Name of Solicitation: RFI for Actuarial Services

Notice to bidder:

The purpose is to establish a three-year, actuarial services contract that will allow for rate development and other Louisiana Medicaid financial support activities for the following Louisiana Medicaid managed care programs:

- # Healthy Louisiana Program
- # Dental Benefit Management Program
- # Coordinated System of Care (CSoC) Program

Contractor will provide methods for, and calculation of, capitation rates for the above Louisiana Medicaid managed care programs and other support services that must be provided by an actuary or other similarly qualified staff employed by the Contractor. Contractor's methods must be analytically sound, acceptable to the Centers for Medicare & Medicaid Services (CMS) and readily replicated.

LDH currently manages approximately 1.8 million beneficiaries in managed care through its Healthy Louisiana and Dental Benefit Management Programs and approximately two thousand beneficiaries in its CSoC Program. Such management requires ongoing assistance with rate setting, risk adjustment, financial analysis, analysis of claims and encounters, evaluation of expenditures, budget projections, and financial and other reporting requirements as may be mandated by Federal
