Addendum No: (1)

Bid No: 40006-074
Bid Name: Exterior cleaning & Pressure Washing REBID
Opening Date: July 11, 2022 at 2:00PM CST
Revised Opening Date: July 18th, 2022 at 2:00PM CST

Addendum No: 1
Date Issued: July 6th, 2022

This addendum is hereby officially made a part of the referenced solicitation. The questions submitted have been answered and specifications clarified as follows.

1. Has anything been changed from the original quote on the specs as far as years of experience goes? Meaning did the last bid state 8 years experience?

If so does that mean the CEO meaning myself may submit the bid having 20+ years experience. I have had more than one company and Jet Set is not quite 8 years old yet.

The experience requirement is based upon the bidding company's years of established experience in performing the work, not an individual's person's overall years of experience. This requirement has not changed from the most recently issued bid. The College carefully reviews the level and type of work being performed and is the sole decision maker in determining the requirements for all contracted services to ensure the quality and responsibility of a Bidder even when the Bidder may be performing work for other agencies where the requirements may have been different.

However, based on precedence of the original contract, and the nature of the work being performed, the College will accept Bids from companies that have been in business for a minimum of (5) five years; where the work outlined in the Bid was and is a significant portion of what the company is engaged in performing on a consistent basis, and they must have performed work of a similar size and scope.
2. BID DUE DATE EXTENDED

Due to operational circumstances, the due date and time for the receipt of bids has changed. Bids are due by 2:00PM CST on July 18th, 2022.
