- 9) **Severance** means the complete separation and dismemberment of the part from the body.

Exposure and Disappearance

We will presume an Insured Person has died due to Injuries if, while insurance is in effect, the Insured Person dies as a result of exposure to the elements as a result of an Injury.

We will presume the Insured Person has died if, while insurance is in effect and after the forced landing, stranding, sinking, or wrecking of a vehicle:

- 1) the Insured Person disappears; and
- 2) the Insured Person's body is not found within 1 year of disappearance; and
- 3) a valid death certificate is issued by a court of competent jurisdiction.

LIMITATIONS AND EXCLUSIONS

Economic Sanction

Limitation on Multiple Benefits

If an Insured Person suffers one or more Covered Losses from the same Covered Accident for which amounts are payable under all of the benefits provided by this Policy, the maximum amount payable under all of the benefits combined will not exceed the largest amount payable for one of those Covered Losses.

Limitation on Multiple Covered Activities

If an Insured Person's Injury is caused by a Covered Accident that occurs while the Insured Person is participating in more than one Covered Activity, and if the same benefit applies to that Insured Person with respect to more than one such Covered Activity, then the Accidental Death or Accidental Dismemberment Principal Sum for that Insured Person for that Covered Accident will be determined as though the Covered Accident occurred while the Insured Person was participating in only one such Covered Activity. We will pay the benefits for the Covered Activity with the largest Principal Sum for that Insured Person.

CLAIMS PROVISIONS

Notice of Claim

The person who has the right to claim benefits (the claimant, beneficiary or his or her representative) must give Us written Notice of a Claim within 30 days after a Covered Loss begins. If notice cannot be given within that time, it must be given as soon as reasonably possible. The notice should include the Insured Person's name and the Policy Number. Notice should be given to Our agent or sent to Us at The Hartford.

Claim Forms

When We receive the notice of claim, We will send forms to the claimant for giving Us Proof of Loss. The forms will be sent within 10 days after We receive the notice of claim. If the forms are not received, the claimant will satisfy the Proof of Loss requirement if a written notice of the occurrence, character and extent of the loss is sent to Us.

Proof of Loss

Written Proof of Loss must be furnished to Us within 90 days after the date of the loss. If the loss is one for which this Policy requires continuing eligibility for periodic benefit payments, subsequent written proofs of eligibility must be furnished at such intervals as We may reasonably require. Failure to furnish proof within the time required neither invalidates nor reduces any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the claimant, later than one year from the time proof is otherwise required.

All Proof of Loss submitted must be satisfactory to Us and must include information which is required by Us to adjudicate the claim. In addition, the claimant must provide Us any Proof of Loss documentation specifically required in any relevant Rider. We reserve the right to request additional information reasonably related to the claim.

Time of Payment of Claims

We will pay any benefit due, other than benefits for which the Policy provides periodic payment, immediately after We receive Proof of Loss. Subject to due written Proof of Loss, all accrued benefits for which the Policy provides periodic payment will be paid not later than at the expiration of each period of 30 days during the continuance of the period for which benefits are due, and any balance remaining unpaid at the termination of the period will be paid immediately upon receipt of the proof.

Payment of Claims

We will pay any benefit due for loss of life:

- 1) according to the written beneficiary designation on file with the Policyholder; otherwise, if no beneficiary is named or no named beneficiary survives the Insured Person, We will pay
- 2) to the survivors in equal shares, in the first of the following classes to have a survivor at the Insured Person's death:
 - a) Spouse or Partner;
 - b) children;
 - c) parents;
 - d) brothers and sisters.

If there is no survivor in these classes or if there are legal impediments to determining who the survivors or beneficiaries are, payment will be made to the Insured Person's estate. All other benefits due and not assigned will be paid to the Insured Person, if living. Otherwise, the benefits will be paid according to the preceding language.

If a benefit due is payable to:

- 1) the Insured Person's estate; or
- 2) the Insured Person or a beneficiary who is either a minor or not competent to give a valid release for the payment.

We may pay up to \$1,000 of the benefit due to some other person whom We believe is entitled to the payment, and who is related to the Insured Person or the beneficiary by blood or marriage. We will be relieved of further responsibility to the extent of any payment made in good faith. We may pay benefits directly to any Hospital or person rendering covered services, unless the Insured Person requests otherwise in writing. The Insured Person must make the request no later than the time he or she files Proof of Loss.

Upon receipt of due written Proof of Loss, benefit payments for charges incurred by the Insured Person for covered medical services will be made directly to the provider at Our option. If any such charges have been paid by the Insured Person, the benefit payment for those charges will be made to the Insured Person upon written proof of payment.

Appealing Denial of Claims

If a claim for benefits is wholly or partially denied, notice of the decision shall be furnished to the Insured Person. This written decision will:

- 1) give the specific reason or reasons for denial;
- 2) make specific reference to Policy provisions on which the denial is based;
- 3) provide a description of any additional information necessary to prepare the claim and an explanation of why it is necessary; and
- 4) provide an explanation of the review procedure.

On any denied claim, an Insured Person or his representative may appeal to Us for a full and fair review. The claimant may:

- 1) request a review upon written request within 60 days of receipt of claim denial;
- 2) review pertinent documents; and
- 3) submit issues and comments in writing.

We will make a decision no more than 60 days after receipt of the request for review, except in special circumstances (such as the need to hold a hearing), but in no case more than 120 days after We receive the request for review. The written decision will include specific reasons for the decision on which the decision is based.

