- Veterans Boulevard intersection with Severn Avenue beginning approximately 150 linear feet west of the intersection and extending approximately 2,150 linear feet to the east.
- Veterans Boulevard intersection with Bonnabel Boulevard beginning approximately 200 linear feet west of the intersection and extending approximately 3,000 linear feet to the west. This site includes the center planted island of Veterans Boulevard at Bonnabel Boulevard.
- Veterans Boulevard intersection with Lake Avenue and extending approximately 300 linear feet to the east.

1.1.1.4 Unimproved Location – Unimproved location refers to the remaining areas along the site that do not contain decorative landscape items. The majority of these locations will include the canal flats located on either side of an open drainage canal. However, these locations do include turf medians as well as additional trees planted within these turf areas.

1.1.1.5 Median – The entire area between the back of curb of opposing multiple travel lanes. For example: A boulevard has two one-direction lanes traveling north and two one-direction lanes traveling south. The lanes are divided by an area 50' wide as measured from the back of curb of the north bound lanes to the back of curb of the southbound lanes. This 50' area is the median.

1.1.1.6 Repair/Replacement – A list of common incidental repair items is included with this bid. All bidders shall price the incidental items on the bid form for the possibility of providing and installing the items during the life of the contract. There is no minimum or maximum quantity of each item that may be required during the contract. Each item, if required during the contract, will be invoiced in addition to the monthly invoice. All items will require prior approval from Jefferson Parish before being purchased and installed. Whenever possible, the contractor shall supply the same manufacturer and product number of any incidental items he repairs/replaces. All incidentals item pricing shall include all freight, taxes, labor, tools and supplies to properly install each item.

Any additional repair and or replacement not included on the incidental line items sheet, including all associated labor, delivery charges and taxes, shall be approved by Jefferson Parish prior to that repair taking place. The Contractor shall provide a written description of the work to be performed and included all pricing for approval by Jefferson Parish prior to performing the work.

1.1.1.7 Liquidated Damages – Some scheduled maintenance items within the required specifications must be completed within a designated time frame. These schedules are important to the overall appearance of the Site. Once a certain task begins, the Contractor will have a set number of calendar days to complete the task to the satisfaction of the Jefferson Parish Parkways Department. As designated within certain tasks, liquidated damages may be assessed in an amount of \$200.00 per calendar day for each day that the task remains incomplete. For example, mulch placement must be complete within seven (7) calendar days. If the Contractor takes nine (9) calendar days to complete the task, he may be penalized up to \$400.00 for the delayed completion.
