Addendum No: (1)

Bid No: 40006-093
Bid Name: Flooring Maintenance and Repair
Opening Date: October 20, 2020 at 2:00PM CST

Addendum No: 1
Date Issued: October 12, 2020

This addendum is hereby officially made a part of the referenced solicitation. The questions submitted have been answered and specifications clarified as follows.

1. Even if low on the service contract, the bid documents state on page 23 "The College Repr. reserves the right to separately bid on standard projects". At what point would the College bid out a project that was already awarded under the service contract? Would it be a dollar amount for example over \$5,000 OR over \$10,000 etc?
 - The Contractor is not able to start needed floor work in a stipulated time frame.
 - College Representative and Contractor cannot agree on scope/cost
 - No
2. On items listed as "Furnish & Install", will there be a minimum sq ft pricing for example 100 sq ft OR 1,000 sq ft etc? Our understanding is it could be 1 room OR 10 rooms OR anything in between OR above / below that amount so the Furnish & Install sq ft amount will cover all of the above. Is this correct?

Above / below that amount so the Furnish & Install sq ft amount will cover all of the above. The average size classroom will be 20'x 20' and at most two classrooms will be taken down for new flooring.