Subrogation

In the event:

- 1) an Insured Person suffers a Covered Loss caused, in full or in part, by the act or omission of any person or legal entity;
- 2) the Insured Person or claimant becomes entitled to and are paid benefits under the Policy; and
- 3) the Insured Person or claimant does not initiate legal action for the recovery of such benefits from a Third Party in a reasonable period of time or notify Us that he or she does not intend to do so;

then We will be subrogated to any rights such person may have against a Third Party and may, at Our option, bring legal action against or otherwise pursue a Third Party to recover any payments made by Us in connection with the Covered Loss.

Third Party, as used in this provision, means:

- 1) any person or legal entity whose act or omission, in full or in part, causes the Covered Loss for which benefits are paid or payable under the Policy; or
- 2) any insurer, including the Insured Person's own, that provides benefits to the Insured Person or claimant as a result of the act or omission which caused the Covered Loss for which benefits are paid or payable under the Policy.

This provision does not apply to Accidental Death and Dismemberment benefits.

Physical Examinations and Autopsy

We, at our own expense, shall have the right and opportunity to have:

- 1) a claimant for whom a claim is made examined by a Physician or Medical Professional of Our choice during the pendency of a claim as often as reasonably required; and
- 2) an autopsy conducted for a claimant for whom a claim is made in case of death, where not prohibited by law.

Legal Actions

No legal action may start:

- 1) until 60 days after Proof of Loss has been given; or
- 2) more than 3 years after the time Proof of Loss is required to be given, unless otherwise required by law.

Assignment

This insurance may not be assigned. The Insured Person may not assign any of his or her rights, privileges or benefits under this Policy. Benefit payments may be assigned as allowed in the Payment of Claims provision.

Workers' Compensation Coverage

The Policy does not replace Workers' Compensation or affect any requirement for Workers' Compensation coverage.

GENERAL PROVISIONS

Entire Contract

The entire contract between the Policyholder and Us consists of this Policy and any other papers made a part of this Policy at issue.

Incontestability

In the absence of fraud, the validity of this Policy shall not be contested, except for nonpayment of premium, after it has been in force for two years from the Policy Effective Date.

Statements

In the absence of fraud, all statements made by the Policyholder and persons insured under this Policy will be deemed representations and not warranties. No statement will be used in any contest unless it is in writing, signed by the person making it and a copy of it is given to the person who made it, or, in the event of the death or incapacity of the Insured Person, to the Insured Person's beneficiary or personal representative.

Changes

No agent has authority to change or waive any part of this Policy. To be valid, any change or waiver must be in writing, approved by one of Our officers and made part of this Policy.

Noncompliance with Policy Requirements

Any express waiver by Us of any requirements of this Policy will not constitute a continuing waiver of such requirements. Any failure by Us to insist upon compliance with any Policy provision will not operate as a waiver or amendment of that provision.

Data Furnished by Policyholder

The Policyholder must maintain adequate records acceptable to Us and provide any information required by Us relating to this insurance, its premium, and any benefits claimed or paid hereunder.

Right to Audit

We will have the right to inspect and audit, at any reasonable time, all records and procedures of the Policyholder that may have a bearing on this insurance, its premium, and any benefits claimed or paid hereunder.

Certificates

If required by the laws of the state where this Policy is delivered, We will give certificates to the Policyholder for delivery to Insured Persons. The certificates will state the features of this Policy which are important to Insured Persons.

Conformity with State and Federal Law

Any provision of the Policy that is contrary to the law of the jurisdiction in which it is delivered or with any other applicable law is amended to meet the minimum requirements of the law.

Right to Receive and Release Needed Information

We have the right to decide in Our sole judgment what facts We need to administer this Policy. We may get needed facts from, or give them to, any other organization or person. We need not tell, or get the consent of, any person to do this. Each person claiming benefits under this Policy must give Us any facts We need to determine coverage under this Policy or determine the correct payment of a claim.

Facility of Payment and Right to Recovery

If a payment made under another plan includes an amount that should have been paid under this Policy, We may pay that amount to the organization making that payment. That amount will then be treated as though it were a benefit paid under this Policy, and We will not have to pay that amount again. If the amount of the payments made by Us is more than it should have paid under this Policy, We may recover the excess from any person(s) to or for whom We have overpaid, including insurance companies or other organizations. If benefits are overpaid, We may recover the amount overpaid by requesting a lump sum payment of the overpaid amount or reducing future benefits payable under this Policy.

New Entrants

This Policy will allow from time to time, that new eligible Insured Persons of the Policyholder be added to the Eligible Class(es) of Insured Persons originally insured under this Policy.

Misstatement of Age

If premiums for the Insured are based on age and the Insured Person has misstated his or her age, there will be a fair adjustment of premiums based on his or her true age. If the benefits for which the Insured Person is insured are based on age and the Insured Person has misstated his or her age, there will be an adjustment of said benefit based on his or her true age. We require satisfactory proof of age before paying any claim.

Clerical Error

Clerical error, whether by the Policyholder or Us, will not void the insurance of any Insured Person if that insurance would otherwise have been in effect nor extend the insurance of any Insured if that insurance would otherwise have ended or been reduced as provided in this Policy.

Policy Interpretation

We have full discretion and authority to determine eligibility for benefits and to construe and interpret all terms and provisions of the Policy. An Insured Person may be entitled to dispute a claim decision made by Us in accordance with the laws of the state of Louisiana.
