award shall be made based on the lowest Vehicle Unit Price meeting the specifications for lines 1-10. |
| 4) In the space provided on the Published Options List, enter the cost to add each option to each vehicle type, if available. |
